## Tyler Stone to Head Drapery Department

Opening of a new drapery department under the supervision of F. Tyler Stone has been announced by Reinholdt and Lewis of Salem.

Stone, formerly with interior decorating departments of large Portland stores, was connected with vocational education and Salem public school's adult education department before taking the new post with the firm.

Reinholdt and Lewis announces availability of a number of nationally advertised lines in the new drapery department.

Addition of a new line of frameless aluminum window screens to the lists of Venetian blinds and window shades is also announced by the company.

## Japan Backs Korean Policy

**TOKYO, Saturday, Aug. 19—(AP)** The Japanese government today aligned itself with the United Nations' effort in Korea and the western democracies in the world ideological struggle.

The government issued a 3,800-word "white paper" on the Korea conflict.

"To cooperate with the democracies and assist in strengthening their unity should be considered as nothing less than a measure for our own self defense," the paper stated.

This was the first formal government statement of policy.

## Salem Wrecks, Involve 3 Cars, Train and Car

A train-auto collision and an accident involving three cars were investigated early Saturday morning by Salem police officers. There were no injuries.

About 2 a.m. an auto driven by Russell Edgar Jacobson, 690 Morgan st., collided with a moving Southern Pacific freight train at North Liberty and Union streets. Police said the auto, southbound on Liberty street, struck the train broadside. The car was towed away.

About 3:15 a.m. an auto operated by Wallace Milton Young, 940 Mill st., struck the rear end of a parked car in the 900 block on South 12th street. The parked vehicle, owned by Thomas Rasler, 945 S. 12th st., was jammed ahead into another parked car owned by Joseph J. Ligatich, Portland.

Officers said the Rasler auto was badly damaged, both front and back, while the Young car's grill, radiator and headlights were smashed. The rear of the Ligatich vehicle was dented.

## Distribution of Sarah Carrier Estate Authorized

Distribution of \$320,000 to four religious and charitable institutions was authorized Saturday in Marion county circuit court.

The court decree approved the final report of trustees of the Sarah E. Carrier estate. A small residue of the estate's funds was ordered held for expenses that may yet accrue.

The order directed distribution of \$80,000 to each of the following: Salem YWCA, Salem YMCA, First Methodist church of Salem, and the board of foreign missions of the Methodist church. The Salem institutions will use their shares for building or remodeling projects already announced.

## Traffic Deaths Continue Rise

Oregon's mid-August traffic death toll has surpassed the number recorded at the same time last month, Secretary of State Earl T. Newberry reported here Friday.

established a new high for that month.

August accidents thus far have claimed 18 lives as against 10 in mid-July. Fourteen were killed in smash-ups on rural roadways.

Newberry said the 1950 toll to date is 212 dead, exceeding last year at this time by 47.

Asbestos in its normal state will float on water.

# LOST TIME IS WASTED MONEY

Now! Before you need it . . . let us put your hop drying equipment in top condition. A "stitch" now will save valuable time when the season is in full swing.
