# **Soviet Papers Cite 'Atrocities' By Americans**

By Thomas P. Whitney MOSCOW, Sept. 24 -(AP)- The Soviet press reported today a fierce defense battle is still raging for Seoul.

North Korean communiques reproduced here said units of the 'people's army" were repelling "violent attacks of the enemy." The civil population as well as troops, the communiques said, were showing "unprecedented heroism" and inflicting heavy losses on attacking infantry, tanks and planes.

All Soviet papers printed a re-port from the communist New China news agency alleging that American planes made "new pro-vocatory" attacks on Chinese territory Saturday.

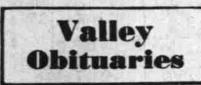

The report said one plane strafed the village of Lakushao near Kwantein, and another plane bombed Antung 15 minutes later, wounding three Chinese. Antung is near the southern end of the Manchurian-Korean border.

A Soviet new agency dispatch from Pyongyang, North Korean capital, quoted a government investigating commission as charging that American troops engaged in "inhuman atrocities," including the rape of women and the mass killing of innocent civilians.

The commission's report charged American troops, with the as-sistance of South Korean forces, machinegunned and killed 17,800 "civilian patriots" in Suwon, Taejon, Chungju, Chonju and Chunju during their long retreat.

American "imperialists," the re-"barbarous bombing" of undefended towns and villages, and "to a considerable degree; have wiped out the basic industry of Korea. God church in Salem.

declared. "It can be subject to grave abuses in administration.

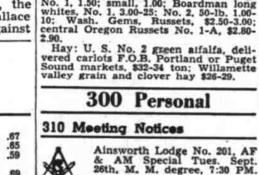

"If an abuse occurs that will be the time to correct it."

Morse, whose senate seat is being contested by Howard Latourette, was en route to Oregon from the AFL convention in Houston, Texas.

Blessing to Anti-Red Law SOUTH SALEM, N. Y., Sept. 24 -(P)-Henry Wallace said tonight the new anti-subversives law ex-pressed "the sentiment of the people" in a "time of crisis." "The all-important thing," he added in a statement, "is to re-peal it when the crisis is ended." The former vice presidential candidate, who once urged peace talks with Russia but now backs the United States' stand on Kor-ea, called the measure "an ex-treme step" caused by a crisis. "Undoubtedly the passage of this legislation reflects the ser-iousness of the times," he said "Whenever a people feels itself" called upon to make a supreme effort, it always sacrifices many personal rights." "The greater the sacrifice," Wallace continued. "As we fight against"
