An outstanding sweeper in precision operation, perfect sweeping efficiency and streamlined beauty. Has visible top to show operation of brush-cleaning comb. Sanitary, all steel welded case with no bolts or screws to loosen. Wheels fully enclosed. Available in a choice of two baked-on enamel finishes, with the top window frame and handle in chromium.

SPECIFICATIONS AND FEATURES

Comb-cleaning action.

Thick live all-rubber wheels with oil-less bearings.

Steel drive spools give longer life and more positive sweeping action.

Automatic brush height control for all rug thicknesses. No adjustment needed.

Thick bristle brush with long, tough bristles fastened securely by metal anchors.

An automatic brush cleaner. Keeps the brush free of lint, threads, hair and favelings that usually reduce a sweeper's cleaning efficiency. The brush revolves against a metal comb when the sweeper is in operation and is thereby kept 100% efficient all the time.

Brush MOTH-PROOFED by an exclusive process.

Moulded rubber furniture and sweeper protectors all around.

Extra-capacity STAY-OPEN dust pans—better pick-up; easier to empty.

Exclusive finger-tip control pan release.

Metal threaded hardwood handle. Has anti-tip to keep handle upright when not in use.
