NEW YORK, Aug. 18 -(A)- The stock market rounded out a fiveweek rally with a fresh rise today. Oils, steels, rails, copper and an sues attracted major support. Most other groups, though, were liberally represented in the plus col-

Gains ranged to around \$2 a share. Some 90 stocks sold at their peak prices for 1950 - only two touched bottom for the year.

Today's advance wiped out the last remnants of the sensational losses which followed our intervention in Korea.

The Associated Press average of 60 stocks closed at 79.1, exactly equal to the close on June 23, the Friday before President Truman announced an historic change in

our Far Eastern policy.

In the meantime more than \$8,-000,000,000 has been lost, and regained, in the market value of all stocks listed on the exchange. Sales of 1,780,000 shares compar-

ed with 2,170,000 Thursday.

The Associated Press average of 60 stocks advanced .6 of one point to 79.1. The industrial group took the largest stride forward. A moderate gain in the rail group lifted it to a peak since 1946. Utilities showed minor improvement.
