### Jewel Thieves Hits Brown's Store Again

Burglars smashed a plate-glass window at Brown's Jewelry store, 184 N. Liberty st., early Tuesday morning and carried away 12 watches valued at nearly \$450.  
The broken window was discovered about 5:30 a.m. by an Oregon Statesman carrier boy who immediately notified city police officers.  
Officers said the store's burglar alarm system was not working Tuesday morning but that a patrolman had checked the store shortly before 5 a.m. and had found the window intact and the doors locked.  
It was the fourth time in recent months that the same store's windows have been smashed. Twice thieves broke glass on the Liberty street side, and several months ago an auto jumped the curb and smashed into a Court street window.

QUESTION: To settle an argument can you tell me if there is any way to get insurance which would pay fines for speeding and other traffic violations?
