## Truman Urges **Congress Try** Brannan Plan

By Ovid A. Martin WASHINGTON, April 3-(AP) President Truman pressed congress today to put a stop to piling up enormous farm surpluses and use Brannan plan methods instead of "artificially high" price peg-

It was his third appeal this year for a "fundamental" overhaul of farm legislation. It came at the height of worry in congress over criticism of its farm aid methods. Mr. Truman said, in effect, there is need for legislation which (1) Tighten production controls on products being produced in ex-

cessive amounts, and
(2) Allow use of the administration's Brannan plan production

(2) Compared to the administration's Brannan plan production payments system of supporting producer prices of perishables. his system would allow perish-Attorney General McGrath asked
