## Salem Folk Are Vacationing In South

By Jermy English  
Statesman Society Editor

Wintertime travelers and vacationists highlight the news this week. Each day comes news of people leaving and others returning from trips south and east.

**Home from Vacation**  
Mr. and Mrs. L. V. Benson arrived in the capital by plane Saturday night from a month's trip. Early in January they sailed on the Lurline from Los Angeles for a several weeks sojourn in the Hawaiian Islands. They were accompanied on the trip by the Glenn McCormicks, who preceded them home. After returning to the states the Bensons spent ten days visiting in Los Angeles, Palm Springs, Oakland and San Francisco.

Mayor and Mrs. Robert L. Elstrom have been vacationing at the Flying E ranch in Wickenburg, Arizona, the past ten days. They are expected to return to Salem on Thursday.

**Return from South**  
Mr. and Mrs. Garlen Simpson returned home Saturday from a fortnight's motor trip south to California. In San Francisco they visited with former Salem residents, Mr. and Mrs. Ezra Webb, and in Los Angeles saw Mr. Simpson's cousin and family, the Lawrence Stones (Joy Coughey).

Mrs. H. G. Mason and Mrs. Karl Becke left Saturday morning on the Shasta Daylight for San Francisco, where they will attend the gift show. They will visit with Mrs. Mason's brother-in-law and sister, Mr. and Mrs. Francis Griffin. The travelers expect to return Thursday night.

Mr. and Mrs. Herbert Stiff, Jr. and Mr. and Mrs. William Duncan of Silverton are in San Francisco this week, having gone south by car on Friday. The men went on business to attend the furniture mart.

**In Hawaii for Month**  
Mr. and Mrs. Delbert Schwabauer are vacationing in Honolulu and the other Hawaiian Islands for a month. They went over on the Lurline in mid-January and will return to Salem on February 18. Mrs. Verne Robb, who was also in San Francisco at the same time, was at the dock to bid her voyage to the Schwabauers. The Salem folk will visit with Miss Delphine Savage, who formerly lived here, during their stay in Honolulu.

**Ladies Guild of St. Mark Lutheran church** will meet in the church parlors on Wednesday at 2 o'clock. Mrs. Alvin Randall will present the topic, "Lutheran Mission Work in Japan". Mrs. Arnold Olson will lead the devotions.

### Government Turns Pollyanna, Tells About New Summer Flower Varieties

By Maxine Buren  
Statesman Woman's Editor

There must be some relative of Pollyanna working in the US department of agriculture office of information, for we just received a bulletin with this item included:

Three new snapdragons and a new garden perennial phlox, all developed by department of agriculture floriculturists, have just been released to commercial seed growers who will take over growing and distributing these new varieties through regular commercial concerns. This is an advance announcement to home gardeners who like to know ahead what new-varieties may be offered a year or so hence.

Deep Salmon Pink, Bright Rose and White Rose are the names of the new varieties of snapdragon—all unusually large and attractive. They are greenhouse types but can be grown outdoors in summer. In the greenhouse White Rose plants reached about 4 feet at maturity; Bright Rose, 4 1/2 feet; Deep Salmon Pink, 3 feet. Flowers of the Deep Salmon Pink have white tubes and pink lips. Bright Rose and White Rose are medium pink.

The new phlox is called Beltsville Beauty and is a hardy garden perennial that can be grown from seed. Colors range from white, white with salmon eyes, pink of various shades, reds, maroons and salmons. Seed must be planted in the fall to permit exposure to cold required for germination. Seedlings appear in the spring and may be transplanted to permanent quarters where they will flower the first year. The plants then are perennial. The department of agriculture has no seed of either the new snaps or the new phlox. All seed has been released to commercial seed firms.

