

# WVL Grid Elevens In Crucial Games Bell's Limp Jolts Duck Victory Hopes

### Estacada at Woodburn No. 1 Tilt; Sandy-Silverton Go Also Rated Up

Round No. 4 of the Willamette Valley league's battle for the 1949 football championship blazes on four fronts this afternoon and tonight, and in two spots, Woodburn and Silverton, the flames are expected to be brightest. Estacada's league-leading Rangers, winners of their first three in a row, play the Woodburn Bulldogs in the top feature at 2 p.m. on the Woodburn turf. The Blue Bulldogs, unbeaten themselves but tied by Silverton, could go into the lead with a win over the Rangers.

Tonight at Silverton the once-beaten Silver Foxes and ditto Sandy Pioneers get together at eight o'clock in a clash that will practically eliminate the loser from the race. Silverton bowed to Mt. Angel last week, 12-0, while Sandy was losing its first game to Woodburn, 20-6.

Another important struggle takes place at Canby tonight at eight o'clock when the Cougars take on the Mt. Angels. Canby has lost only to Estacada, 13-7, and although Mt. Angel has two set-backs, 13-7 to Estacada and 13-12 to Woodburn, the Preps proved via their win over Silverton they will be reckoned with by all league elevens.

The fourth fustle of the round puts the winless Dallas and Molalla crews together at Dallas at eight o'clock. This one is expected to be just as hard-fought as the other three as the Dragons and Indians hustle for their first victory.

## Academy Team Vs. Monmouth

Jerry Archer's Salem Academy Crusaders play their first Marion-Polk league game of the home season today at two o'clock on the Academy field, with the rugged Monmouth Wolverines as the opposition. The Wolverines, coached by John Chamberlain, were picked as one of the pre-season favorites for the 1949 title.

In last week's opening round of games the Monmouth's went to a 7-7 tie with strong Stayton while the Crusaders were being downed 22-0 by Independence. Monmouth will consequently be favored in today's mix.

## Stojack Faces M. LaChapelle

The Coast junior heavyweight championship argument is heading this way, and out of it will be no doubt some surprising results. Current champion Maurice Stojack, after winning the belt the hard way in a series of Vancouver, B. C., matches is facing Tony Ross, onetime Salem gladiator. Anthony has not appeared here since coping the coveted belt. But he will be in town soon, to meet the winner of next Tuesday night's main event, as announced last night by Matchmaker Elton Owen.

The Tuesday main event, expected to be a dinger of a struggle itself, pits Frank Stojack, former title holder against Maurice LaChapelle, the popular and thoroughly capable French-Canadian who has been so impressive in his recent outings here. Stojack is one of the very best, as is well known here.

Owen will announce the balance of Tuesday's card later.

## Younger Spink Faced With Paternity Suit

ST. LOUIS, Oct. 20 (AP)—A paternity suit asking \$50,000 damages was filed today against Charles C. Spink, vice president of The Sporting News Publishing Co., by Miss Mary Mallin, stenographer formerly employed by the company.

Miss Mallin charged Spink with seducing her and fathering her two-year-old child, then refusing to carry out his promise of marriage. Spink refused to comment on the suit, but his attorney, Oliver T. Remmers, said a general denial to the charges would be filed.

Spink was married Oct. 8 to Miss Edith Swift Jenkins. He is the son of J. G. Taylor Spink, president of the Sporting Publications firm.

## States to Get \$9,913,397 This Year to Aid in Wildlife Work

WASHINGTON, Oct. 20 (AP)—The federal government will make \$9,913,397 available to the states this year for restoration and development of wildlife resources. This is \$867,223 less than was made available last year.

Secretary of the Interior Krug said today the sum was credited to the federal aid-to-wildlife-restoration fund during the 1948-49 fiscal year and will be distributed in the current fiscal period ending next June 30.

The money came from the 11 per cent federal excise tax on the manufacture of sporting arms and ammunition. The states, in order to obtain the federal funds, must contribute 25 per cent of the cost of the projects in their areas. On this basis, the total amount available for federal-aid wildlife work will be \$13,217,863.

Territorial allotments include Alaska \$25,000. Following are allotments for Pacific northwest states: Oregon, \$250,846; Washington, \$277,252.

