## Fair Excludes **Harness Races**

Stall applications are pouring into state fair headquarters this week in preparation for the evposition's six day racing meet, which opens on Labor Day.

Racing Superintendent Charles A. Evans of Salem announced this week that the daily cards would include nine or ten running races. For the first time in several years, there will be no harness racing. However, quarter-horse sprints will be included on the cards for the first time. There will probably be one quarter-horse dash per day.
