

Sauer Takes Baylor Post

WACO, Tex., Jan. 20 (AP)—George Sauer, former coach of Kansas and Navy, tonight was named head football coach and athletic director of Baylor university.

Dr. W. R. White, president of Baylor, announced that Sauer had signed a five-year contract to succeed Bob Woodruff, who resigned to go to the University of Florida.

Woodruff resigned after friction with Ralph Wolf, athletic director of Baylor, with the result that Wolf resigned as athletic director and was made Baylor university stadium director, with the athletic directorship left open. After that Woodruff returned but later resigned to go to Florida.

Sauer takes the combination job of coach and athletic director.

Dr. White did not reveal what the salary was but said it was not as much as Woodruff had received. Woodruff's contract had called for \$12,000 a year. Indications were that Sauer's salary will be between \$10,000 and \$12,000.

Sauer became coach of Navy in 1948 and resigned recently when two of his assistant coaches were fired.

The two assistants are Vic Bradford and Bob Ingalls. At Annapolis, Md., they both declined to say whether they are going to Baylor with Sauer.

The present staff of assistant coaches will remain at Baylor, Dr. White said, with Sauer bringing two assistants of his own to add to the staff.

Sauer had recently been linked with the vacant Washington State coaching berth.

Suggs 2nd, Bauer in Running Babe Fades, Riley Leads Gals' Tourney

TAMPA, Fla., Jan. 20 (AP)—Polly Riley, Fort Worth amateur, moved into a three-stroke lead at the halfway point in the Tampa women's open golf tournament today.

The stocky Texan turned in an unspectacular 38-36-74 that proved entirely adequate as Babe Zaharias, yesterday's leader, blew up for a 42-40-82.

Miss Riley's 36-hole total over the 6,093-yard Palma Ceia course is 146. She was second to the Babe yesterday with 72 two over par.

Louise Suggs, National women's open champion, climbed to second with the day's best round, 35-38-73. The little Georgian now has 149.

Pretty Marlene Bauer, the 15-year-old sensation, and pro Betty Jameson of San Antonio, Texas, were tied at 150. Miss Bauer, from Midland, Tex., has a second round 38-38-76. Miss Jameson shot 40-35-75.

Peggy Kirk, amateur from Findlay, Ohio, and Mrs. Zaharias each had 152. Miss Kirk took 39-39-78 today.

Mrs. Zaharias, whose first round 70, even par, is the best of the 3,500 tournament so far, lost her putting touch completely today and also had trouble reaching the well-trapped greens.

Even sadder than the showing of the Babe today, however, was that of defending champion Patty Berg. The Minneapolis pro took a miserable 44-43-87 for a 165 total that almost certainly put her out of the running. Edean Anderson, Helena, Mont., 78-79-157.

Missouri Ace Shoot Victor

JACKSONVILLE, Fla., Jan. 20 (AP)—Ewald Toedebusch, 42-year-old trucking company president from St. Louis, Mo., won the Great Southern Handicap here today as the four-day trapshoot came to an end.

Toedebusch, whose only claim to 12 gauge fame previously was the winner's trophy in the central Missouri shoot last year, broke 92 clays out of a possible 100, firing against a dark, misty background and bothered by high winds.

Mrs. George Fairchild of Reading, Pa., won the high woman's trophy by the simple expedient of being the only feminine shooter competing. Her score was a 70.

Cal Ray of Eugene, Ore., who dominated the competition during the first two days of the meet, did not enter the Great Southern Handicap.

"I wouldn't say that. Nobody is officially a holdout until he fails to report to camp March 1. The players felt they were entitled to a little more money than they were offered. I'm sure they'll come to terms very soon."

Patterson disclosed that George Weiss, Yankee general manager would confer with Joe Page, the relief specialist "sometime tomorrow." Page, who was paid in the neighborhood of \$20,000 for working in 60 games last season, is reported to be seeking \$25,000, a 75 per cent raise.
