It will be a veteran as well as somewhat huge Chico State Wild-cat outfit that will be tangling with the Willamette Bearcats on Sweetland field Saturday afternoon. In fact the Chicos, from the looks of their personnel chart, starting lineup, etc., will amount to the heftiest gang the Cats will face all season, including Idaho.

Anchored by a pair of tackles who weigh 265 and 240, respectively, the Chico line will average a shade under 210 pounds. And were it not for End Ben Mathews at 185 pounds and Guard Don

Card Hopes Jolted as Jones Out

PITTSBURGH, Sept. 28 -(A)- The St. Louis Cardinals' pennant hopes received a jolt today when it was learned that Nippy Jones, their hard-hitting first baseman, would be lost to them for the remaining days of the season.

Jones' ailing back, which has kept him on the sidelines the last few days, has been getting worse instead of better. He reported to the park today in such pain that Manager Eddie Dyer ordered him back to St. Louis for a consultation with Dr. Robert F. Hyland. Jones will undergo a complete medical examination, hospital treatment and be error and the score was tied at bedded for a week or more.

Letter Pushed Sox from Top

WASHINGTON, Sept. 28-(AP)-A letter from Quincy, Mass., may have done more than anything else to knock the Boston Red Sox out of their undisputed hold on first place in the hot American league race.

"Some dame up there wrote this letter to me," said the Wash-ington Senators' shortstop, Sam Set, Portland Denite. "Boy, she called us everything. Said we always laid down and were yellow."

So Denite, mad as hops, roamed all over the field tonight, made eight assists and five shutouts to sparkle like a jewelry store window, and Washington beat the Red Sox. 2-1, to drop them into a first place tie with the New York Yankees.

"Greatest game he's ever played," said Washington Manager Joe Kuhel, of Dente.

Ray Scarborough, who pitched sparkling four-hitter, didn't talk much about himself. "I had pretty good control," he admitted, and then said:

"That Dente! I've never seen anything like it."

At Cal Drills No Lineup Changes Planned for Saturday

CORVALLIS, Sept. 28 -(Special) - Oregon State's Beavers again concentrated on defense today as they girded for the Satur-day collision with California's rugged Bears on the turf of Multnomah Stadium in Portland.

Coach Kip Taylor sent his charges through drills designed to stop the Berkeley crew's running attack and also had them working at ways and means of stymieing the Bears' aerial offense.

Taylor wound up the session with a rugged scrimmage.

The Beaver mentor plans no changes in the starting lineup. One questionable slot is at quarterback. Sophomore Ralph Carr opened at that berth against Utah last week but Walt Kelly is giving him a battle for the position.

Dick Twenge, the hard-smacking lad from Newberg, will again be at fullback, Ken Carpenter will be one of the Bevos' main threats at left half and Dick Gray will fill out the backfield.

In the line it'll be John Thomas and Rudy Ruppe at ends; Arv Niemi and Jay Simon at tackles; Capt. Tom DeSylvia and Ed Carmichael at guards and Al Gray at the center post. The Orange will engage in tap-

ering drills Thursday.

Lou Little's Columbia football squad has only seven letter-men, and only two of them saw any appreciable action in 1948.
