

Mrs. Wegman, Ex-Silverton Resident, Dies

Statesman News Service
SILVERTON, Sept. 18.—Mrs. Catherine W. Wegman, 48, former Silverton resident known here for her donations to the Silverton hospital, died Saturday in a Portland hospital.

Funeral services will be held at 10:30 a. m. Tuesday at Finley Morninglight chapel in Portland with Dr. Paul Wright officiating. Private final rites will be conducted at Riverside cemetery in Portland.

Mrs. Wegman was the only daughter of the late Myron C. Woodard, Silverton area lumberman, and Mrs. Woodard.

Born March 5, 1902, in Powers, Minn., she came to Silverton with her parents from Portland in 1917. Her father donated a wing of the hospital here, and Mrs. Wegman completely furnished the infants ward and just last week had donated a new incubator for the ward.

Mrs. Wegman was corresponding secretary for the Portland area Girl Scouts, a member of the board of directors of the Albertina Kerr Baby home, a member of Waverly country club and of the Portland Town club.

Survivors include the widower, Charles B. Wegman, Portland; two daughters, Joan Wegman, Portland, and Mrs. Herbert Williams, Jr., Richmond, Calif.

Over \$22,000 In Cash Prizes Offered at PI

NORTH PORTLAND, Ore.—More than \$22,000 in cash awards will be given at the Pacific International Livestock Exposition October 6-14, the West's finest horse show of the year, according to Horse Show Manager Harrison Cutler.

He said the large amount of cash offered will attract outstanding horses from California, Utah, Idaho, Washington, Texas, Colorado, Nevada and New Mexico. At least 300 horses will be on hand.

U. S. Senator Wayne Morse already has entered Sir Laurel Guy and will come from Washington to drive the roadster personally.

Outstanding cutting horses from scattered states will be seen in a repetition of the event that proved so popular in its initial showing at the Pacific International last year. These highly trained horses select a cow from a herd at the end of the arena and match every move of the cow in preventing its frantic efforts to return to the herd.

Feature of the Horse Show this year will be championship indoor polo with 3-man teams. Boise, Yakima, Spokane and Portland are already entered and a fifth squad will round out the tournament.

County Spends \$300 to Kill Rats At County Dumps

Rat and mouse extermination and control measures for Marion county dumps were approved Monday by the county court in a one-year contract with Paramount Pest Control service of Portland.

The company will furnish material and labor for control at the Woodburn and Macleay dumps at a total cost of \$300, beginning immediately.

Brakes Save Elfstroms from Falling Tree

Back from a hunting and fishing trip Monday, Salem Mayor Robert L. Elfstrom admitted he'd had the "closest call" of his life.

He and Mrs. Elfstrom came within inches of being directly under a falling fir tree across the North Santiam highway near Marion Forks.

The mayor was driving a new convertible along the highway at a good clip when Mrs. Elfstrom, at his side, shouted, "A tree is falling." He braked the car so hard all four wheels locked and the convertible skidded to a standstill amidst branches of the 100-foot dead tree and a huge cloud of debris raised by the crashing trunk.

The Elfstroms were unhurt but the car was considerably dented. The auto is owned by the Russell Bonesteales who were following at the time in the Elfstrom sedan. The four continued their trip to Wyoming for opening of both antelope and elk seasons.

All four bagged an elk and antelope each. Between the two seasons openings they had intended to fish streams of the Jackson hole country, but heavy rains kept their fishing to a minimum.

They were back in Salem Monday after the two-weeks outing.

Man Reports Key to Bahama Murder Case

OAKLAND, Calif., Sept. 18-(AP)—A frightened, 31-year-old machine operator Sunday told Oakland police he can solve the seven-year-old slaying of a British multimillionaire.

Edward Majava told the officers he knows who bugged down to death wealthy Sir Harry Oakes at the latter's Bahama Island estate in 1943.

Majava was arrested on a drunk charge yesterday. Police described him as "very sober and very frightened" today.

The Finnish-born Majava told them he received a pair of threatening phone calls after reportedly learning the identity of the Oakes slayer from an American society woman in Fort Lauderdale, Fla., two years ago.

"Both times a man told me to keep my mouth shut and get out of town or else," Inspector James J. Mangini quoted Majava. Mangini said the man appeared pale and shaky but answered questions rationally. Majava refused to talk to reporters and covered his face with a sweater when photographers tried to take his picture.

Oakland police withheld the names of the American woman and the murder suspect named by Majava.

The Oakes slaying, on Nassau, a British-held Bahama Island, remains one of the most sensational unsolved cases in years.

Count Alfred De Marigny, son-in-law of the murdered baronet, was acquitted in November, 1943, on charges he clubbed his sleeping father-in-law to death and set fire to the bedclothes.

Stock Market Skims Close to 19-Year High

NEW YORK, Sept. 18-(AP)—The stock market skimmed close to a 19-year high with a small overall rise today.

In its fifth advance in a row the market ran up a new four-year high and fell just short of the best average level since 1931.

Issues with a peace flavor, instead of many recently, popular war babies, were among the favorites. This pattern in the market was pronounced on Friday following news of the successful landings far behind North Korean lines by United Nations forces.

Weekend news told of rapid expansion of U. N. beachheads.

Today's rise was the smallest since the market advanced sharply a week ago and continued to advance.

