More for Your Money

New Umbrella Has Interchangeable And Removable Covers, Varied Colors

By Sue Gardner
One of the hardest fashion accessories to keep in tune with your costume is an umbrella. You might decide to invest in a gay red model, then find you are wearing a bright green, or a dark brown coat that does not go with your favorite rain protector when you saunter forth in the shower.

Now, an enterprising manufacturer has come out with an umbrella that has removable and interchangeable covers. You can leave a basic black cover on the framework, or select your cover from a variety of transparent or patterned vinylite styles that will make it possible to match any costume you have. The um-

rella with one extra cover is available at a moderate price and so are additional covers.

Other plastic accessories for the rain are coming on the market in gay new colors and styles. Button-on plastic covers for your shoes, and easily packed raincoats with matching hoods are good extra items for a rainy day. A hat and head protector that folds up into a tiny package for your purse is a practical investment.

If you want to go a step further, the all-weather coats that fall are a good investment. You can buy a tweed coat that makes an excellent casual top coat, yet has a water resistant finish in case of sudden showers. However, you need not keep to a casual style, because many of the new corduroys and silky-looking dress coats are really raincoats, many coming with matching hoods or hats.

Polly Pollock, Mr. Fedje Married

Salem friends are interested to learn of the marriage of Miss Polly Pollock, Willamette university May Day Queen for 1950, and Alfred M. Fedje, son of Mr. and Mrs. Roy A. Fedje of Salem, which took place on Sunday afternoon at the Mt. Tabor Presbyterian church in Portland. The bride is the daughter of Mr. and Mrs. Dean Pollock and was given in marriage by her father.

Dr. Fedje, assisted by Dr. O. LeRoy Walter, performed the 4 o'clock rites. Mr. and Mrs. Raymond Fedje sang and Joseph Brazie was the organist. Lighting the tapers were Miss Ruth Ann Fedje, sister of the bride, and Miss Patty Jo Hammond.

The bridal gown was of white dotted Swiss organza fashioned with a drop shoulder neckline bordered with a ruffle. Her veil was fingertip length and she carried a bouquet of gardenias and white orchids.

Preceding the bride to the altar were the maid of honor, Miss Genevieve Chisholm of Fort Worth, Texas, who has been spending the summer in Salem with her aunt, Miss Olive Dahl and Mrs. Raymond N. Fedje, the matron of honor, who wore pink dotted Swiss organza frocks. Bridesmaids were Miss Janice Gladden of White Salmon, Wash., Miss Betty Leonard of Portland and Mrs. Benjamin Hanchett of Portland, who were gowned in green organza frocks. They all wore matching half bonnets and carried bouquets of gardenias.

Earl and Raymond Fedje stood up with their brother.

After a wedding trip the couple will be at home in Newberg, where the benedict will be teaching.

Designing Woman

Put your designing ideas to work on that ordinary window, and it can become picture window-important to the good looks of the room. It's easy to make the window look so much wider than it is. Cover the window with curtains blind, but not with curtains. Start the curtains just inside the window frame, to conceal the blinds edges, and extend them wide on the wall. No one knows the curtains hang on wall space if they're topped with a wide sweep of cornice. And when you make the cornice of wood and match it with a shelf under the window you've completed a handsome design and made most convenient use of under-the-window space. The cornice and shelf can match the woodwork, but how about painting them turquoise or coral or green—a shade from the curtain print—to make the whole design a smashing color success?
