Cigaret Case Leads to Arrest In Burglary

A cigaret case led to the arrest Monday of Richard James Bell, 20, of Mt. Angel, charged with burglarizing the apartment of Ted Lacey in Mt. Angel early Monday morning.

The Lacey apartment, located above his Main street bakery, was entered at about 1:30 a. m., police said. Mrs. Lacey told officers she was aroused by a noise in the living room and that when she investigated, a man leaped through the window and disappeared.

Lacey and Chief of Police Ed Korte found an engraved cigaret case lying near the window. Marion County Deputy Sheriff William DeVall said he traced the case to Bell.

Bell, who is held in Marion county jail in lieu of \$2,000 bail, is slated to appear in Marion county district court here this morning. Bell, unemployed, was discharged last November from the army after serving from January, 1947.

Polio Campaign Contribution Cards Still Out

About one-quarter of the 20,000 March of Dimes contribution cards mailed out to Marion county homes have yet to be returned, drive officials said Monday.

Howard Ragan, drive chairman, said the local polio chapter would function in the red this year if the drive, plagued by bad weather, did not raise at least \$20,000. To

date just over \$9,000 has been collected.

Ragan pointed out that the Marion county polio chapter spent nearly \$15,000 in 1949 and went in debt about \$5,000. "With 38 cases being cared for by the chapter now, 1950 looks like even a bigger expense year," he said. A March of Dimes dance will be held at Crystal Gardens tonight. The drive talent show will entertain at the American Legion

hall in Woodburn tonight and then return to Salem to perform at the intermission of the dance. The show will move to the Mill City theatre Wednesday night.
