## Stocks Stall; Prices Close Under Monday

NEW YORK, Aug. 22 (AP)—The stock market stalled this afternoon after an early attempt to extend a five-week rally.

At the final bell losses outnumbered gains by a respective majority.

Prices scarcely budged, however, in the slowest trade in a week. Most changes were 50 cents a share or less.

At the outset a downward trend was faintly apparent. Then buying interest in rail issues perked up and for a while it seemed likely that the entire market would move up with the carriers.

During the afternoon the market took off on another tack and gains were either cut down or changed to losses.

Sales dropped to 1,550,000 shares from 1,840,000 Monday.

The Associated Press average of 60 stocks remained at 79.1. All components were unchanged.

A total of 1,139 individual issues appeared on the ticker tape, of which 526 declined and 336 advanced.

## Grains Drag In Narrow Trading Day

CHICAGO, Aug. 22 (AP)—Grains dragged through the morning with a drab of trade session today with narrow price changes but managed a closing rally.

There was no buying incentive at the start, and many traders were inclined to await Washington action on controls before taking a position.

At the finish wheat was 1/4 to 1/2 higher, corn was 1/4 to 1/2 higher, oats were 1/4 to 1/2 higher, rye was 1/4 to 1/2 higher, soybeans were 1/4 lower to 1/2 higher and lard unchanged to 15 cents a hundred-weight lower.

Brokers said that hedging in wheat was light, combined receipts at Minneapolis and Duluth amounted to 713 cars, compared with 602 a week ago and 1,397 a year ago.

## School Board Holds Meeting At Silverton

SILVERTON—Alfred A. Funk, one of 20 applicants, has been selected to fill the vacancy made by the resignation of Mrs. A. B. Anderson in the Silverton junior high school.

Funk was named in a meeting of the Silverton school board held Monday night.

A number of other matters were considered including tile flooring for the office and library at the high school, decision on which was deferred until later. Bids are still to be received for window sash trim, window sills and corner boards at the high school.

Inquiries were ordered mailed to factories for prices on tables and chairs for the primary room. The grounds committee was instructed to investigate danger from trees on school grounds and remove any that appear dangerous.

## Martin Tingelstad Buys New Home in Silverton

SILVERTON—G. A. Van Riper sold his home at 520 S. 3rd street to Martin Tingelstad of Salem. Tingelstad will take possession on September 1 and Mr. and Mrs. Van Riper plan to go to DeLaks to make their home.

Tingelstad spent his early youth at Silverton, leaving here some 30 years ago for Ankeny Bottom where he farmed a few years before going to Salem where he has lived for around a quarter of a century. He has been with the Willamette Grocery for a score of years, retiring from there in July.

## C. C. Parton was appointed to organize a campaign to resurface the ball park and make other necessary improvements, it was stated that interested persons would donate labor and material, the school district would be relieved of any expense. County Agent Harry L. Riches is to be consulted in regard to reseeding the ball grounds.

An effort will be made to obtain the community cannery building for use as a band room, remodeling to be done by band parents.

As consolidation of Silverton with nine rural districts met with strong opposition, the board decided to obtain further information on possibilities of a union high school.

Edna Moe, local hop grower, made a request for cooperation in obtaining additional labor help, stating growers face a severe loss for lack of pickers in the hop fields.

## PICNIC HELD EAST SALEM—Frances Byram accompanied Virginia Mason of Jefferson Sunday to the annual picnic for former residents of Tillamook who now live in the valley. The picnic was held at the J. C. Skinner home.

## Grass Fires Damage Bees At Willamina

WILLAMINA—Willamina firemen had a busy day Saturday, with three fire calls. The first one occurred about 1 p. m., when they were called to a farm near the Coastal Lumber Co. in Grand Ronde, which was a grass fire. By the time they arrived there, the grass fire had spread to several bee hives. The firemen reported that the bees swarmed all over them, but were too dopey from the smoke to sting them.

The second call was about 3 p. m., and was a fire behind Garra-brant's mill here in town. The third fire was about 4 p. m., and was a grass fire on the hill behind the grade school.

Firemen have urged city residents when the fire siren sounds, so more water pressure may be built up at the reservoir. The siren will sound when the fire is over so that the sprinklers may be turned on again.

## Housework Easy Without Nagging Backache

As we get older, stress and strain, over exertion, excessive smoking or exposure to cold sometimes slow down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headache and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or kidney indigestion.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
