Eriksson Nabs Marathon Run

Sweden Team Leader, Finns 2nd, US 3rd

By Harold Claassen RUMFORD, Me., Feb. 6 -(AP)-Gunnar Eriksson, never a champion in his native Sweden, became the World Ski Marathon titleholder today.

The dark haired Swede, who stopped six times for a drink of warm water and honey, raced through the 50 kilometers (31 miles) in an unofficial time of 2 hours, 59 minutes and five seconds as he and his countrymen swept the first four places. The marathon, raced in 10 de-

gree temperature over a hard course, completed the Nordic phase of the World championships sponsored by the Federation Internationale de Ski.

The Alpine events, downhill and slalom racing, will be decided at Aspen, Colo., starting a week from today. Only individual titles are de-

termined in FIS meets, but if a team title were decided on a 10-6-4-3-2-1 basis for the first six places the unofficial laurels would go to the Swedes, 57 to Norway's 421/2. Finland would be third with

comfortable margin over the Cougars until the final minutes of the game. They were ahead 51 to 45 with 21/2 minutes to go. Then the Washington Staters let loose with a furious barrage of shots. They tried 'em all - short shots and fielders from way out, push shots, hooks, lay-ins - and they eouldn't miss.

When they had racked up the final score of 52 to 51, one minute of the game remained.

The first half of the game was comparatively slow, with the

WSC men sinking only four field goals. The halftime whistle saw Oregon leading 26 to 17. The two teams matched baskets for a while after the start of the

second half, but then Jack Friel's Cougars, paced by Ed Gayda, got hot. They whittled the lead to 36 to 32 after 81/2 minutes. The referees called 41 fouls tonight - 22 on WSC, 10 on Oregon.

Forward Ed Gayda potted 16 to lead all scorers. He made all his counters during the second half. Mel Krause, Oregon guard, notched 14 to lead the Ducks. fg ft pf tp 3 3 3 9 Galday,f f 4 2 2 10 Sambold,f
