

Good Angling Conditions Expected for Weekend

PORTLAND, Aug. 11-(P)—Good fishing in widely scattered spots of Oregon was reported today by the state game commission in its weekly fishing bulletin.

Outlook by districts:

Willamette Valley: Lane county — Eugene: Fishing fair to good on McKenzie river and tributaries. Clear and Linton lakes spotty. Prospects for weekend same. Mail your catch record cards promptly. Conditions favorable for upper Willamette river and tributaries. Coastal streams and tributaries low and clear, conditions poor. Some fair catches of scum cut-throat have been taken in lower

Siuslaw on spinners and worms. Triangle lake continues to produce nice bass and bluegills. Fern Ridge lake poor with few fish taken. Reports from upper lake area favorable with some limit catches taken.

Deschutes area: Deschutes river at the mouth: Steelhead being taken. Trout in the lower Deschutes fair. Bait best. Bend area: East lake good. Other lakes fair to good. Pack lakes in Cascades excellent. Evening fishing best.

Costal Section: Clatsop county — best reports on trout are from Young river above the falls. Angling throughout the county fair.

Tillamook County — Angling for sea-run cutthroats fair in the Nestucca river from Pacific City to head of tidewater with troll. Nehalem, lower Willam, lower Trask rivers, fair trolling. All other waters above tidewater very low and clear, angling not good. Prospects for coming weekend fair in all tidewater. Lane county — Florence: Summer cutthroat entering the Siuslaw river and many limit catches reported. Catches also reported in the Abes river. Bass, catfish, and perch good in most central coastal lakes.

Southern Oregon: Douglas county — Roseburg-upper Umpqua area water conditions generally perfect. For those fishing carefully and thoroughly, trout angling should continue excellent. More summer steelhead being taken. Cutthroat take increasing below the forks.

Eastern Oregon: Wallowa county — Fishing generally good. Good catches in Wallowa lake. Excellent catches in high lakes. Some eastern brook and rainbow being taken in Wallowa river. Some very large dolly varden being taken in the Imnaha river.

Charles Ready For 'Anybody'

NBA Champion Gets \$18,598 from Bout

NEW YORK, Aug. 11-(P)—Ezzard Charles and his table of assorted managers collected \$18,598 today from the International boxing club and looked for new worlds to conquer.

The NBA-recognized heavy-weight champion said he was anxious to continue fighting.

"I'm ready to go back to training as soon as they can get me another fight," said the lean Cincinnati negro, "I got no special plans."

Charles carried no marks from last spring's Yankee stadium battle with Gus Lesnevich who surrendered on his ring stool at the end of the seventh round.

Poor Gus, both eyes puffed, was as wilted as the collars of the sweating ring-siders. Officially it became a seventh round knockout in New York State which does not recognize any such thing as a TKO.

"I feel that I am champion," said Ezzard, who is accepted in 47 states but not in New York. "I feel if anybody wants to fight for the title, they should fight me. I'll take on any of them."

Naturally that brought up Joe Louis. Did Ezzard think there was a chance of the old champ coming out of retirement?

At first Charles shook his head and smiled. Then he added "the might."

Would Charles fight him? "I guess I have to fight anybody now, don't I?" he answered with a grin.

Stella Walsh to Quit

ODESSA, Tex., Aug. 11-(P)—Stella Walsh announced today she will retire after the 1949 National AAU women's track and field championships opening here tomorrow night.

The veteran Cleveland star said she wants to retire "in the state where I won my first National championship — in Texas."

In the 1930 Women's AAU meet in Dallas, Miss Walsh scored a triple triumph, sweeping the 100 and 220-yard dashes and the broad jump, defeating Babe Didrikson in the last event.

This year, as she ends 22 years of competition, she will defend three titles — the 100 and 200 meter dashes and the broad jump. Stella said she hopes "to end my career like I started it — with a victory."

Evans, Carson Star

CHICAGO, Aug. 11-(P)—Bullet Betty Evans, the fireball softball hurler from Portland, made her first start for the Chicago Queens by pitching the pro team to a 4 to 3 verdict over the Chicago Cardinals here Wednesday night.

Miss Evans, who had twirled one inning of relief Tuesday, gave up only four hits, walked four and struck out five. Pat Carson, who was Betty's teammate on the Exy Lind team in Portland, helped the Queens' cause with three hits.

Williams-Stojack Rematch Set

A "natural" is the what local mat fans will get next Tuesday night at the armory — for Promoter Elton Owen has rematched Al Williams and Frank Stojack in the one hour main event. After the pair's wild battle of last week which Williams won despite assistance to Stojack from Tony Ross, anything is likely to happen in the coming mix.

The winner Tuesday night will put himself in line for a crack

at the Coast junior heavyweight crown, now owned by Jack McLoughlin of Vancouver, B. C.

The appetizing card will be opened by a six-man battle royal, with the two finalists tangling in a semi-final clash.

Battle Royal participants will be George Dusette, Billy McCuin, Tex Hager, Tony Ross, Pierre Labell and Al Szass.

Aussie, Italy Aces to Duel

Netters Open Inter-Zone Finals Today

By Gayle Talbot

RYE, N. Y., Aug. 11-(P)—Australia's Davis cuppers played a long shot today by naming Billy Sidwell, an unpredictable performer, to substitute for veteran John Bromwich in the singles matches of their inter-zone final against Italy starting tomorrow at the Westchester Country club.

The gamble was believed to have been actuated by the Aussies' fear that singles play in the present terrific heat would take too much out of the 30-year-old Bromwich and leave him unfit for Saturday's doubles, for which he was nominated.

In tomorrow's opening singles, Sidwell will face the dynamic little Italian champion, Gianni Cuculli, while Frank Sedgman, the youthful new Australian champ, meets Marcello Del Bello, Italy's No. 2.

Bromwich was named tentatively to team with Sedgman in the doubles against Cuculli and Del Bello, but the Aussies have the privilege of changing their minds.

Should both Sidwell and Sedgman win tomorrow and take a commanding lead in the series, it is possible that either Sidwell or young George Worthington will be substituted for Bromwich in the tandem.

The Aussies apparently wish to spare the 30-year-old Bromwich as much exertion as possible in the gruelling heat in order that he will be fresh for the pay-off challenge round against the United States two weeks from now at Forest Hills.

But should they get tripped by the Italians, who were good enough to sweep everything in Europe, the boys from down under will see the challenge round only as spectators. And it could happen.

Bonus Rule Voted Out

CHICAGO, Aug. 11-(P)—The major-league baseball executive council today unanimously voted to repeal the much discussed bonus rule.

Walter Mulhry, secretary of the council, said the proposal for repeal would be submitted to the sixteen major league clubs and 469-odd minor league clubs for their approval. If a three-quarters vote favors repeal the rule will be removed from the major-league agreement.

Mulhry said it probably would be several weeks before the result of the balloting is complete.

The present bonus players will carry that tag until Jan. 1, 1953, Mulhry said. He added that major league officials, as well as minor leaguers, were generally opposed to the rule which allows bonuses of \$5,000 for the major leagues, and close triple A and double A leagues. The scale is sliding in the minor leagues.
