On Etiquette

By Roberta Lee

Q. Is it all right for a man to remove his glove to shake hands when being introduced?
A. Yes, if he can do so quickly and without making it obvious. He need not, however, delay the introduction and it is in good form for him to shake hands with his glove on — nor does he have to apologize for it.
Q. What would be the correct way for two unmarried sisters to register at a hotel?
A. They should register, "Miss Jane Wilson, Miss Jean Wilson, Detroit, Mich."
Q. How long before the stated hour should guests arrive to attend a home wedding?
A. About fifteen minutes before the stated hour.
