# **Prompt Aids** Seen for Tito In Emergency

WASHINGTON, Jan. 11-(AP)-Top administration officials today were reported ready for prompt decisions, probably including limited U. S. military aid, in the event of a Russian - inspired armed attack on Yugoslavia.

Secretary of State Acheson was said to have discussed the Yugoslav-Russian situation in presenting a global review to the house foreign affairs committee this afternoon. The meeting was held behind closed doors.

Diplomatic officials emphasized they hope American measures will not be required in the struggle between the Kremlin and Yugoslavia's Marshal Tito, the man who defied his onetime Moscow masters. Nor was there any hint of a new emergency.

Nevertheless, President Tru national security council is reported to have cleared a stand-by program of steps the United States might take if Russia and her satellites resort to force against Yugoslav independence.
