

Today it is too late to register for the May 19 primaries, and many persons who "didn't find time" to register will have lost their opportunity to vote next month. But the registration desks at the Marion county courthouse were swamped with persons registering at the last minute Tuesday as shown above. (Statesman photo.)

Racy Market **Chalks Minor Price Gains**

NEW YORK, April 18 -(AP)-High-speed trading in stocks today resulted in only minor price im-

provement. Turnover piled up to 3,320,000 shares, one of the fastest markets since the end of the war. This volume was topped once this year on Jan. 13 when 3,330,000 shares changed hands. The previous high mark was 3,840,000 shares in May

On only eight days since 1945 have sales exceeded 3,000,000

Behind all this smoke there was very little fire. Buyers were interested mainly in steel, automobile, cooper, and railroad shares but price gains were limited mainly to fractions, only a few issues

moving up more than a point. Under mild pressure — losses were also confined largely to fractions - were selected radio-television issues, rubbers, aircraft, and motion picture stocks.

Trading was the broadest since mid-January, a total of 1,184 issues bought and sold. Of these 515 advanced and 395 declined.