Then we got a cheerful sounding recipe:

**SPRING SALAD MOLD, MEXICANO**

1 envelope (1 tablespoon) plain gelatine  
3 tablespoons cold water  
1 cup hot water  
1 cup sieved avocado  
3 tablespoons lemon juice  
3 softened gelatine in cold water and dissolve in hot water. Chill until thick but not firm. To prepare avocados, cut into halves and remove seed and skin. Force fruit through sieve. Blend in lemon juice, salt and onion. Stir avocado mixture and pimiento into thickened gelatine. Pour into shallow mold and chill until firm. Unmold and cut into squares. Serve on shredded salad greens dressed with French dressing. Serves 4.

## Junior Festival Dates Set

Due to the success of Oregon's participation in the Junior Competitive Festival held last year in cooperation with the National Federation of Music Clubs, Mrs. Mary L. Craig, who succeeds herself as chairman, says her committee is already formulating plans for greater activities this year. It is expected more cities over the state will enter contestants in this annual affair. The date, according to Mrs. Mae Ross Walker, president, will be April 13 to 15.

There will be opportunities for all young musicians from beginners to 18 years inclusive, in competition and also non-competitive audition classes to be judged by top-ranking adjudicators, who will be announced later. Possession of the annual Junior division of the bulletin of National Federation Festivals is essential. These, as well as entry blanks may be secured free of charge at Gill's, Sherman-Clay, Sheet Music Service, the music room of the Central Library or by writing to Mrs. Craig, 7223 S.E. Tolman street, Portland.

Winners in each class will receive a silver trophy to be retained one year, with three winners meaning a permanent trophy. Those receiving superior ratings will receive certificate from the National Federation and all entries will be given a button denoting their participation.

Mrs. C. H. Sawyer will entertain the Yomarc ladies at a covered dish luncheon at 1:15 o'clock this afternoon at her home, 905 North 5th street.

## On Etiquette

By Roberta Lee

Q. What is the correct order for the wedding party to proceed down the church aisle?

A. First the ushers, according to height, the shortest leading; then the bridesmaids, according to height; then the maid of honor; then the flower girl; and last the bride on her father's arm.

Q. Should the whole hand be dipped into the water when using a finger bowl at the table?

A. No; dip only the fingertips, and one hand at a time. Then dry the fingers with the napkin, on the lap.

Q. Is it correct for a woman to offer her hand when she is being introduced to a man?

A. It signifies friendliness when she does, but she may do as she wishes about this.

## The Designing Woman

By Elizabeth Hillier

### ON THE FLOOR

Plain colored carpet became the far and away favorite as soon as it appeared in a wide variety of fresh, easy-to-color-scheme colors. But patterned carpet is on the upswing of style today because it can do more for many rooms than plain carpet can. Plain carpet, handsome as it is, is after all background for decoration, but patterned carpet is decoration, and new designs for spring both decorate and create atmosphere for a room. The hardy Axminster becomes a key piece in a room that has the new out-

door look when it's luxurious with tropical flowers, as is this new design. The pattern is informal enough to suit the casual furniture and rich enough to set it off.

It's found money—when you restore a dinky old piece of furniture to beauty with a refinishing job. Send for Elizabeth Hillier's booklet FURNITURE REFINISHING—HOW TO DO IT YOURSELF and learn how. The booklet is yours for 15 cents in coin and a stamped, self-addressed envelope sent to Miss Hillier at this newspaper. (Copyright 1950 by John F. Dille Co.)

## Scholarship Aid Given by Kappas

Mrs. Louis Gerlinger, president of the Kappa Kappa Gamma alumnae in Salem, has received word from the national president, Mrs. Edward F. Ege of Pittsburgh, Pa., that the women's fraternity has awarded eight graduate fellowships and nineteen undergraduate scholarships to both members and non-members of the fraternity this year.

Of the undergraduates four are studying at schools in the west including Carol Hanson at Oregon State; Madeline Holcomb at the University of California; Nancy Howay, Whitman; and Margaret Clapp, University of Montana. The list of applicants this year was the largest ever received by the fraternity. Since the founding of Kappa Kappa Gamma more than a half million has been awarded in scholarship aid to both members and non-members of the fraternity in America, Canada and foreign countries.
