

Legions Play Woodburn Nine

Final Home Clash At Waters Field

Salem's Capital Post No. 9 American Legion Junior baseball team, now without a chance for the district championship, closes its home season tonight at Waters field in a 6:30 o'clock tilt with the Woodburn Juniors. The Oregon City club has clinched the district championship, and all that is left for Coach Bill Hanan's locals is a three-way fight for second place with the Woodburn and Silverton-Mt. Angel outfits.

Probable lineups for tonight's games: Salem—Brown, ss; Hunt, 2b; Chamberlain, lf; Jones, c; Nelson, cf; Haugen, 1b; Brown, 3b; Burk, rf, and Walker, Merchant or Steinbrook, p.

For Woodburn, Rivers, 3b; Odgers, 2b; Henderson, c; Vandebey, 1b; McCall, ss; Diller, p; McGloran, lf; Hall, cf, and Nosack, rf.

Steinbrook and Merchant teamed to blank the Woodburns 2-0 in the last game of the two rival teams played. The C-Pros were able to get only three bingles off Diller in that game, to one for Woodburn off Steinbrook.

Racing Victim Much Improved

Lawrence (Larry) Deuber, the pit boss struck by a speeding stock car racer at Hollywood Bowl one week ago was reported in "much improved" condition Tuesday at Salem General hospital.

The Oregon City man, acting as his boss for the stock car races, was struck immediately in front of the grandstand during the main event portion of the program. He apparently didn't see a car driven by Keith Olson who at the time was trailing the main event field. Deuber was struck as he stepped from the referee's box onto the track. Officials measured the distance Deuber was hurled and found after the impact and reported it as close to 90 feet.

Deuber is now in critical condition during his first days and nights at the hospital.

Caps Flinger Still on Top

TACOMA, July 18—(AP)—Right hander Sandy Robertson, who works only when the Vancouver Caps are at home, chalked up two victories during the past week to retain his position as the top hurler in the Western International baseball league, figures released by the league office disclosed today.

Robertson has now chalked up nine straight victories without a loss while Tri-City's Gene Roenspie is in the runner-up slot with a 9:3 record. Victoria's John Marshall received credit for two decisions to up his record to 11-4 for third place.

Lloyd Dickey, Yakima southpaw, continued to set the pace in the strikeout race, having whiffed 148 swingers to outdistance Tom Breisinger, Wenatchee left hander, who is in second place with 112. Don Ferraresé, another Wenatchee southpaw, walked only six batsmen during the week, but he still easily outdistanced the field in the number of free passes issued with his total of 149.

He Was a 'Daredevil'

Pictured above is movie star Clark Gable as he looked when playing his role as one of Jole Chitwood's Auto Daredevils in the soon-to-be-released flick "To Please a Lady." The entire Chitwood troupe will appear in Salem's Hollywood Bowl Friday night to present the two-hour program of death-defying stunts with both autos and motorcycles.

27 Stunts Listed by 'Devils' For Friday Holly-Bowl Show

The Jole Chitwood Auto Daredevils, a smash-'em, bang-'em pack good enough to be featured in a forthcoming Gable-Stanwyck moving picture, take over Salem's Hollywood Bowl Friday night for their two-hour presentation of thrills. The "Devils list 27 acts in their repertoire and are headed by the man who has driven in eight Indianapolis Memorial Day racing classics.

Topmost of the 27 acts will be the finale, an 86-foot ramp-to-ramp jump by a 1930 Ford while another car is driven under the flying auto. The first car is to be driven up one of the ramps at high speed. It's supposed to come down, "feet first," on the other ramp 86 feet away. In the meantime the second car, staying on the ground, is driven under the first.

Also among the acts is the group's "divebomber" sortie which consists of a car diving head first into two others after flying 112 feet through the air. The driver remains in the car that does the bird act and intends landing squarely on the two parked vehicles.

Other features include the plotting of cars and motorcycles through flaming walls and over ramps for jumps, rollovers, etc. All in-between space during the program will be taken up by the antics of three professional clowns. Ten sedans, one convertible, three trucks and three motorcycles, plus five cars that are to be completely demolished, will take care of the evening's action. A rollover contest between two of the company's drivers—they deliberately roll the cars numerous times until they're ruined—is another feature.

The program starts at 8:30 p.m. Friday.

Ticks are among the most difficult to control of all livestock pests.

The Tri-City, Vancouver game scheduled at Tri-City was blown out by a dust and rain storm.

Soccer Loss Stirs Briton

LONDON, July 18—(AP)—England's amazing 1 to 0 loss to the United States in the world soccer tournament was cited in parliament today as one reason for the need of a ministry of sports.

Laborite J. E. Haire, addressing his plea to Prime Minister Clement Attlee, told the House of Commons the flop in soccer plus the setbacks in golf, tennis, boxing and cricket had put the nation in a blue funk.

The U.S. soccer victory was such a shock to the British that many newspapers printed the story inside a black border of mourning. The journey was held in Brazil, ending last Sunday.
