

Upsets Strike Amateur Play

Unknowns Knock 3 Britons from Meet

By Harold Claassen
ROCHESTER, N. Y., Aug. 29-(AP)—A Chicago trucking executive, two 21-year-old youths and a lashing rain threw the 49th Annual National Amateur Golf championship into confusion today.

Because of the weather conditions, 18 first round matches were not completed when darkness hit and will be finished tomorrow morning.

The truck executive who helped the confusion is Harold Foreman who got into the tournament only last Friday as a substitute for Gus Morland of Peoria, Ill. Foreman responded today by spilling Ernest Millward of the British Walker Cup team, 4 and 2. The two youngsters are George F. Bingham of Kansas City, who conquered James Bruen of Ireland, 1946 British amateur champion, 2 and 1; and H. MacGregor Hunter of Pacific Palisades, Calif. Hunter knocked off another Briton, Gerald Micklethorn, 5 and 3.

In a way, the rain and subsequent slow play robbed the day of some confusion: After 13 holes of play, John Kraft of Denver, held a 4 up edge over Ted Bishop of Islington, Mass., 1946 champion and one of the favorites.

The British Walker Cuppers registered three triumphs to go with their three defeats. Max McCready, present British amateur champion, forgot his throbbing wrist long enough to defeat Tony Langan of Syracuse, N. Y., 4 and 2. Arthur Perowne, the baby of the British squad, bowled over W. Y. Stember of Miami, 1 up; and Joe Carr mastered Tony Ruddy of Toledo, Ohio, 3 and 2.

Except for Bishop's predicament, the American Walker Cuppers came through in flying colors.

Willie Turnesa of Elmford, N. Y., defending champion and also a member of the cup team, drew a rest round bye.

Other results: Eugene Bates, Portland, Ore., defeated James E. Funston, Detroit, 1 up 20 holes.

Flam Ousted, Racquet Meet

NEW YORK, Aug. 29-(AP)—Eddie Moylan of Trenton, N. J., enlivened a windy first day of the National tennis championships at Forest Hills today by erasing Young Herbie Flam of Beverly Hills, Calif., the eighth seeded American player and semi-finalist in last year's title event.

Moylan knocked out the former junior champion in straight sets, 6-4, 6-4, 6-3, to supply the day's only real upset.

Jim Brink, rangy Seattle left-hander, took another chunk out of the seeded group by defeating Blind Victor Seixas of Philadelphia, 3-6, 6-3, 7-5, 6-4, in a match that went into the dusk.

Billy Talbot of New York, the third seed defeated Fred Kovaleski of Detroit, 7-9, 6-4, 6-3, 6-2. So Frank Segman, the Australian Davis cupper, turned back Charles Harris of Corpus Christi, Tex., 5-7, 6-4, 6-3, 6-2.

Ted Schroeder, the tournament's No. 1 man, teed off with a 6-3, 6-4, 6-2 victory over Lt. Charles Oiler of the army forces.

The match ended so late it was necessary to postpone Champion Pancho Gonzalez' debut in the stadium until tomorrow.

Gardner Mulloy of Miami, seeded fourth on the home list, opened with an 8-6, 6-3, 6-0 win over Intercollegiate Star Jack Tuero of New Orleans and Frankie Parker of Los Angeles, two-time former champion, breezed past Pierre Canepale of Italy, 6-2, 6-1, 6-1.

Eric Sturges of South Africa, who won first seeding on the foreign list, started impressively with a 6-1, 6-2, 6-2 conquest of grand golden of Wilmette, Ill. Jaroslav Drobny, the self-exiled Czech who is seeded No. 2 among the foreigners, crushed Henri Rochon of Canada, 6-1, 6-1, 6-0.

Father Bill Daly tutored a budding rider named E. H. (Snapper) Garrison. Both live today in the idiom of the turf where to be "on the Bill Daly" means to be in front, and the "Garrison finish" to come from behind to win.

