SILVERTON - More than 400 attended the installation services of the Rev. Joseph Luthro at Trinity Lutheran church Sunday morning and remained for the afternoon reception.

Installation was in charge of Dr. H. L. Foss, president of the Pacific district of the Evangelical Lutheran church of America. Dr. Foss is also a former pastor of Trinity church.

Harold A. Larsen, chairman of the congregation, was master of ceremonies during the reception luncheon. Responding to this call were Dr. Foss, the Rev. S. L. Almlie of Immanuel Lutheran church at Silverton, Rev. H. N. Christen-son of Woodburn, Re., O. F. Braaten of Salem, Paul Almquist, representing Calvary Lutheran church at Silverton; Mrs. C. E. Jorgenson, who had known Mrs. Luthro as a child in Minnesota; Edwin Tingelstad, whose parents were charter members of Trinity congregation, and the Rev. R. J. Hovland, president of Salem Academy, who has served Trinity since the time of the former pastor's, the Rev. M. J. K. Fuhr, departure.

Mrs. M. G. Gunderson gave the welcome for Trinity to which the Rev. and Mrs. Luthro responded. Musical numbers at the reception were given by a women's trio com-posed by Mrs. Donald Burch, Mrs. Al Clementson and Mrs. Harlan Moe. Mrs. Alf O. Nelson accompanled.

The Luthros arrived from Fairbanks, Alaska, Saturday night, making the trip by car over the Alcan highway. Dr. Foss left at the close of the

reception for Oswego where he dedicated a new church before leaving Sunday night for Minnesota for a conference there. Daffodils and pussy willows were used in the church for the

morning services and in the social rooms for the reception. All luncheon arrangements were in charge of Trinity Ladies Ald, headed by Nettie Hatteberg, and Dorcas so-ciety, headed by Mrs. Harlan Moe.

Woods has not decided where he will locate al-though he is considering several offers. MONDDAY'S BROADCASTS

WILLAMINA — The resigna-tion of City Councilman Ray Kroll was accepted at Monady evening's meeting of the city council, and Sharkey Smith was selected by the council to fill the vacancy. Kroll had watched the city's fi-nancial difficulties during the recent weeks, and disagreed with the majority of the members in the matter of buying a pickup truck. The council authorized payment of labor for installation of a ply-wood ceiling in the fire hall to make it easier to heat. The Associated Plywood Mills donated over \$150 worth of plywood for the purpose.
