

First Theology Graduate at WU Passes

ALBANY, Nov. 21—Dr. David H. Leech, 85, first graduate of Willamette university's Kimball school of theology and former superintendent of the Salem Methodist district, died Sunday in Hood River.

According to university records, Dr. Leech was the lone graduate of the theological school in 1902. The theology division had been set up in 1898.

Dr. Leech lived in Salem from 1922 to 1928 and again from 1933 to 1935. He retired from the ministry at Albany in 1933. He had been pastor at Woodburn, Corvallis, Grants Pass, Albany, Eugene and Portland and in 1923 superintended a former district centering around The Dalles.

Born at Cadiz, Ohio, Feb. 20, 1864, he came to Oregon in 1884 and was a mail carrier for a time in Sherman county. He came to Salem in 1898 and entered Willamette.

He was married to Fanny Wright in Sherman county, Nov. 11, 1885. She died at Albany in 1947.

Leech had lived the past 10 years in Albany. He died at the home of a daughter, Mrs. R. A. McCauley, in Hood River, where he had been visiting. He was a member of Multnomah chapter 1, Royal Arch Masons, DeMolay chapter 5 of Salem, and St. John's lodge 17, AF&AM, of Albany.

The deceased is survived by three sons, John B. Leech, Blodgett, Charles D. Leech of Lebanon and Archer O. Leech of Portland, and daughter, Mrs. McCauley.

Funeral services will be held at First Methodist church here at 10 a.m. Wednesday. Officiating will be the Rev. George Huber, pastor of the local church, and Dr. Roy Fedje of Salem, superintendent of the Salem district. Polio Victims Use YM Pool For Treatment

Salem YMCA Monday announced a new hydrotherapy program for persons recuperating from poliomyelitis.

Under the direction of their own physicians, these convalescents will use the YM swimming pool weekly to rebuild their strength. Seven victims of the disease who are on their way to recovery used the pool yesterday.

Buena Stewart, physical therapist at Salem Memorial hospital where a new polio treatment center has been developed, will carry out the instructions of the patients' doctors. Miss Stewart has been specially trained in this work. Parents have been asked to accompany the younger convalescents for their therapy at the pool.

Similar therapy programs are carried out in various YMCA and community center swimming pools throughout the country. Formerly, Salem youths and others afflicted with the disease had to be taken to Portland for hydrotherapy, although the YM pool here has been used to a limited extent for that purpose.

The YM's physical department staff will assist with the handling of children during therapy periods.

County to Add Veterinarians

Addition of two new Marion county veterinarians is expected soon as a result of a county court order Monday which increased veterinarian districts from four to six.

Veterinarians in the districts will be responsible for testing livestock for Bang's disease.

Judge Grant Murphy said he planned to meet soon with County Agent Harry Riches to map out reorganized districts. Veterinarians then will be appointed and regulations will be drawn up to govern the testing program, Murphy said.

Monday's action followed a series of recent hearings between the court and the Marion county livestock disease control committee which recommended the increase.

Liberty st., and Eddie Halterman, 675 S. 12th st. All are barred from driving taxis during the three years. All pleaded guilty and waived grand jury investigation.

Crabtree and Conway were examined after pleading innocent to charges of statutory rape, and Bakke waived preliminary examination on a charge of contributing to the delinquency of a minor.
