## Final Battle With L-Clarks

Scrivens vs. Wright In Local Crucial

The Northwest conference title issue squarely before them, Willamette's Bearcats today tangle with the Lewis & Clark Pioneers in a three o'clock baseball crucial.

on the Bush field. At the same time today the Linfield Wildcats, tied for first place with the Bearcats and Pioneers at present, play the Pacific Badgers.

Should Johnny Lewis' young hustlers copy the victory today they will assure themselves of no worse than a tie for the 1950 championship. And if Pacific happens to knock over Linfield while the WU's are downing the Pioneers, the whole gonfalon belongs to the same school and coach that won the conference basketball title in March. A Bearcat loss today would of course eliminate the team from titular chances, as both the WU-Lewis & Clark and Linfield-Pacific games are finals for the season.

Lewis took a long chance earlier this week when he held back his pitching ace Lou Scrivens in the Linfield game. The Bearcats won that wild one, 16-12, without Lou. So today he'll be ready to face the Pioneers and their Lefty Don Wright, the talented server who beat the Cats in the earlier mix at Portland.

The balance of the Bearcat lineup will remain unchanged for the finale.

## Dallas Bicep Show Friday

DALLAS, May 17—(Special)—Sponsored by the Dallas High school and promoted by the famous Bulldog Jackson, wrestling and boxing matches will be presented in the Dallas armory Friday night, starting at 8:30 o'clock. Jackson will referee the show.

The opening feature will be a battle royal involving high school boxers. Then June Kelley, 120-pound Omaha, Neb., woman grappler tangles with Thelma Jackson of Salem. The main event pits Whitey Douglas, Salem 170-pounder and Cecil Kerr, Portland.

## Stayton Hurler Gets One-Hitter

## The Big Payoff Did It

# 'Rods' Tune Up for 2nd Race Meet Here Saturday

If plans now afoot by the Northwest Motor Racing Contest Board are carried out—and it's a virtual cinch they will be—Salem's Hollywood bowl racing fans can look forward to a bang-up program Saturday night. The Board, which includes the Roadster Racing Association of Oregon, is extremely happy over what it reports as "the

biggest purses ever paid in Salem." The cash prize purses paid off in last Saturday's opening were the largest the racers ever have won here, and served as a fine stimulant for their enthusiasm to return again this week with even a better speed program.

Salem's Jack Greiner, shown at the wheel of his No. 19 "hot rod" will be in the thick of things again Saturday night at Hollywood Bowl in the second roadster racing program of the Salem season. Greiner hopes to beat another Salem pilot, Max Humm, who last week won most of the major victories.

even though there were some very spectacular wrecks, spin-outs and other thrills here opening night. The boys are really tuning up their equipment this week.

Saturday's card will start with the time trials at 7:30 p.m., if the weather is cool. If Saturday is warm, which will heat up the paved racing strip, the trials will get under way at eight, which allows the strip an extra 30 minutes to cool off. Main races will follow immediately.

## UNION SEEKS BERTH

UNION, May 17—(P)—Union high school aimed toward still another championship today, this one in baseball. The diamond team downed Echo, 10-5, in an 11-inning semi-final, and will play spray Monday for the district 1B title. With the title goes a berth in the state baseball tourney.

## Snead Liked, Western Meet

### 100 Pros, Amateurs Start Firing Today

LOS ANGELES, May 17—(P)—Defending champion Sam Snead remains the top figure in the field as more than 100 professionals and amateurs await the start tomorrow of the \$15,000 western open golf tournament at the Brentwood Country club.

Snead won the age old fixture at St. Paul last year with an awesome 20-under par score of 268 for the 72-hole test at the Keller golf course.

Par for the route here is 284. Although the Brentwood par-71 course has been toughened considerably for the western event, Snead and his companion experts doubtless will finish up Sunday afternoon far below the regulation figures.

Snead, national open champion Cary Middlecoff and former U. S. open king Lloyd Mangrum are the big three of the present tournament, and that was the order of their finish a year ago in this same affair.

Other sharp contenders include Skip Alexander, Dutch Harrison, Ed Oliver, Lawson Little, Jim Ferrier, Porky Oliver and Ellsworth Vines.

## Niemi Beavers Honorary Captain

CORVALLIS, May 17—(P)—Arvid Niemi, tackle on the Oregon State football team, will captain the squad next fall, but with the title "honorary captain" only. The regular captain is still considered to be Stan McGuire, the stellar player who was elected last fall but died in a toboggan accident in January.

Gene Morrow, quarterback, was given the annual award for the outstanding player in spring practice.

## Leslie, Parrish Vie in Oval Meet

The annual Leslie vs. Parrish track and field meet for the 7th, 8th and 9th grade divisions will be run off this afternoon at 4 o'clock on the Leslie oval. Coach Bob Metzger's strong Parrish 9th graders are favored to cop the title in the "varsity" division.

The annual City meet, involving Parrish, Leslie and West Salem is slated for next Friday, May 26, on Olinger oval.

## IOC Still Faces Problems

COPENHAGEN, May 17—(P)—The International Olympic Committee today ended a three-day meeting devoted more to discussion than decision.

Problems solved appeared to be outweighed by those left unsolved, but committee members said they are satisfied progress had been made.

These are the major concrete developments:

1. Exact dates for the 1952 winter and summer games were agreed upon. The winter games at Oslo will be from Feb. 14

through Feb. 25, the summer games at Helsinki from July 19 through Aug. 2.

2. The program for the summer games was accepted. It will be the same as in 1948 at London except that preliminary competitions in team sports may be necessary in Finland before the games open, and the number of competitors for each country in each event of shooting and weightlifting will be one less.

3. A proposal to change the amateur rule to allow individual sports federations to decide who are amateurs was rejected.

4. It was agreed to try to return ice hockey to the olympic program.
