Lone Bidder Claims Timber At OC Auction
A total of 1,285,000 feet of O&C timber, located in Linn county, was sold for \$15,936 at an oral auction sale Monday in the Salem office of A. P. Collins, district forester.

Lone bidder was Lulay Brothers Lumber company of Scio. The timber is located in the Crabtree forest unit a few miles east of Scio. The contract also included access rights to the stand.

The sale was mostly of green Douglas fir which brought \$14.65 per thousand feet. The rest of the timber included white pine at \$5.65 per thousand, and Douglas fir culls, \$5.

Cofferdams to Direct Santiam at Dam-Site

DETROIT, Sept. 12 (Special)-Workmen at the Detroit dam-site near here are shown constructing the upstream cofferdam which will soon divert the North Santiam river through a recently-completed diversion tunnel. A similar downstream dam will be built and a base for the main will be constructed in the dry river bed. The cofferdam above consists of a wooden crib filled with gravel and is to be completed in about two weeks. (U. S. Army engineers photo).

Church School Enrollment Gain Reported

(School story also on page 1)
Because parochial schools in Salem were already at or near their maximum enrollments, Monday's opening registration showed only a slight gain. The total in four schools was 906, compared to 872 at the opening a year ago.

Sacred Heart academy enrolled 231 students, with the 69-member sophomore class the largest. The figure is an increase of 23 from 1948's opening day.

A few more were expected to join the 310 at St. Joseph's grade school. Here the registration was down from 342 a year ago, due to a change in the boundary line between areas covered by the two Catholic schools.

St. Vincent de Paul grade school gained from 266 to 299, due principally to the line change. A few more are expected to enroll.

Livingstone school, operated by the Seventh Day Adventist church, showed a first-day total of 66, up from last year's 56. This year the 10th grade is offered as well as elementary. A few more pupils are expected.

Naval Air Reservists Hold Flight Meeting

Naval air reservists of Salem held their first flight meetings over the week end.

Members were taken up by Lt. Comd. G. W. Hug, office in charge of the naval air facility here, and Lt. S. R. Fallander, assistant. They used an SNB twin-engine plane borrowed from Seattle navy center.

The eight planes scheduled to be based at the Salem facility are still held in Seattle pending qualification of pilots.

Boy Scout Board Of Review Slated Wednesday Night

First Cherry City Boy Scout district board of review since early summer will be held Wednesday, September 14, in the basement of the Salem city library at 7 p. m.

The board will review scouts in the Salem area who are ready for advancement in rank at future troop courts of honor, said George Stroutz, board chairman. The board will meet on the second Wednesday of each month throughout the fall and winter months, Stroutz said.

State Turkey Growers to Hear Publisher

By Lillie L. Madsen
Farm Editor, The Statesman
Marshall Dana, who has recently returned from a trip through the Far East and Europe, has been announced as the speaker at the 10th annual meeting of the Oregon Turkey Improvement association which will meet September 20 at Corvallis.

The opening time has been set for 10 a. m. in the Memorial Union building. Daylight Saving, which will make it 9 a. m. for other valley towns who have returned to standard time, N. L. Bennion, association secretary, warns.

Dana's talk will be given at the 6:30 banquet to be held at the Corvallis country club. A fellowship hour, also at the club, will precede the banquet hour.

First on the program will be J. A. Harper, Oregon State college, poultry department, who will give a report on the national turkey federation, and W. T. Geurtz, president of the association who will also speak. Harper will also

review the college's turkey research work.
At 2:30 Dr. Paul Bernier will speak on improvement through breeding and Norton, Northwest Poultry and Dairy Products company, will talk on the market outlook.

Two special features of the afternoon will include a panel discussion on producing and selling turkey hatching eggs in which W. H. Schwedler, Jan Conn, Albert Potts, Felix Wright, Ted Olmstead, J. A. Ellison and Price Schroeder takes part, and the tour of the college turkey farm which will include a demonstration on selecting breeders and drawing blood samples.

"Shore go lickety-split with Mobilgas"

For PERFORMANCE with ECONOMY, use the quality gasoline your car needs—Mobilgas or Mobilgas Special. These two gasolines blanket the requirements of every car on the road today. Both are perfectly balanced fuels, with superlative mileage and power features; their essential difference is in anti-knock rating. With the help of your Mobilgas Dealer, you can quickly make your own test and find which of these 2 is best for you:

Mobilgas If your car is like most of those now in service, you will get mileage, power, and anti-knock—with outstanding economy—by using Mobilgas. If your car runs knock-free on Mobilgas, then be smart and pocket the difference in price.

Mobilgas Special If you are the proud owner of one of the new extra-high-compression cars, or if, due to mechanical adjustments, your car knocks on the gasoline you are now using, you'll be money ahead by switching to Mobilgas Special (premium).
