

Livestock Entries Deadline at Oregon State Fair Set August 15

By Lillie L. Madsen
Farm Editor, The Statesman

Competition in almost all departments at the Oregon State fair is open to the world, but the world of livestock exhibitors must get their entries in before August 15 if they intend to enter the competition, Manager Leo Spitzbart said Monday.

Entries for all livestock exhibits close August 15, Spitzbart stressed. Some entries have already been received. This week they are starting to come in "fast and furiously," Spitzbart added.

The poultry show, which has gained in prominence year by year at the state fair, gives early promise of being an excellent show this year. Entries here do not close until August 27, but Spitzbart urged poultrymen to get their entries in as early as possible.

All breeds of chickens, bantams, geese, ducks and turkeys recognized by the American Standard of Perfection of Poultry are entitled to entry for premiums at the Oregon state fair. Non-standard varieties found worthy by the judge, will also be judged by comparison.

The fair will care for and feed all fowls and other exhibits in the poultry department and also transport from Fairgrounds depot to the poultry building and return at the close of the fair to the depot, without charge. Spitzbart calls attention to the marking on the crates or coops containing the fowl. These, he states, must be plainly marked, "Fairgrounds, Salem, Oregon, care of Superintendent, Poultry Department." Transportation charges must be prepaid.

A clinical inspection will be made of all poultry upon arrival and no birds will be permitted to enter their cages until the inspection is made. Any birds showing evidence of disease may be refused entry. Imported birds must meet full interstate requirements, Spitzbart pointed out, adding that "we are taking every precaution to protect our Oregon birds, but we hope we have a number of out-of-state entries, too."

Jersey breeders, whose exhibits fell short a year ago, gave indication this week that their show will be larger this year. A total of \$200 is being offered in prize money for county herds in the various dairy breeds this year.

Boston Tops Population of State Capitals

WASHINGTON, Aug. 7 (AP)—Boston has the biggest population of any of the 48 state capitals; Carson City, Nev., the smallest.

The census bureau ranked them that way in a special report today on preliminary figures for state capitals gathered in the 1950 census.

The Massachusetts capital's population was 788,552—just 3,682 below the population of the nation's capital here. Boston was ahead of Washington ten years ago.

Carson City was listed at 3,069. Right behind Boston as top-size state capitals came, in order, Indianapolis, Denver, Columbus, and Atlanta.

Olympia was listed as increasing in population from 13,254 in 1940 to 15,711, an increase from 30,908 to 43,064. Salem ranked 31st, same as in 1940.

Man in Barrel Shoots Niagara Falls Rapids

NIAGARA FALLS, Ont., Aug. 7 (AP)—Major Lloyd Hill took a three-hour battering with two brief intermissions Sunday as he shot the rapids below Niagara Falls in a stainless steel barrel.

At the end of the five-mile run, Hill came out smiling but said he was "pretty badly bruised up."

The 32-year-old Canadian riverman—Major is his given name—says he intends to go over the falls in a barrel September 10.

The barrel, dented when it was sent empty over the falls last month, was battered so much today that Hill said he would use another one for the trip over the cataract.

"Do you think you can go over the falls?" Hill was asked. "I know I can," he declared. The barrel was caught in whirlpools and fished out twice today.

Nationalists' Planes Destroy Commie Junks

By Spencer Moss

TAIPEI, Formosa, Aug. 7 (AP)—Destruction of 30 big junks and more than 100 smaller ones in raids on communist shipping near Quemoy island was announced last night by Chinese nationalist air force. They were directed against 800 Red vessels assembled near Quemoy, a nationalist outpost island just of the communist mainland.

Both bombers and fighters with rockets participated, all returning safely despite antiaircraft fire, the communique said.

The attacks presumably are considered by the United States to fall within a defensive category, thus escaping President Truman's ban on nationalist action against the communist mainland.

The nationalists say Quemoy is imminently threatened with Red invasion. A nationalist spokesman Saturday denied speculation that General MacArthur had recommended a nationalist withdrawal there.