A substantial number of issues closed with losses, most of them less than \$1 a share. Gains ranged beyond \$1.

For the fifth session running business topped the 2,000,000-share mark. Sales of 2,040,000 shares compared with 2,410,000 Friday.

The day started with a buying rush. Radio-television issues easily took the lead but the rise bogged down almost immediately. After jockeying around a bit the market turned up again and made laboring progress for most of the day. Interest in TV's died away after their initial sprint and in late trading demand slackened in other groups.

The Associated Press average of 60 stocks moved up 2 of one point to 81.9, a top since May 31, 1946. The 1946 high in turn is tops since 1931. The rail group on average touched a 19-year high.

Hearing Set on Logging Accident

A hearing has been conducted on the logging truck accident near Rosedale last week in which an independence man was killed, the state industrial accident commission reported Monday.

Eben D. Watts, 29, the victim, was employed by the Henry Query logging firm which is covered by the workman's compensation act.

Watts died from a neck laceration when his truck plunged over a 30-foot embankment and overturned.

Salem Obituaries

BERNHARD
Ann Bernhard at the residence, Turner route 1, September 14 at the age of 68. Survived by two daughters, Mrs. Louis Eitz of Salem and Miss Estelle Christensen of Portland; one granddaughter, Shores Eitz of Salem; three sisters, Mrs. Hazel Weaver, Mrs. Alice Whitney and Mrs. Mabel Halford, all of Portland. Portland Livestock

PORTLAND, Sept. 18-(AP)—(USDA)—Cattle salable 1,800; market uneven; cows generally steady-strong; steers slow, steady to weak with some unsold at noon. Few high good 4-F steers 21.50; load high-medium 1,025 lb grain on grass steers 20.00; medium-good feeders 22.00-75. Medium grass heifers 25.00-27.00; common 21.00-25.00; cutter-low common dairy type heifers 11.50-20.00. Canner-cutter cows mostly 15.00-17.50; shells down to 14.00; common-medium 25.00; odd head 28.50; common-medium beef cows 19.00-21.00. Good bulks 25.50-sausage bulks 21.00-24.50.

Calves salable 350; market moderately active, steady. One lot good 410 lb stock calves 31.00; good light vealers 30.50; bulk good vealers & light calves 22.00-25.00; medium 24.00-27.00; common 18.00-22.00.

Hogs salable 600; market active, around 50 lower. Good-choice 190-230

Rites Held for Commander of Union Veterans

PORTLAND, Sept. 18-(AP)—Funeral rites were held today for Theodore A. Penland, the last Commander in Chief of the Grand Army of the Republic. The body was clad in the blue uniform of the Civil War Union Veterans' organization.

Penland, 101, died last Wednesday. He had joined the Union army when 16, after the death of his father in service and upon learning other relatives were prisoners of the Confederate army. He had served with the 152nd Indiana volunteers.

Bean Futures Drop Sharply

CHICAGO, Sept. 18-(AP)—The first trickle of new crop soybeans to show up at terminal markets helped to send bean futures down sharply on the board of trade today.

At one time losses ran to more than 6 cents in the bean pit, but a nice rally in the last half hour cut that decline about in half. Soybeans set the pattern for the rest of the market, which was off quiet a bit most of the day only to recoup some lost ground toward the finish.

Wheat closed 4/8-1 1/4 lower. Corn 1 1/4-1 1/2 lower. Oats 1/2 to 1 cent lower, rye 1 1/4-2 1/2 lower, soybeans 3 to 3 1/2 lower and lard 10 to 40 cents a hundred pounds lower.

The bulls in wheat were disappointed by failure of Great Britain to take any cash wheat, as has been expected. According to reports, both Canada and the United States swamped Great Britain on its call for offers of wheat over the week end.

"Manzai" is the Korean equivalent of the Japanese "banzai" cheer.

Roundup Date Draws Rebuke At Pendleton

PENDLETON, Ore., Sept. 18-(AP)—The Pendleton Round-up's expected to be a Sunday show and August dates likely will not be repeated, an official said here today.

Berkeley A. Davis, Round-up association vice president, told the Chamber of Commerce that the earlier dates and the sabbath performance likely were responsible for the low attendance this year. Members of the chamber said they likely would recommend to the association that next year's show be held in September, and that there be no Sunday show. The association usually follow the wishes of Pendleton business men.

Davis said the 1950 show paid for itself, but did not return enough to pay anything on a \$19,467.67 indebtedness for improvement and maintenance under way since 1944.

Pari-mutual racing, also an innovation this year, operated \$521 in the red, Davis said.

Colleges Report Lower Enrollment

PORTLAND, Sept. 18-(AP)—Two Portland colleges met first classes today, with reports of lowered enrollment.

Thirteen-hundred students attended class at Portland university, a drop of 600 from last year. Lewis and Clark college reported 1150 registrants, 150 lower than last fall. The Korean war and the draft were held responsible for the decrease.

IT TAKES MY KEY to open part of the bank!

You learn something every day. For instance, until the fellow at the safe deposit vault at First National told me, I never realized that I have the *only keys* to my particular safe deposit box. Sure, his key... he called it a guard key... is necessary to open it, but it takes mine, too, to work the double lock. Proved to me that the things in our safe deposit box are protected... and private!
