## U of O Theatre Group to Take Play on Tour

EUGENE, Nov. 20—A traveling company of Frederick Jackson's "The Bishop Misbehaves" will play for Oregon communities outside Eugene this winter. The University of Oregon theatre will offer the show under the direction of Mrs. Ottilie T. Seybolt, associate professor of speech.

The show, designed solely for traveling, will be available early in December for an indefinite period. The company will make overnight trips on week ends and mid-week dates will be played within a 60-mile radius of Eugene. "The Bishop Misbehaves" will play under the auspices of high schools, service clubs or other organizations. All expenses connected with royalty payments and transportation will be paid by the University theatre from its half share of the gross income.

Food, lodging, publicity and other expenses connected with the local production will be carried by the sponsoring organization. No minimum guarantee will be asked. Groups interested in sponsoring the show in their community have been asked to contact Horace W. Robinson of the University theatre.

## YM Party Clinic to Feature Games

Games like Go-Mo-Ku, Nine Men's Morris and Dutch Tactics, outgrowths of national cultures, are some of those to be taught at the Salem YMCA party clinic session Tuesday at 8 p. m. Carl Greider, YM personnel secretary, is the instructor for this meeting. Explanation of these pastimes, as well as work in puzzles and puzzlercraft, will be given at the public clinic, one of a series.

## Thanksgiving Service Set By Y Groups

A Thanksgiving worship service for the public, sponsored by YMCA school groups, will be presented Tuesday at 8 p. m. in Waller Hall at Willamette university. The program will be presented jointly by Hi-Y, Junior Hi-Y, Gra-Y and the campus Y.

Guest speaker will be Dr. U. G. Dubach of Lewis and Clark college on "Why Be Thankful." Hi-Y boys presenting the service are: call to worship, Jim Boone; responsive reading, Daryl Girod; scripture reading, Gilbert Bateson; offering, introduction, Merlin Schulze; introduction of speaker, Robert Meany; benediction, Gordon Sloan.

The YMCA boys' choir will sing "Come Ye Thankful People, Come."

YMCA clubs participating are Hi-Y—Arthur Cotton, Harrison Elliott and Abel Gregg; Junior Hi-Y—George Williams, Dwight Edwards, John Gardner, Lawrence Doggett, J. C. Clark and Tracy Strong; Gra-Y—Englewood and Lincoln. The ushers will be Junior Hi-Y boys and the collection will be taken by Gra-Y.

About 200 boys will participate.

## Salem Men in Speech Meet

A student from Salem and a professor who graduated from Willamette university are among the host leaders at Stanford university for the annual Western Speech association debate tournament opening today. A Willamette forensics team is participating.

Tom Brand, son of Justice and Mrs. James Brand of Salem, is Stanford debate manager and general tournament chairman. Prof. Leland Chapin, a Willamette alumnus, was chairman for preliminary planning.

## Amity Near Chest Quota

Statesman News Service AMITY, Nov. 20—Amity is on its way toward becoming the second town in Yamhill county to complete its Community chest quota. Mrs. Clarence Hendershot, county chairman, reported today. To date \$436 has been reported in the drive for a \$550 goal. P. E. Meeker, Amity drive director, said. Carlton was the first town in the county to go over the top in its program recently.

## Dean Dubach to Address Older Boys Conference

Preparations for the annual Older Boys conference, set for December 2 and 3, get into full swing this week as local committees visit neighboring high schools to invite delegates. Dr. U. G. Dubach of Lewis and Clark college will be the chief speaker, as for many years.

Merlin Schulze of Salem high school is president of the conference and is leading the groups who will extend invitations for the meeting at Salem YMCA. Delegates will come from Marion, Polk and Yamhill counties.

This year's meeting will emphasize employment problems, potentialities and preparation.

## Lack of Funds Blocks Farm Surplus Plan

WASHINGTON, Nov. 20—(AP)—Doubt that congress would vote financial support stood in the way today of a proposal for a world food bank aimed at moving farm surpluses to needy areas at cut-rate prices.

The proposal will be advanced at the annual meeting of the United Nations food and agriculture organization convening here tomorrow. The plan will be outlined by FAO Director-general N. E. Dodd, former U.S. under-secretary of agriculture.

An official source said the United States delegation to the 58-nation conference will explain that this country is not able to endorse the food bank plan without congressional approval.

### U.S. Must Supply

The bank or clearing house would have an eventual capital of \$5,000,000,000, the bulk of which this country would be called upon to supply. This country's initial contribution would be about \$450,000,000, it was said.

The clearing house would take surpluses supplied by producing areas and sell them to shortage areas. The buying countries could pay in acceptable or convertible currency and get the goods at a cut-rate. Or they could pay in a so-called "soft" or presently inconvertible currency at the full market price.

### Endorsement Sought

This government's reluctance to endorse the FAO proposal was said to grow out of apparently growing congressional resistance to government spending and particularly of the foreign relief or aid nature.

Dodd and other proponents of the world food bank idea are expected to argue that the United States faces the prospect of spending hundreds of millions of dollars a year to finance crop control programs designed to prevent production of surpluses.

It would be better for this country as well as shortage areas, Dodd will say, if the money were spent to move the surpluses into consumption.

## New Theatre To Open Dec. 2 At University

EUGENE, Nov. 20—Formal opening of the new University of Oregon theatre will be December 2 with the first performance of Maxwell Anderson's "Winterset." Dates of the show are December 2, 3, and 7-10.

