Fred de Vries of Pratum again was named president, a position he has held all but one year since 1921. Others chosen were Glen E. McClellan, Marion, vice president; Grace Klampe, Labish Center, secretary-treasurer; Mrs. G. R. Cliffell, Lyons, children's division superintendent.  
Among the total attendance of about 125 persons, Pratum Methodist church's 12 won first place for number of delegate-miles. Next in line were Aumsville Bethel Baptist and Mill City Christian.

# Vet Finally Gets State to Accept Refund

DES MOINES, Ia., Feb. 25—(AP)—He had to insist on it but a world war II veteran finally got the state to accept a refund of \$120 on his Iowa bonus.  
The state bonus board had sent him \$370. When the veteran first said he was overpaid, Board Secretary Ed Kallemyn insisted the records showed that sum was due him.  
"No," said the veteran, "the record of my service is wrong. I didn't spend that much time in the army, and you are giving me \$120 too much."  
"I could have let it stand but I wanted to return it since it was not coming to me."  
Kallemyn declined to disclose the veteran's name. Iowa is paying out more than \$85,000,000 in state bonus funds to its world war II veterans.

# Czech Leader Frees Priests

PRAGUE, Czechoslovakia, Feb. 25—(AP)—President Klement Gottwald freed an undisclosed number of Roman Catholic priests and others today on the second anniversary of communist seizure of power in Czechoslovakia.  
All were arrested in Slovakia last summer at the height of the church-state struggle.  
Whole Slovak villages were reported to have waged pitched battles with police then in an effort to protect their priests from arrest. The announcement today said amnesty was not given to any persons who directly committed violence or instigated it.  
Only yesterday the official news agency announced the sentencing of two more Catholics.

# North Korean Guards Fire At U.N. Board

SEOUL, Korea, Feb. 25—(AP)—Border guards in communist North Korea fired 15 to 20 rounds of rifle and machine gun bullets at the United Nations commission on Korea today when the commission visited the demarcation line.  
Chairman Kasin Gulek of Turkey told a news conference one

shot struck within six feet of him but the others were wild. He said the party took refuge behind an earthen pillbox on the South Korean side of the 38th parallel.  
The firing began when they climbed a hill at the border near Chunchon about 50 miles northeast of Seoul. The gunmen were on a higher hill north of the line.  
Asked if he believed the North Koreans knew the identity of their targets, Gulek remarked that the inspection trip was well publicized in advance.  
The commission trip was to help determine whether to assign special U. N. observers to the border area to report any threat of war between North and South Korea.

# Troops Guard Religious Meet

WOOSTER, O., Feb. 25—(AP)—Local national guard troops were stationed outside a meeting of Jehovah's Witnesses tonight after several dozen eggs were thrown.  
Most of the eggs splattered harmlessly against a theatre building in which an area meeting of the group was being held. No members of the organization were struck.  
The guard troops augmented city and county police who had been alerted after local veterans organizations protested against allowing the group to meet in a high school building tomorrow.

# Santa Barbara Feels Sharp Earthquake

SANTA BARBARA, Calif. Feb. 25—(AP)—A sharp earthquake jolted Santa Barbara and Ventura county cities briefly today, but caused slight damage and no injuries.  
The quake coming at 4:37 p.m. (PST), apparently was felt most at Ventura, 30 miles south of here. It rattled dishes and swayed radio towers in Santa Barbara.  
The shock also was felt in Santa Paula, some 25 miles inland from the coast. Police reported several windows were broken there.  
Bob Reel, manager of Radio Station KSPA in Santa Paula, said the station building shook and the outside stucco front wall was cracked slightly. Reel said the quake lasted five or six seconds. The chimney of a home collapsed in Ventura, on the coast, where residents said they felt two distinct tremors, the second much longer. The second quake was described as a slow rocking motion with a few heavy jolts. But the first shock, they said, was the sharper. No casualties were reported in any of the cities.  
Several Ventura store windows cracked. In several groceries, shelves of canned goods spilled onto the floor.  
Two theatres, filled mostly with children, were evacuated. Chunks of plaster fell from the ceiling of the superior court chambers in the Ventura county courthouse. Station KVCV was off the air a few minutes when a turntable fell to the floor.

# Rising Oregon Rivers Short Of Flood Stage

By The Associated Press  
Oregon was annoyed by rising rivers in some areas today but the weather bureau forecast no trouble on the Willamette or other major streams.  
The Umatilla river approached flood stage, and threatened to overflow the banks west of Pendleton.  
The Nehalem river, in Clatsop county, blocked highway 202 near its junction with the Sunset highway. That area has been deluged with 7.63 inches of rain in the last few days: the worst rainstorm in 17 years.

# Rising Oregon Rivers Short Of Flood Stage

The heavy rains caused slides on the lower Columbia river highway, the Nehalem, and the Fishhawk highways, too. But the slides were not large enough to cause closures.  
The Necanicum river overflowed Friday night, sending water over the highway through Cannon Beach and Seaside, but the route was reopened Saturday.  
A 40-mile-an-hour wind broke power lines in the Cannon Beach area, blacking out the town. The Columbia river bar was too rough for fishing boats though not closed to ocean shipping.  
In the Willamette valley, the Santiam river rose six and a half feet above flood stage at Jefferson. Lowland pastures were inundated. The Willamette rose, too, but was still well below the danger point.  
The term "all-electronic" as now applied to television means that no moving part, such as a motor, is used in reproducing pictures.

# 'Agony 4' Wins Barber Shop Quartet Meet

FOREST GROVE, Ore., Feb. 25—(AP)—The Agony Four of Corvallis sang their way to the championship of the annual all-northwest barber shop ballad contest here tonight.  
The Corvallis quartet, composed of Bob Blair, Dick Williams, Joe Einwallner and Bob Day, were runners up last year and had placed third the year previous.  
They received \$250 in prizes and a trophy from the chamber of commerce here.  
Second place went to the House Brothers, Bonanza, Ore. The others rated were: 3-Korn-Aires, Seattle-Tacoma; 4-Queen City Four, Seattle; 5-Chords O'Portland.  
The singing contest climaxed a full day of festivities commemorating the era of the '30s. A mid-afternoon parade featured a parade of high wheeled bicycles, buggies, a 5-piece German corner band, early day automobiles and hundreds of townspeople clad in the garments fashionable at the turn of the century.  
It is necessary to brood and grow ducks at a much lower temperature than chicks. This is necessary to support feed consumption, high vitality, better feathering and a finer finish.
