

Opening Horseshow-Rodeo Provides Contrast at Fair

By Maxine Buren
Staff Writer The Statesman
Cowboy rough riding contrasted Monday night with formal events at the night horseshow at the stadium on the state fairgrounds. The show is being managed this year by Harrison Cutler of Napa, Calif., and horseshow events are being judged by Paul Flynn of Los Angeles and L. R. Linfoot of Redwood City, Calif.

Sen. Wayne L. Morse of Eugene drove his horse, Sir Laurel Guy to victory in the roadsters to bike class.
Fitzhampton's Duke, ridden by Maryanne Ferry, and owned by Mrs. L. Ferry was awarded first place in the opening jumping event, and the Hal of Salem riding his Lady O'War took second.
In the five-gaited saddle horse, Stonewall's Dare, owned by the Vida Mia farm of Northridge, Calif., and ridden by R. L. Smith, rated first ribbon. Rhadar, an Arabian horse owned and ridden by Janice Kenyon took first ribbon in this class. Lee Eyerly's horse Islam took second place.
A tiny rider, 7-year-old Terry Deal Taylor, on Barbara Admirer in the three-gaited saddle event, brought down the house with her handling of her mount. The judges gave her first place in this event to Maple Cricket, owned and ridden by Jeanne De Laittre of Oswego.
Another popular event during the evening was the harness pony and Shetlands event. These miniature horses, bred for the show ring, were shown in harness to small buggies. This event was won by Oh So Nice, owned by Mr. and Mrs. Carl Zimmerman and driven by Paul Zimmerman.
Hackney ponies, a new class for a Salem show, was won by Top Hat, owned by Mr. and Mrs. Carl Zimmerman of Portland.

Crash Victim

CLEVELAND, Sept. 5—Bill Odom, holder of the record for round-the-world flight, who was killed today in the crash of his plane during the National air races here. (Story on page 1).

Late Sports

'Rock'-Seaside Try Successful

SEASIDE, Ore., Sept. 5—(AP)—A University of Oregon student today swam the punishing eight-mile stretch of the Pacific between Tillamook Rock and Seaside—the second major record to conquer the waves there.
He was Bob Frowl, 24, Long Beach, Calif., a summer-time lifeguard at this resort. He took four hours and 55 seconds, emerging from the surf here to the cheers of thousands lined up on the beach.
Heavily coated with grease, Frowl plunged in from the Seaside pier at 10:30 a. m. on this morning. The other two gave up after two hours, and were brought in by an amphibious craft.
Many have tried the crossing previously. Only James Reed, Portland, was successful, in 1937.

Rogers Victor In Pike Race

COLORADO SPRINGS, Colo., Sept. 5—(AP)—Al Rogers of Colorado Springs outdistanced 19 other daredevil drivers today to win the 27th annual Pikes Peak Labor day auto race. Rogers, a former San Franciscan, made the 12 1/2 mile course which has 165 twists and turns in 15 minutes, 54.8 seconds to win top money of \$4,000 before a record crowd of more than 30,000.
Lou Unser of Colorado Springs, who set the record of 15:28.7 in 1946, rolled across the finish line backwards to win second and \$3,000 in 16:06.22. His car skidded off the road near the summit and rather than waste time turning around, he finished the race in reverse.

Shirley Starts Channel Swim

WISSANT, France, Tuesday, Sept. 6—(AP)—Shirley May France walked into the English channel and started swimming at 5:25 French time this morning.
There had been some last-minute hesitation because the channel had suddenly been whipped into a heavy froth, but the 17-year-old Somerset, Mass., girl wanted to go.

GE's GAIN FINALS

WICHITA, Kas., Sept. 5—(AP)—The Fort Wayne, Ind., General Electric advanced to the finals of the National semi-pro baseball tournament tonight by defeating and eliminating the Elk City, Okla., Elks 4 to 0.
Fort Wayne, which has been defeated only once in the double elimination contest, will play the unbeaten Golden, Colo., Coors tomorrow for the championship. If the Elks win, another game will be played Wednesday.

NEW COACHES DUE

McMINNVILLE, Ore., Sept. 5—(AP)—Three new coaching assistants will be on hand here tomorrow as Linfield college begins football training. They will be John Oravec, former Willamette star, who will be backfield coach; Roy Helser, Portland Beaver pitcher who will handle the junior varsity; and Jim Catterall, ex-Oregon state basketball player, will assist Helser.

