new seasonal low.

A better idea of what the new state office building will be like when completed can be had by passers-by now since workmen tore down **Feed Grains** a part of the surrounding fence Wednesday. The fence was removed from the southeast corner of the block, and concrete sidewalks are being laid as bulldozers level the ground. (Statesman photo.) **Close Higher**

# Third in Wage Compilation

Although several thousand state and other public employes were not included in the compilation, Marion county held third place among other Oregon counties in covered wages paid out in the first quarter of 1949, the state unemployment compensation commission reported Wednesday.

A total of \$7,909,248 were paid out in this county. Lane county, in second place, paid \$15,351,369 to its workers covered by unemployment compensation, it was reported. Multnomah county was in first place.