The new theatre on the old campus seats about 400. The box-office will be open to the general public for reservations from November 28, through the next two weeks. It is in the lobby of the new theatre.

February 3, 4, 8, 9 and 10 are the dates of the second show, "The Bishop Misbehaves." "The Warrior's Husband" by Julian Thompson is planned for early in March. The fourth show will be F. Flotow's "Martha" in April. David Bellasco's rarely played "The Girl I Left Behind Me" will close the season on May 26, 27, 30, 31 and June 1. Director will be H. W. Robinson.

## Positions Open in Army's Mountain Combat Forces

The army has several openings for enlistments in the 14th regimental combat team, famed mountain unit stationed at Camp Carson, Colo., according to Salem army and air force recruiting station.

The combat team specializes in skiing and mountain climbing. Applicants need not have previous military service, providing they are between 18 and 34 years of age. The 14th operates as an independent force, having its own infantry, artillery and engineers.

## 700-Voice U. of O. Choral Group to Present 'Messiah'

EUGENE, Nov. 20—University of Oregon's 700-voice choral union will once again on December 11 present, to the community and state, "The Messiah."

Directed by the music school's Dean Theodore Kratt, the music of Handel and the stirring story of the birth of Christ will be presented in McArthur court on the campus at 8 o'clock. It will go on the air so that listeners throughout the state may hear the program.

The university adopted the oratorio tradition in 1941 with a smaller choral union, directed by Dean Kratt.

## Giant Crane Topples at Detroit Dam Project

DETROIT—An unidentified operator escaped uninjured here last week when this giant crane toppled over the edge of an access road high above the Detroit dam site. Another few feet and the crane would have plunged down the steep bank. The photo, taken by a dam construction worker, shows crewmen working to right the machine. The 50-foot boom hangs over the bank.

## State Milk Administrator Tells Jersey Cattle Club 5 Per Cent Milk Better Buy for Consumer

By Lillie L. Madsen Farm Editor, The Statesman QUINABY, Nov. 20—"Five per cent milk is a much better buy for the consumers than is 3.5 but they don't know that. Nobody ever told them," Thomas L. Ohlsen, state milk administrator, told a large group of Jersey breeders at the Marion County Jersey Cattle club meeting held at the RNA hall here today.

"The preference of the public for the lower test milk isn't because of quality but because of price. No one has explained that the buyer actually gets more for his money when he puts out the extra few cents for 5 per cent milk than he pays for the 3.5," Ohlsen insisted as he explained to his listeners that the steps to increase the sales of grade A milk are "really an industry problem."

The dairy industry is up against dairy substitutes, Ohlsen continued. Vegetable oils are being used not only in butter substitutes but also in ice creams. The concerns manufacturing these are continuously telling the housewife of the benefits of their wares, Ohlsen said, adding that "only occasionally do you see a small advertisement about milk or butter. You don't see the dairy folk putting up an extensive campaign to sell their superior product. Instead we let our competitors take our market right away from us while we sit around wondering what we can do about it."

Oldest Industry He gave statistics showing the downward trend in the average use of fluid milk and particularly in the use of butter. And yet, he said, selling of milk was the oldest industry in America and still the leading agricultural industry. Ohlsen assured his listeners that the price of milk was and probably would be continued to be set on the price of production.

"If the consumer doesn't pay for the cost of production and a little plus, he won't have milk very long. That applies to every product consumed, not only milk," he said. Steady Flow of Milk In Portland, Ohlsen said that while milk sales are up 500 pounds butterfat a day over September, and that he was of the opinion the upward trend in the use of milk in Portland was here to stay, this was also the first fall since 1942 that Portland had had enough milk in the slack season. This, he explained, was because of the enforcement of the 60-day basic ruling whereby if a producer drops below his basic supply for 60 days his basic is given to someone else. Through this, consumers are learning to keep a steady flow of milk instead of a heavy flow in the spring and a very light flow in the fall.

Ohlsen also told that the 10 per cent milk has very nearly replaced the sale of the 22 per cent cream.

Neal Miller, Woodburn, president, directed the meeting. At a brief business session which followed Ohlsen's talk, the group voted to hold the December meeting on December 11 instead of the 18. The December state director's meeting will be held in Salem December 14.

## Psi Chi Elects Pat Sebastian

Pat Sebastian, senior in psychology from Salem is the first president of Psi Chi, psychological association organized on the Willamette university campus last week. Named to assist her were Jerry Thorn, Portland, vice president; Margaret Austin, Coos Bay, secretary; La Fyne Showack, Portland, treasurer; Lyle Parke, Salem, historian, and Dean Barnhart, Salem, publicity chairman.

This was the third meeting of the club. Its constitution and petition for national recognition will be presented to the student council soon.

## French Reject Poles' Charge Of Espionage

WARSAW, Poland, Nov. 20—(AP)—French circles here said tonight that charges of espionage placed against a French consular official by the communist Polish government are nonsense.

The Poles Friday arrested Andre Simon Robineau, employe of the consulate at Szczecin (Stettin), as he was preparing to board a plane for a vacation in France.

The foreign ministry told the French embassy Robineau had been engaging in espionage. The ministry disclosed two other French diplomatic employes had been ordered out of the country.

French nationals here said the charges against Robineau resulted from an attack of spy fever arising from a new decree protecting state secrets.

Sources close to the embassy said that after hearing two different accounts of the incident, embassy officials do not believe Robineau made a confession attributed to him by the Polish authorities. They cited the regularity with which they said "confessions" are being obtained in central and eastern European countries (within the Soviet sphere).