Taft and Byrd 'Tories' Asserts Green of AFL

By The Associated Press
Both labor and farm leaders took advantage of Labor-day Monday to call for political cooperation and to flay communism. They included:
Philip Murray, president of the CIO, charged the steel industry with taking the lead in saying "no" to what he said were labor's legitimate demands. In a Labor day speech broadcast from Pittsburgh, Murray said other industries have "arrogantly" followed this lead.
A blast at communism came from AFL President William Green, in an address at San Diego, Calif. Green coupled with communism what he called "toryism, promoted by a reactionary combination in congress."
In this connection, he spoke of "the Tafts and the Byrds—a reference to Sen. Robert A. Taft (R-Ohio) and Harry F. Byrd (D-Va.).

"Tories profess to hate communism, Green said, but consciously or unconsciously they are through legislative action drawing working people into the ranks of the communist party."
Through other speeches, made by both labor spokesmen and representatives of the Truman administration, ran the theme that labor and agriculture must cooperate in the coming year's congressional elections.
This was the keynote of a dinner held at Chicago by the AFL political arm, Labor's league for political education. Secretary of Agriculture Brannan, delivering the principal speech, said:
"From the economic standpoint farmers and workers have every reason for unity. . . . Wages and farm income go down together when there is a depression."
"Since workers and farmers constitute by far the majority of the American people, the responsibility for our national future rests particularly in their hands."
Brannan said the proposed new farm program which bears his name—and which congress has shelved at least for this year—will help both farmers and workers by protecting farm income and giving the worker-consumer a fair break.

Yost Retains Title

THE DALLES, Ore., Sept. 5—(AP)—Young Dick Yost and Mrs. Lyle Bowman, both of Portland, successfully defended their men's and women's titles today in the annual Mid-Columbia golf tournament.
The Oregon State college star player led the field with a two under par 70-72-142.

IT WAS THE LIMIT

COOS BAY, Sept. 5—(AP)—The Rev. Sydney Gaither, Coos Bay Methodist minister, was still fishing when dusk came.
He swished a fly out, and a bat swooped down and grabbed the lure.
The minister said he didn't keep the bat, but it was "certainly the limit."

Beauties Begin Annual Quest; Most Shorter

ATLANTIC CITY, N. J., Sept. 5—(AP)—Fifty-two girls, their eyes on fame and fortune, begin tonight a tense quest for the Miss America title.

The girls, representing 45 states, four major cities (New York, Chicago, Philadelphia and Washington) and Hawaii, Puerto Rico and Canada, were read the rules of the Miss America pageant.
Pageant officials told the girls they must not:
1. Drink intoxicating liquors.
2. See their boy friends or any other male.
3. Wear padding in their bathing suits.

Each girl is chaperoned by a local hostess who supervises activities during the week.
Most of the girls gave a preview today of how they look in bathing suits. It was for the benefit of photographers.
Many posed with retiring Miss America, Bebe Shopp of Hopkins, Minn. She appeared much taller than this year's bevy of beauties.

Floral, Stock Entries Win At State Fair

(Stories also on pages 1 and 7).
The floral exhibits were among the first to be judged Monday at the opening day of the Oregon state fair. Scio clubs led all others with Riverview Garden club of Scio, topping all club entries, Scio Garden club placing second; Swegle Road Garden club third and Lansing Neighbors fourth. Bob Long, on exhibits of fuchsias and begonias, won sweepstakes in the amateur exhibits. A special attraction in the floral building is the organ music by Wayne Meusey, furnished by Eugene Music company and Salem Musical Instrument company.

Chinese Reds Aim at Rails

CANTON, China, Sept. 5—(AP)—Chinese nationalist defense ministry reported today the communists were pressing a new drive aimed at cutting the Canton railway 170 miles north this provisional capital.
The Reds, regulars of Gen. Liu Po-Cheng's 14th army, were said to be attacking from Juehng, 30 miles east of the railway. How far they might have progressed was not disclosed.
The anti-nationalist coup in Kunming meanwhile threatened to create a civil war within a civil war.
Gov. Lu Han of Yunnan province was identified in trustworthy private reports as leader of the bloodless revolt in his capital city Saturday.

Mrs. Odom Stricken By Report of Crash

ITHACA, N. Y., Sept. 5—(AP)—Mrs. Dorothy Odom, divorced wife of Flier Bill Odom who was killed at Cleveland today when his plane crashed into a home and burned, was grief-stricken at her apartment here.
Mrs. Odom, who divorced her husband in Reno, Nev., in 1948, resides with the couple's two children, Rochelle 8, and Ronald, 5.