**WARD RELEASED**  
ST. LOUIS, Oct. 20 (AP)—Preston Ward was released by the St. Louis Bombers basketball team Wednesday night so that he would not hurt his chances of making good in baseball next year. Ward recently was sold by the Brooklyn Dodgers' farm system to the Chicago Cubs.

## He May See Little Action Against SC; Bevos Promote Another Soph

EUGENE, Ore., Oct. 20 (AP)—Right Halfback George Bell limped about the field again today and Coach Jim Aiken prepared two other players to take over his position on the Oregon football team. Aiken said Bell, injured last week, possible could see some action in Saturday's game at Los Angeles against Southern California, but drilled Bud Boqus, reserve fullback, and Dewayne Johnson, defensive back, in the position.

Oregon worked on pass defense today, the last practice here. The team will leave by air tomorrow, arriving in Los Angeles at 1 p.m.

**CORVALLIS, Ore., Oct. 20 (AP)—**Another sophomore moved into the starting lineup for Oregon State college today. Tackle Bill Farnham caught the eye of Coach Kip Taylor, and was tapped to open in the left side of the line against Stanford at Palo Alto Saturday.

That made five sophomores in the lineup. The others are End John Thomas, Guard Don Zarosinski, Center Pete Palmer and Quarterback Gene Morrow.

## SC's to Start Sophomore Duff

LOS ANGELES, Oct. 20 (AP)—Hard hitting Pat Duff, who starred in high school at Portland, was named today to start at right halfback for the University of Southern California Saturday against Oregon.

Duff is a sophomore and this is the first time he's started a game. He was one of the prized recruits at USC last year. He'll alternate with veteran Art Battle, used primarily on defense, and with Johnny Fouch, a transfer from Santa Anna junior college, starting at left half. Also returning to a starting role is Right End Bob Stillwell.

## Bruins Ready

LOS ANGELES, Oct. 20 (AP)—The UCLA Bruins took a last tapering off workout today prior to departure via United airliner tomorrow for their Pacific Coast conference grid game with Washington State. The Bruins will leave at 9 a.m. and arrive at Spokane at 2 p.m. Coach Red Sanders scheduled a short drill on the Cougars' home field at Pullman tomorrow afternoon.

Sanders pronounced the squad in good shape, except for End Darrell Riggs and Back Leo Herselman, lost for the season via injuries.

**SOME RECORD, BUT...**  
ERIE, Pa., Oct. 20 (AP)—Gannon college, a Catholic men's school with an enrollment of 1500, claims the world's most dazzling football record.

The Golden Knights haven't been beaten, tied or scored on in their entire grid history. There's a catch, of course. This is the first year Gannon has fielded a team and its "history" amounts to just three games.

The first rebroadcast of a London radio program was made in this country in 1925.

## Michigan Game Big One for Galloping Gophers

**By Maurice Putnam**  
MINNEAPOLIS, Oct. 20 (AP)—Minnesota's football team headed for Ann Arbor tonight to find out whether this year will be a success for the Gophers, who will be at near-peak physical condition for Saturdays game.

So far as the Gophers are concerned, the season will be a success if they can beat Michigan—even if they lose a game or two the rest of the year. On the other hand, if Michigan should win, Minnesota's year will be a flop from the players' standpoint.

That feeling results from the intense rivalry between the two schools. The coaches seldom have trouble keeping their squads for this game each year, because the players all want to see their school gain possession of the little brown jug.

So far, Michigan has had the better of the series, winning 24 to the Gophers' 13. Two games have ended in ties. In addition the Gophers will be seeking revenge for six straight defeats inflicted by the Wolverines. But just to make it even, Michigan, irked at losing to Army and Northwestern, probably would like nothing better than to deflate the Minnesota powderhouse.

Reports from Michigan indicated that star Halfback Leo Kooeski and Center Bob Erben will be "doubtful starters" according to Coach Bennie Oosterbaan, because of injuries.

## Chisox Skipper Was Surprised

ACTON, Mass., Oct. 20 (AP)—Jack Onslow forgot about fishing today and roll up his sleeves for another crack at managing the Chicago White Sox.

An aggressive guy on the diamond—some folks call him rough—Onslow is soft-spoken at home. And he took word that he is being kept to fill out his two-year contract with the White Sox philosophically.

Since the season ended, Jack has been pretty much on the hot-seat with reports he was about to be paid off \$17,500 for the 1950 season and fired.

But now he's looking forward to building up the club that he lifted from the cellar to sixth place last season.