Meanwhile unconfirmed rumors, of undetermined source spread wildly through Taipei that 300,000 troops of Gen. Chen Yi's communist army had revolted.

Chen commands the Red third field army, listed by the communist radio as the force assigned to conquer Formosa.

The rumors gave no details of the reputed revolt, and nationalist sources said they knew nothing whatever about it.

Small Losses In Grain Mart

CHICAGO, Aug. 7 (AP)—Most grains ended with small losses on the board of trade today, recovering in the last hour a part of the ground lost earlier. There were not many incentives for buying.

Wheat finished unchanged to 1/4 lower, corn 1/4-1/2 higher, oats 1/2 lower to 1/4 higher, rye 1/4-1/2 lower, soybeans 1 to 2 1/2 lower and lard 15 to 25 cents a hundred pounds lower.

Harvesting of spring wheat has started in the northwest. Weather conditions over the week-end were favorable for maturing the grain.

Fire Severs Roseburg Area Power Lines

ROSEBURG, Aug. 7 (AP)—Power service in this vicinity was interrupted yesterday when fire destroyed two towers of a California-Oregon power company line.

The blaze also blackened about ten acres of brush and grass land before being controlled by Douglas Forest Protective Association firemen.

It started on Beckley mountain in the Bonanza mine district east of Sutherlin.

The first poet laureate of Britain who called himself by that title was Geoffrey Chaucer.

Stock Market Stages Quiet Price Advance

NEW YORK, Aug. 7 (AP)—The stock market staged a quiet but impressive show of strength today.

In the largest average rise in more than two weeks, leading shares advanced a few cents to more than \$2 a share. Final prices were tops for the day in most cases.

Steel, auto, rail, chemical, paper and an assortment of specialties were most in demand.

Some recently popular war babies—aircrafts, for instance—no more than held steady.

Trading expanded a bit but there was no rush to get into the market. Sales of 1,850,000 shares compared with 1,600,000 Friday.

Brokerage quarters said news of the U.S. offensive in Korea, first on a size since our intervention, was mainly responsible for the advance.

The Associated Press average of 60 stocks moved up a full point to 77.7. The industrial and rail groups made the best showing.

At 77.7 the 60-stock average had recovered a substantial part of the heavy losses which followed immediately after our intervention in the Korean war.

Farewell Party For Naffs

Nearly sixty-five young people of the youth fellowship groups of the First Christian church attended a surprise farewell party on August 4 honoring the Rev. and Mrs. Walter Naff who are leaving this month to attend Texas Christian university.

The party was held at the North 23rd street home of Mr. and Mrs. Fred E. Roberts. The evening featured a no-host dinner and games.

On Etiquette

By Roberta Lee

Q. What is the proper length of time for a young woman to wear mourning for her father?

A. This would depend entirely upon her personal feelings. The custom of wearing mourning is not so strict as it formerly was. Many people do not consider it necessary at all.

Q. Is an unmarried woman presented to a married one when making an introduction?

A. Ordinarily, this is the correct procedure. However, if the single woman is considerably older, then the married woman is presented to her.

Q. In seating one's self at the dinner table, should the chair be approached from the left or right?

A. From either side, whichever side is more convenient.

Kay Smith Engaged

STAYTON—Announcement has been made of the engagement of Miss Kay Smith, daughter of Mr. and Mrs. L. A. Smith of Stayton, and Ronald Johnson, son of Mr. and Mrs. Felix Johnson of Lyons. No date has been set for the wedding. Miss Smith and her fiancé are graduates of Stayton high school.

SILVERTON—Mr. and Mrs. John Zahler are announcing the engagement of their daughter Frances, to Ronald Neperud, son of Mr. and Mrs. Marvin Neperud all of Silverton. The wedding will be solemnized on August 20 at Trinity Lutheran church.

SILVERTON—Mrs. Michael Cosovitch of Astoria is a guest this week of her mother, Mrs. C. W. Keene. The two are spending much time in Portland with Mrs. Wayne Stachwell (Frances Keene) who submitted to major surgery on Wednesday. Her condition was reported as good over the week-end.
