Killer Chokes Spinster on Arizona Train

DOUGLAS, Ariz., Aug. 10—(AP)—A savage killer choked a 68-year-old Iowa spinster to death and mutilated her body in a lower berth of the Southern Pacific's Golden State Limited early today.

Miss Ada C. Park, 68, was slain in a rape attack as the streamliner sped across the bleak southern Arizona desert before dawn.

Harold T. Lantz, 28, a discharged Southern Pacific employe, was charged with murder.

The body was found in lower 10 of the train's Minneapolis sleeper after Lantz ran down the aisle shouting that a woman had been killed.

Sheriff I. V. Pruitt said Lantz first told Conductor Tom Bryan another man had killed the woman, but later admitted choking her.

Resisted Attack

The victim, a temperance worker and former teacher, had been bitten and clawed on the neck and breast, Pruitt said. Fresh scratches on Lantz's face indicated Miss Park had resisted the attack.

Charles Modeste, city editor of the Bisbee (Ariz.) Daily Review, talked with Lantz after he was jailed at nearby Bisbee.

"He told me he had bought a bottle of tequila (a Mexican liquor) in Tucson and doesn't remember boarding the train," Modeste said.

After telling Lantz what the sheriff charged, the newspaperman asked, "Is that right?"

"I guess so," Lantz replied. "I know I wouldn't have done anything if I hadn't had the bottle."

"When will I be tried?"

At Tucson a Southern Pacific official said Lantz had been fired last week after being with the railroad as a carpenter's helper since July 12. The official said Lantz' work was unsatisfactory.

Superforts Hit Key Korea Oil, Rail Targets

TOKYO, Aug. 10—(AP)—B-29 superforts today pounded key oil and rail targets in North Korea, dropping 625 tons of bombs in the biggest U. S. air strike of the war.

Roaring fires and towering smoke columns rose over Wonsan, the main target, as the last bombers thundered away.

Some 70 superforts, flying from Japan and Okinawa, went over the targets in clear weather. Little anti-aircraft fire was encountered. The record load of bombs would have required 250 world war II B-17's.

One of the principal targets was the 'chosen oil refinery' at Wonsan, which is on the east coast 80 miles deep in North Korea.

It was the second air assault on the refinery. A previous strike did only slight damage.

The Far East air force said early reports indicated today's raid caused "extensive damage to the communist war potential."

The refinery was capable of producing large quantities of molass for fuel and aviation gas as well as lubricating oils and other petroleum products for the communist war machine.

Set New Record

The 625 tons of explosives dropped set a new record for the Korea war. The previous one-day high was 500 tons.

Other targets in the Wonsan area included the huge railroad switching center. It was filled with loaded trains when the B-29's struck. Returning crew members said flames suddenly surged across the rail yards, possibly from exploding ammunition trains.

The switching center is 25 tracks wide. It handles all rail traffic moving along the east coast.

Target of Earlier Raids

The switching center is 25 tracks wide. It handles all rail traffic moving along the east coast.

Contracts for Schools' Gas, Oil Released

Award of contracts for Salem school districts' 1950-51 requirements in gasoline and fuel oils was announced Thursday by the district's supplies committee.

Officials reported all bids were lower or close to the past year's prices.

Upon disclosure of an error in the low bid by Union Oil Co., the gasoline contract went to Richfield at 18.43 cents per gallon.

On fuel oil, Home Fuel Oil received contracts for heavy oil at \$1.948 per barrel and for light oil at \$2.248 for truck-trailer delivery and \$2.95 for local truck delivery; Valley Oil for diesel oil at 10.57 cents per gallon; Larmer Transfer for stove oil at 11.8 cents per gallon.

Lubricating oil will be supplied by Tidewater Associated for 47.8 cents per gallon.

MT. ANGEL — The local American Legion post decided this week to petition Marion county court to place on the November ballot a measure calling for erection of a new Marion county health center in Salem.

The next meeting is slated for September 12, after the state convention. The second and fourth Tuesday meeting dates will be resumed in October.