'Sugar' to Quit in '50

MONTEAL, Aug. 29-(AP)—Ray (Sugar) Robinson, world welter-weight champion will seek to win the middleweight title too, but will retire in December, 1950, whether he's still champion or not, his manager said today.

"Win or not, Ray quits in December, 1950," said George Gainford, manager of the New York negro. Gainford came to town with the negro feather-weight, Ray Edwards, who fights Marcel La Chapelle here tomorrow night.

"Robinson will seek to meet the winner of the LaMotta-Cerdan fight, probably LaMotta," said Gainford. "But I doubt very much if we'll get a chance, even though Ray has established himself as a logical contender for the middleweight title."

"I don't think we'll get the chance if LaMotta wins because Ray has licked him four times. But Cerdan, if he wins, might take on Ray."

500 Horses to Seek Fair Meet Honors; Lone Oak Track Ready

Nominations are being received this week for the Labor Day Handicap, opening day feature of the Oregon State Fair's racing meet on Lone Oak track, fair officials announced Monday. The fair opens September 5.

Richard Munson, racing secretary, reported Monday that he expects a full field to break Labor Day for the purse of \$1000. The distance is a mile and a sixteenth.

Charles A. Evans, speed superintendent, said he expects nearly 500 thoroughbreds to be stalled on the grounds. Daily cards will include 10 races with the Labor Day post time set for 1:15 p.m.

Certain to be popular with fair racing fans is the large number of two year olds now on the grounds. Several juvenile tests will be run during the week including the debutante stakes, five furlong test for Oregon bred youngsters, and the feature race of the Tuesday, September 6 card.

Historic Lone Oak tract is reported to be in the best racing condition in years. Art Keene, track superintendent, has had his crew of men working the track constantly during the past week and promises the strip will be faster than at any time since the war.

Meanwhile, other parts of the plant have been a scene of continual activity. Sim Lindsay, in charge of stall allocation and the barn area east of the backstretch, has reported all available space will be utilized. The pari-mutuel machines have been installed beneath the grandstand under the direction of Jack Kyne, pari-mutuel manager from San Francisco.

The paddock, jockey room, and the front of the grandstand have been repainted in a light green instead of the white of former years.

Briton Seeks 'Cycle Record'

BONNEVILLE SALT FLATS, Utah, Aug. 29-(AP)—Noel Pope hopes to ride a motorcycle faster than one has ever been driven before. Within the next week he will make an attempt across these dazzling salt flats to reach a speed of 200 miles an hour.

The wiry, 39-year-old cyclist from Surbiton, Surrey, England, is enthusiastic for the chances of his British-built cycle. He says he is certain he can break the world's record of 174 miles per hour. He almost is equally confident he can add at least another 26 miles per hour to that figure. His confidence stems, he says, from two things—a stream-lined shell which will encase him and his cycle on the speed run, and the glistening smooth surface of these immense salt beds.

London Mix Still Question Mark

LONDON, Aug. 29-(AP)—Promoter Jack Solomons said today he will have his own doctor check on injured Bruce Woodcock to see when the British heavyweight will be able to fight again.

Woodcock is recovering from a recent truck accident. He was supposed to fight Lee Savold of Paterson, N. J., for the British version of the world heavyweight title Sept. 6.

The scrap has been postponed indefinitely and Woodcock's doctor reported he didn't think the British batter would be able to enter a ring before next December.

The postponement hit Solomons square in the bank account. He began returning \$9,000 bonds (\$320,000) already gathered up in advance sales for a scheduled outdoor bout that was expected to draw 50,000 fans.

Bevos Call for Bids

PORTLAND, Aug. 29-(AP)—The Portland Beavers called for bids today for their proposed new baseball park. The bids will be opened Sept. 22.

Plans call for 18,000 seating capacity with a three-story office section at the main entrance. Only six columns are planned in the park, in order to give fans a good view.
