HOMES FOR AMERICANS

A NORTHWESTERN PLAN—This house designed by Thomas, Grainger & Baar, architects, Arcade Bidg., Seattle 1, Wash., is especially suited to a narrow lot. A full basement provides for a recreation room with a second fireplace. Combination living-dining room provides an unbroken sweep of more than 30 feet. This was selected as Plan AB-132 by the American Builder, trade magazine, 30 Church St., New York 7, N. Y., for its economy of space utilization. Without garage, the house covers an area of 1,140 square feet.
