

# Trains Operate Again-- Under Federal Control

CHICAGO, July 9 (AP)—About 1,500 AFL switchmen ended a two week strike today on the Rock Island railroad. Trains under army bosses began rolling again, putting a shine on rusty rails.

The deadlocked tie-up of the 8,000 mile line was broken shortly before midnight last night by a temporary injunction issued in Buffalo, N. Y., by Federal Judge John Knight.

The switchmen's union promptly complied. Arthur J. Glover, union president, told the strikers to go back to work. He said: "We have no choice now."

The switchmen and the railroad's 21,000 other employees are technically working for the army, which took over operation of the Rock Island yesterday.

The wage dispute which led to the strike still exists.

An army spokesman said the army will retain control until union and railroad have reached a working agreement.

The Army designated Maj. Gen. Frank A. Heilman (above) to direct operations of the seized Rock Island railroad. He is army chief of transportation. (AP Wirephoto to The Statesman.)

# Pike Regarded As Certainty For A Board

WASHINGTON, July 9 (AP)—Administration leaders expressed confidence today that Sumner T. Pike, a republican, will be returned to the atomic energy commission for a new four-year term.

His nomination comes before the senate tomorrow for confirmation with an adverse recommendation from senate members of the joint atomic energy committee.

Pike's term expired June 30. He had been a member of the commission since 1947 and its chairman since last February 15.

Opponents have made specific charges against Pike, but have charged generally that he is not qualified for the atomic job.

# Administration's Record in Far East to Be Hit

WASHINGTON, July 9 (AP)—Republican Chairman Guy George Gabrielson indicated today that the administration's far eastern record will get a drubbing at a regional party conference in Salt Lake City July 31 and Aug. 1.

"Republican leaders for years have been urging a firmer policy there," Gabrielson said in a statement announcing the tentative program for the meeting.

"The record shows that many of them urged a long time ago the specific action taken by the democat administration after the advance from North Korea." He did not elaborate.

**SPOKES SIGN CURRAN**  
SPOKANE, July 9 (AP)—Jack Curran, who lost just one game in four years of pitching for the Gonzaga University Bulldogs, signed with the Spokane Indians of the Western International league Saturday.

**THREE KILLED**  
GREENVILLE, Ill., July 9 (AP)—A Greyhound bus and an automobile collided at a highway intersection today, killing three persons and injuring 32.

# Heads B-29s

TOKYO, July 9 — Maj. Gen. Emmett O'Donnell, Jr., (above), who led the first B-29 attack on Tokyo, arrived here yesterday to direct operations of three B-29 groups in the Korean war. Head of the U. S. based 15th Air Force, Gen. O'Donnell will be designated commanding general of the Far East bomber command. (AP Wirephoto to The Statesman.)

# Child of Driver Killed as Car Leaves Road

EUGENE, July 9 (AP)—A car plunged into a roadside ditch crushed to death the ten-month-old daughter of the driver today. Lane County Coroner Phil Bartholomew reported the father, Curtis W. Stinson, 19, of Shafter, Cal., dozed at the driving wheel and the sedan went off highway 58 near Dexter junction.

The infant was hurled from the lap of her mother, out an open window and into the path of the plunging car. The parents and four others in the car escaped injury. The Stinsons have relatives in West Stayton and were enroute there.

# Taft Favors Any Needed Korean Fund

WASHINGTON, July 9 (AP)—Senator Taft (R-Ohio) said today he is willing to support any increase in military funds to provide the men and equipment needed for a decisive victory in Korea. In talking to a reporter, Taft mentioned the figure of \$1,000,000,000 but added he had no idea how much of a boost will be required.

"It might be \$500,000,000 or \$1,000,000,000. I just don't know," Taft added.

Head of the senate republican policy committee, Taft said he doesn't think congress will drag its feet on any request for additional military funds.

But he added that he doesn't believe the time has yet arrived to clamp economic controls on the country — a move about which there has been much speculation in congress.

# Socialists Eye Part in French Government

PARIS, July 9 (AP)—France's hard-to-please socialists will meet tomorrow in national council to decide whether to help form a new French government.

If they back Defense Minister Rene Pleven as France's next premier, the 15-day French government crisis may well be over.

Pleven agreed last night to try to form a government. If the socialists say "no," the French political crisis may be prolonged indefinitely.

France's anti-communist socialists have caused the downfall of seven cabinets in the past four years, including that of George Bidault two weeks ago. They have stated that any new premier must accept a socialist "reform program" as condition for socialist support.

Pleven is a member of a small right-of-center splinter party—the democratic and socialist union of the resistance (UDSR). The 49-year-old Breton businessman has not committed himself on the new socialist program. It includes a basic minimum wage of 16,000 francs (about \$45.50) a month for all workers and raises for government employees.

**FISHERMEN CATCH COW**  
SHARPSBURG, Md. (AP)—This whopper didn't get away. But it did say, "Moo." Max Sweeney, Don Rohrer and Bodie Brashears of Sharpsburg were fishing on the Potomac river when they spotted something sticking out of the water. It looked like a cow's head. They took a closer look. It was, with the rest of the cow attached. The three fishermen returned to shore, picked up some block and tackle and went to Bossy's rescue. They later learned the cow had disappeared from a nearby farm and apparently waded into the river, becoming stuck in the muddy bottom. It took them eight hours to land the catch.

