County Judges Discuss Road, Tax Problems

Changes in the state tax structure and federal aid for roads were included in business discussed at a meeting here Wednesday of six county judges from this district.

Members of district 5 of the Association of Oregon Counties, the judges and county representatives met in the Marion county courthouse. The meeting was a preliminary one to the association's state convention November 15 to 17 in Portland.

B. J. McClarty, U.S. bureau of public roads engineer, spoke on the recent changes in federal assistance. Because of the present war emergency McClarty said federal aid program priority was being given to roads which would help in defense and civilian needs.

He said counties are being given a stronger voice in determining their federal aid program. He noted that counties also will be held responsible more and more for maintenance of federally constructed roads.

Tax changes discussed in the afternoon program included:

A proposal to repeal the elementary school fund and let school support be cured for by other state funds. The elementary school fund is supported by a county levy of \$10 per school child.

An amendment to the 6 per cent tax limitation law which would permit appropriation of money for public assistance outside of the limitation figure.

Repeal of the state property tax law.

These measures were discussed and no action taken on them. Other speakers on the agenda included Fred Hageman and John Catrall, both of the state highway department, who spoke on Oregon's share in federal aid to roads.

Benton County Judge George McBee of Corvallis, district president, presided. Other judges present included Grant Murphy of Marion county; E. G. Arnold of Albany, Linn county, and C. F. Hayes of Dallas, Polk county. Judges from Lincoln and Lane counties were not present.

station responded. They said the blaze started while Williams was working on the truck with a blow torch while it was parked near his home. Damage was estimated at \$2,000.

County Judges of District Meet

Members of six county courts discuss road programs and problems above as they met Wednesday in Salem for their district of the Association of Oregon Counties. The county judges and commissioners had many problems concerning their own and all five counties to iron out. Seated in the more comfortable chairs of the circuit court jury box are, in left row, front to back, L. G. Raish, Lane; Floyd Jenks, Linn; W. E. Downing, Linn; C. L. Burbank, Polk; Walter Schmidt, Benton, and Judge E. J. Arnold, Linn. Right row, front to back, Judge Grant Murphy, Marion; Ed Rogers, Marion; W. J. Holland, Lane; Judge C. F. Hayes, Polk; O. B. Kyle, Benton, and Roy Rice, Marion. Presiding were County Judge G. I. McBee, Benton, and F. L. Philips, state executive secretary. (Statesman photo.)

Police Radio Given Civil Service Status

Salem civil service commission Wednesday decided to place under regular civil service status the communications section of the city police force.

Status of the police radiomen pleaded guilty to charge of driving while intoxicated, continued to September 21 for sentencing, held in lieu of \$350 bail.

Murel Cluck, 2173 N. Front st., charged with drawing a bank check with insufficient funds, received 60-day jail sentence, placed on probation for one year.

Alfred Ecker, Monroe, charged with burglary not in a dwelling, released to custody of U. S. marshal.

has been in doubt, although most of them had entered the police force as civil service patrolmen. The radio operators now will have full civil service rights and eventually a civil service examination will be prescribed for the section.

The matter came up when the commission, headed by W. J. Entress, confirmed the military leave for Herman Doney, radioman now on active marine duty. He has been replaced by Edwin G. Burke, formerly a patrolman.

Commissioners also confirmed some fire department changes, including battalion chief promotion for William Hunt, captaincies for Walter Mills and Fred Hunt, probational appointments for Cecil Billings and Allen K. Megquier.

Power-Packed Silver Streak Engines—Choice of Six or Eight
World Renowned Road Record for Economy and Long Life
The Most Beautiful Thing on Wheels

If you were to sum up, in one word, the complete story of the new Pontiac, no word would fit so precisely as "wonderful."

It's the most natural thing in the world to describe Pontiac's rare beauty as "wonderful." No other word seems to quite do, either, for the luxurious comfort and appointments in Pontiac's big new Bodies by Fisher.

And on the road, Pontiac just naturally accepts superlatives—because it is such a eager car, such a relaxed, easy-striding performer—for such a long, long time.

Perhaps the most "wonderful" thing of all is Pontiac's price—so low that virtually nobody seriously challenges the idea that dollar for dollar you can't beat a Pontiac!
