## Late Selling Checks Stock **Gain Efforts**

By Radar Winget NEW YORK, Oct. 5-(AP)-Stocks tried valiantly to get ahead today under the leadership of motors and steels but the market fell vic-tim to last minute selling that forced losses running to around a

Caterpillar .... Steels alone stood higher among the major groups. Motors were unchanged. Lower were rails, oils, Chrysler ..... Con Edison ..... metals, motion pictures and utili-Cans Vultee ... Crown Zellerback 43 Penney

That doesn't tell the whole story of the day-of the 15 most active ssues, only two ended lower. And a number of individual stocks showed independent strength based on corporate developments.

Prices - with the exception of steels and motors—started sinking before the end of the first hour and continued throughout the session.

It was only the close of the final hour that selling spread its heavy hand to motors and erased all their

gains and cut back the peaks of the steel rise.

The Associated Press average of 60 stocks fell back 50 cents to \$34.00. The industrial component was off 50 cents, rails 80 cents and utilities 30 cents. The volume of business was 2,-

490,000 shares, a contraction from yesterday's 2,920,000 shares when the market was advancing briskly.
