**THE LAST IS FIRST!**

The last (which is the form duplicating the child's foot), that fits one child properly, may be incorrect for another . . . some children's feet are proportionately longer, broader or slimmer than others. That's why our fitters are trained to first select the proper last for each child. If your child needs new shoes, let us give him the correct, healthy fit from our wide selection of handsome styles. A full range of sizes.