**ACES AT OAK KNOLL**  
Charles Boyer, Salem, using a three iron on the 198-yard eighth hole at Oak Knoll, lost his ball, but he found it again—in the hole. Boyer was playing with Bobby Woodman, Rex Collins and Merle Franz, all of Dallas, when he scored the ace.

**BUDD EMPLOYEES STRIKE**  
PHILADELPHIA, July 10 (Monday) (AP)—Several thousand production and maintenance employees of the Budd company went out on strike early today.

**LOVE BY EAR**  
SAN DIEGO, Calif. (INS)—George Calhoun, totally blind insurance underwriter, fell in love with the voice of Margaret Simson while she was making a telephonic survey. A friendship blossomed into a romance and eventually wedding bells. Calhoun quipped: "It was love at first hearing."

# South Korean Ammunition Train Bombed

SOMEWHERE IN KOREA—These twisted pieces of metal with projectiles and shell casings scattered around were all that remained of a South Korean ammunition train caught by strafing and bombing North Korean planes in the railroad station at Fyongtack, 20 miles south of Suwon. (AP Wirephoto to The Statesman.)

# Marine Amtracs Head for Korean Front

CAMP PENDLETON, Calif., July 9—Amphibious tractors of the First Marine Division, which has been ordered to the Far East to reinforce Gen. MacArthur's command, travel through the water to the USS Gunston Hall, an LSD which will take them to Korea. The ship was loaded while standing several miles off shore near Camp Pendleton, Calif. Men of the division will not board ship until sometime week of July 9. (AP Wirephoto to The Statesman.)

# Trips, Prizes Won at Model Plane Event

Two Portland brothers and an Albany youth won top honors in the state model aircraft contest which ended here Sunday.

John Feuz, 19, and David Feuz, 15, copped the senior and junior titles. They won expense-paid trips to the international finals at Detroit, Mich., August 14-21.

John Riley of Albany placed third and received a \$300 scholarship.

Sunday's meet was for control-line models. It attracted a crowd of several hundred to Waters field. The youths competed their free-flight models at Woodburn a week ago.

Winners were based on points compiled at the two contests. Salem's lone winner Sunday was

Alan Barbee who flew his jet model plane 121.52 miles per hour to win that classification.

Other winners:  
Stunting, senior, Gene Floye, Roseburg; stunting, junior, Carl Ahre, Eugene; stunting, open, Carl Woods, Eastside; scale planes, open, William Bailie, LaGrande; scale, junior, Carl Ahre; scale, senior, Raymond Arrigotti, Portland;

speed, class C and D junior, Carl Ahre, (time 121.52 mph); speed, class D senior, H. C. Albright, (133.28).

Speed, class A and B open, Dick Morris, Reedsport, (102.27); speed, class A and B senior, John Feuz, Portland (83.33); speed, class C and D senior, John Feuz, (83.33); speed, class A and B junior, Martin Appleott, Portland, (108.89).

# Fish Service Predicts High Production

WASHINGTON, July 9 (AP)—The fish and wildlife service gave this "outlook at a glance" today for the fish industries for the next three months:

Business activity — to continue at a high rate.  
Foods — supplies ample, consumption heavy, prices somewhat lower.

Markets for edible fishery products — moderately active, prices fairly firm.

Production of fishery products — high. Cold storage stocks heavier than average, with stocks of fresh water fish below average and those of shellfish above average.

"Exports of fishery products in early 1950 were lower, imports higher than in the forepart of 1949," said Ralph Russell, marketing specialist who prepared the quarterly forecast.

"This situation will continue." Russell said fishery production during July, August and September will be heavy in the New England, Pacific coast and middle Atlantic states.

# Young Doctor Leaps to Death From Bridge

PORTLAND, July 9 (AP)—A young Roseburg, Ore., physician here for medical treatment leaped from the Vista avenue bridge to his death tonight. He eluded a policeman to make the jump to the canyon floor 130 feet below.

It was the second such death plunge from the bridge in five days.

Officer Jack Carter was within four feet of Dr. Frederick William Field, 37, when he vaulted over the railing. The officer had been summoned by a passerby who thought the doctor appeared preparing to make the leap.

Police said the physician came to Portland July 3 for medical treatment. A note in his clothing indicated he did not expect to live long. He leaves a widow and two children.

# Ex-Convict Search Moves Near Foster; New Robbery Noted

LEBANON, July 9—The hunt for ex-convict Gerald Macomber centered in the Quartzville area near Foster Sunday night.

State police said he might have headed into that area in a car reported stolen from this area last night. Police also linked Macomber to a robbery at the Santiam Lumber Co., Sweet Home, Saturday night.

Macomber is wanted for questioning about a series of robberies in the Lebanon-Albany area.

**BRUCE HAY DIES**  
SPOKANE, July 9 (AP)—Bruce M. Hay, 54-year-old son of a former governor of Washington, died suddenly of a heart attack today. His father, M. E. Hay, became governor of the state when Gov. Samuel G. Cosgrave died in 1909. He served until 1913, and died in 1933. Bruce was president of the Big Bend Land company.
