"Around the Corner"
By Dick Eckley
At the time of this writing, Tuesday evening I seem to be having an old affliction known as "Spring Fever." Got to finish this in a hurry so I can attend Salem's opening Baseball game at Waters Park. The demonstration that is planned for this weekend is a timely one. You folks who drop in our store will be able to sample some delicious "Ol' Ranchers" Olives. I say timely because it will soon be picnic time with this warm weather giving us the urge to have an outside meal. Olives are always that added something at any meal and especially one that is served out of doors. That's it for this week.
