

IT'S HERE!

The new
higher octane

76
gasoline!

There's a great new gasoline at your Union Oil Dealer's—the *new* 76! Its quality is finer than ever before.

THE NEW 76 GIVES YOU:

1. Greater power! The octane rating has been increased.
2. Quicker starting, faster warm-up! Made by an exclusive, new blending process.
3. Better performance! Road-rated to give smoother anti-knock performance at *all* speeds.
