

Willamette Valley, Ya-Wa-Ma Loops in Grid Action

The 16 football playing members of the Willamette Valley and Ya-Wa-Ma athletic leagues go postwar again today and tonight in a wide assortment of games. Clashes of the crucial variety are sparse in both loops however.

Top tilt in the Willamette Valley is due on the Estacada greensward tonight when the Hangers, now tied with Woodburn for first place in the circuit, play host to the Canby Cougars. Mary Goodman's Cougars are in second place but have plenty of ball club to kyo any other member of the league. Don Bryant of Estacada is well aware of this and openly predicts the Cougars will squish his light Rangers.

Chuck Sheron's Bulldogs, after

spanking both Canby and Silverton as starters, figure over Gene Barrett's Preps in another night mix at Mt. Angel. The Preps were licked by Estacada 25-0 last week. Always a hustling outfit, the Preppers could pitch quite an upset into the chase via a surprise victory over Woodburn.

Muri Anderson's Silvertons, another hustling outfit that isn't nearly as bad as its record indicates, goes to Molalla tonight and will find themselves overfought by Al Groves' Indians. Molalla went down 14-0 last week at Sandy while Silverton was bowing to Woodburn. The fourth game of the round puts Ken Jacobsen's Dallas Dragons at Sandy, favored to nip the Pioneers. Dallas wasn't as sharp last week as it was the week before when the Dragons downed Silverton 19-0, and consequently took a 6-0 bouncing from Canby.

where Banks high looms as the cream of the lot after tallying 101 points in two games. It will be Sherwood at Banks, Sheridan at Yamhill and Willamina at Dayton on Friday league play. North Marion steps from the league to play host to Joe Boyle's Stayton Eagles, and Coach Hal Ellmers' Marions will be after an upset victory. Their first of the campaign Amity goes to Aleson for another non-league skirmish.

On the basis of their showings in the first two rounds of play, Willamina, Banks and Sheridan should have little trouble in registering more wins Friday.

Bearcats Set For Whitworth

(Continued from preceding page) that drew national recognition last season.

The Whitworth "T", incidentally, has been fashioned from that used by the College of the Pacific when Eddie LeBaron quarterbacked the COP's.

The Pirate line is a solid 200-pound item either offensively or defensively and has a number of veteran campaigners in it. In the backfield with Kretz are Cliff Cross, Ollie Wright and Truman Elliott, a trio of quick-hitting backs.

Few changes in the Bearcat starting lineup are contemplated by Coach Chester Stackhouse. John Skimas and Buz Ording are scheduled to go as ends, with Art Beidoe and Dorrance Noteboom as tackles. John Markoskie and Capt. Chuck Bows as guards and Jack McMaha as center. In the backfield it will be Charles Koani or Al Minn at full, Don Humphreys, Bob Taylor, Keith Sperry or Bill Ewaliko as halves and either Bruce Jarman or Rick Bingham at quarter.

Viks, Bears in Bend Clash

Salem's Junior high school football league enters the second week of play today with a pair of games booked for the West Salem and Leslie fields.

Coach Bill Hanauska's West Salem Giants make their 1934 debut in the former, taking on the Parrish Cardinals at 3:45 o'clock. Bob Metzger's Cards last week thumped the Leslie Golds 40-0.

In a 6:30 o'clock game tonight at Leslie the Parrish Greys tangle with the Leslie Blues. Clay Eggeston's Greys last week were trimmed by the Leslie Blues. Lou DeLoretto's Golds went down 40-0 to the Cards. The Blues are idle this week.

Sunday Races Are Canceled

No more auto races this season at Hollywood bowl. This announcement was made yesterday by Valley Sports promoters after they canceled the scheduled "hard top" program for next Sunday afternoon. The bad weather and no sign of a break in it forced the cancellation.

A wide assortment of roadster, midjet, stock car and "hard top" events was produced at the bowl during the season, and next year the sponsors hope to again present speed programs in the big arena.

GENERAL FLIP WINS

Fifteen-pound Silver Landed Also

Was that all? No... that wasn't all. Bill Coon and son Ronnie, both of Salem, pulled up in Bill's new boat just as we were gaffing the chinook. Bill made a couple of casts and bango... bingo... he tied into a 15 lb. silver which was duly landed by Ronnie and Co. Bill "Top Hat" Coon was also using a spinning outfit, which made it a field day for the spinning boys.

Well, anyway... our two fish were the first caught that morning even if they didn't hold up in size very long. We sort of scratched around and covered them with leaves so no one would notice the little ones. We gave up trying to attract attention by... "Hey! fellows, didja see the two nice ones I caught?" After several attempts with no one paying any attention we felt like tossing them back in the bay. It's easy to separate the men from the boys when it comes to salmon fishing. If Conrad Prange, who is a traitor for refusing to shoot the democrat mule, will loan us some of his rompers and marbles we'll play a game of big ring with him. In the meantime, while Lightner looks for his favorite taw, let's keep our fingers crossed for the winter months.

Looks like the fish are really in now and as soon as the deer hunters get out of the woods there should be some whoopers taken from the coastal streams and some whoopers told around the sporting circles. None yet to beat the one about the salmon that was caught on a spark plug last year. 'Tis a fact.
