

# 10 Carloads of Lumber Stolen; Police Break Up Swindle Racket

PORTLAND, Sept. 14—(P)—Two men, accused of swindling 10 carloads of lumber valued at \$25,000, were taken to the Polk county jail tonight after their arrest by officers of two counties.

A third man was arrested here tonight and Capt. Howard Kelly of the Multnomah county sheriff's office said a fourth was sought.

He identified those arrested as Jack Gordon Hanley, 22, Gresham; Jack Richard Brace, 23, Portland; and Joe Tony Koski, 21, Boring. Hanley and Brace were taken to Polk county.

Sought is Morris S. Brown about 30, of Boring.

Charges of larceny by bailee, involving lumber belonging to the Star Lumber company of Eugene and the Hodge Brothers company of Grand Ronde, have been filed against them, Kelly said.

Chief Sheriff's Deputy Tony Neufeldt of Polk county said R. D. Hodge of the Hodge Brothers company reported he had hired the men to truck the lumber to Portland. There they were to obtain rail cars for shipment to destinations named by Hodge, Neufeldt said.

Instead, Hodge claimed, they sold the lumber to other brokers in Portland.

Seven cars already had been shipped, Kelly and Neufeldt said, five of them to the Midwest. One car was stopped at Portland and another at Gresham. Attempts are being made to locate the others. Hodge owned five and the Star Lumber company two.

Kelly said he and Neufeldt arrested Brace and Hanley at Gresham last night and located two trucks and trailer loads of lumber parked off the highway and another at Gresham loading platform.

The lumber would fill three rail cars, Kelly said.

Brace owned two of the trucks and Hanley was a driver, the officer said. Koski was arrested while waiting for a bus. His bail was set at \$10,000.

# Flegel Allowed To See Liquor Board Records

PORTLAND, Sept. 14—(P)—Austin Flegel can look at the state liquor commission books if he wants to, since he is the democratic nominee for governor, the commission informed him today.

Flegel had asked the commission to permit his private auditor, William F. Meyer, to check records of sales and purchases of bulk whiskey, operating costs, enforcement costs and expenditures.

In a letter today the commission replied: "As a former attorney for several years you can appreciate that good business would not permit the commission to disrupt normal operation at the whim of individuals.

"An exception can only be justified by a request from a regularly nominated candidate for governor. The commission has approved your request and directed that members of the staff furnish every possible assistance to your auditor."

**EXPLOSIVES IN COAL**  
NEUSTADT, Germany, Sept. 14—(P)—German police said tonight 18 small packages of explosives had been discovered in three carloads of coal which arrived here from Czechoslovakia.

# Senate Kills Truman Veto Of Alien Bill

WASHINGTON, Sept. 14—(P)—The house today overrode President Truman's veto of a bill to permit an estimated 85,000 Japanese, Samoans and Koreans living in the United States or Hawaii to become citizens.

It was the second veto rejected by the house during the day. Earlier it overrode the president's veto of a bill to give out-patient (clinic) medical treatment to all Spanish-American war veterans, regardless of the cause of their ailment.

If the senate also overrides, it will be the first time in the 81st congress that a public law has gone into the statute books over the president's objections. The house vote on the citizenship bill was 307 for the bill and 14 against it, or 93 more than the two-thirds required to override a veto. The vote was on the question of passing the bill despite the president's disapproval.

**Foreign Ministers Agree on Need for Stronger Defense**

NEW YORK, Sept. 14—(P)—The big three foreign ministers agreed tonight that immediate effective steps must be taken to strengthen the defenses of the free world in Europe and Asia.

They said that is the most urgent problem confronting them at this time.

Secretary of State Dean Acheson, British Foreign Secretary Ernest Bevin and French Foreign Minister Robert Schuman announced their agreement in a communique issued several hours after they had decided to put before the 12-nation North Atlantic Treaty council the issue of using German military forces in western European defenses.

**JOINS FBI FORCE**  
EUGENE, Sept. 14—(P)—Keith L. Jones, Eugene's chief of police, for three years, has become a special FBI agent, City Manager Oren L. King said today.

**SCORELESS GRID TIE**  
EUGENE, Sept. 14—University high of Eugene played Sweet Home high to a scoreless tie tonight in an early season football game.

# Conclave Asks Firms Pay Taxes On Truck Fines

PORTLAND, Sept. 14—(P)—The internal revenue department was asked today to withdraw on cancel a ruling permitting the income tax deduction of fines levied against overweight and overload trucks.

The request was made in a resolution passed before the close of the four-day convention of the American association of motor vehicle administrators here.

The resolution contended that the ruling "encourages the law violator and penalizes the operator who obeys the law."

# Discussions to Start on Japan Peace Treaty

WASHINGTON, Sept. 14—(P)—President Truman said today he has authorized the start of "informal discussions" on a Japanese peace treaty.

In a statement read to his weekly news conference he added: "We have long pressed the U. S. S. R. for an Austrian treaty and we are exploring the possibility of ending the state of war with Germany."

Secretary of State Acheson was directed to initiate procedural talks on a Japanese treaty with members of the far eastern commission, including Soviet Russia.

# Senate Votes \$17 Billion for Arms Speedup

WASHINGTON, Sept. 14—(P)—The senate tonight passed a \$17,192,000,000 emergency defense bill to expand America's military power and arm her allies against communist aggression.

Approval by voice vote came after the senate voted to shut off American financial and economic aid to any nation that sells arms or goods useful for military purposes to countries behind the iron curtain.

The big defense bill carries \$11,736,000,000 to build up this country's military machine and \$4,000,000,000 to help arm the other free nations of the world.

An administration request for a \$139,800,000 program to disperse key government agencies to outlying areas around Washington as a precaution against atomic attack was blocked.

This proposal was ruled out of order by Senator Elmer Thomas (D-Okla.) who was presiding at the time. Thomas upheld an objection by Senator Cordon (R-Ore.) that the amendment was an attempt to put legislation into an appropriation bill, where it did not belong.

# 5 Salem Area Residents Hurt In Accidents

(Picture on page one).

Five Salem area residents were hospitalized in separate accidents at home, work and play Thursday.

Dennis Brown, 10, of 2490 Maple ave., broke both wrists at 8 p.m. when he stumbled and nearly tumbled into Mill creek while playing. It happened near the 500 block of Knapp street. His parents are Mr. and Mrs. Donald A. Brown.

William Wilson, 47, suffered severe face lacerations and bruises when he fell head first from a 20-foot scaffold about 4 p.m. A carpenter, he was working on construction of a warehouse at the West Salem Iron works.

Wilson lives at 4070 Beck ave., in Four Corners. His condition was termed fair at Salem General hospital.

Forrest A. Pontius, 74, broke his left wrist when he fell from a low scaffold while painting his house at 1810 N. 20th st.

Harvey Stanton, 69, was knocked unconscious but escaped with cuts and bruises when he fell at his home, 540 Vista ave., about 4 p.m.

Harvey Whitfield, Salem route 6, incurred multiple fractures of both legs when a huge log rolled on him at Oregon Pulp and Paper Co. Thursday morning. He was caught when the timber kicked back off the carrier chain as it was being sawed.

Whitfield was reported in fair condition at Salem General hospital early today.

# 25 New Cases of Poliomyelitis Reported

PORTLAND, Sept. 14—(P)—Twenty-five new cases of poliomyelitis were reported in Oregon last week, the state board of health reported today.

Six cases each were reported by Lane county and Portland. The cumulative total for the year is 158 cases, with 104 cases for the corresponding period last year.