JAP ADMIRAL ACQUITTED

TOKYO, Tuesday, Sept. 5—(AP)—Adm. Soemj Toyoda, Japan's naval chief at the end of the war, today was acquitted of war crimes charges by an allied military tribunal, which alleged he was responsible for mistreatment of prisoners of war.

Animal Crackers

"Well, your fins would be all rough and red, too, if you had them in water all day."

Moscow Urges Real Commies For Yugoslavia

MOSCOW, Sept. 5—(AP)—The Moscow press and radio today played up a Cominform article calling for a new communist party in Yugoslavia and quickly overthrew Premier Marshal Tito. It called Tito a repulsive bandit-Fascist gang leader and a communist in name only.
Foreign observers considered the prominence given to the article in Pravda and on the radio was a significant step in the war of angry words between the Kremlin and Tito.

Disaster Orphans Get Compensation 67 Years Later

SYDNEY — (AP)—Twenty-seven people orphaned in 1882—67 years ago—by a disaster in the Creswick gold mine near Ballarat, Victoria will probably get \$320 dollars each as compensation. This result from the impending winding up of the Victorian Mines Accident Relief Fund by a bill scheduled for introduction in the Victorian Legislative Assembly in October.
Twenty-two miners were drowned in the Creswick disaster, when water burst a face 3,000 feet from the shaft. Twenty-seven trapped men retreated to the highest point they could reach, tied themselves together as water rose to their necks. Fifty-six hours later a rescue party reached them and found only five alive.

West Salem Urges Water Conservation

WEST SALEM, Sept. 5—(Special)—Water conservation remained a major topic in this city Monday. Although excellent public cooperation has been received, the shortage is expected to remain critical for at least another week, according to city authorities.
It started last Friday, when Blue Lake cannery was forced to curtail night operations due to lack of water. Workers involved were called back Sunday.

New Atlantic Hurricane Bound Toward Bermuda

MIAMI, Fla., Sept. 5—(AP)—A severe Atlantic hurricane, with winds of 120 miles per hour or more, pushed toward Bermuda's Honeymoon Isles today.
At 5 p. m. (EST) advisory said the immense disturbance was about 430 miles south southwest of Bermuda, moving north northeastward at about six miles an hour.

Full Publicity on Dollar Talks Sought by British Officials

WASHINGTON, Sept. 5—(AP)—Britain took the lead today in a move to keep the American, British and Canadian people posted on progress of the critical talks here this week on Britain's dollar crisis.
Official sources said that Sir Oliver Franks, the British ambassador, was ready to propose that detailed daily reports be given reporters on what takes place in the urgent closed door sessions which open Wednesday at the state department.

Yanks Launch Maneuvers in German Area

NUERNBERG, Germany, Tuesday, Sept. 5—(AP)—The largest post-war test of America's fighting ability against a mythical foe from the east got under way at dawn today.
The maneuver, known as "exercise harvest," is the first in which U. S. armed forces are operating under America's new unified command. More than 110,000 U. S. soldiers, sailors and airmen are taking part.
A confident "aggressor army" started the two-week mock war with a dawn attack from the east. It has a mobile striking force of 18,000 men. Its officers predicted it would plow through the army's crack First division to the Rhine river. The "aggressor army" is made up of U. S. constabulary.

Navy to Begin B-36 Inquiry

WASHINGTON, Sept. 5—(AP)—The navy will open tomorrow its investigation into the writing of an unsigned document which implied—without foundation, a house committee reported—that politics influenced procurement of the air force's B-36 bomber.
First witnesses before a three-man board of inquiry will be one of the navy's top pilots and a girl chief yeoman.
Both are former associates of Cedric Worth, former civilian aide to the undersecretary of the navy, who was suspended after he told the house armed services committee he authored the document.

Scouts Rescue Hurt Swimmer

PORTLAND, Sept. 5—(AP)—Three boy scouts were credited tonight with saving the life of a Columbia river swimmer who was paralyzed temporarily from the pain of a head blow received in a shallow dive.
Paul McCracken, 17, said he and two companions were swimming when they came upon a body floating face down in the river. They pulled the man ashore and applied artificial respiration methods to revive the man, later identified as Lyle R. Warneke, 27, Portland.
McCracken's companions were Jeff Beaudoin, 15, and Floyd Skoubo, 16, both of Portland.
