Select Buying Slows Stocks

NEW YORK, Oct. 20—(AP)—Stock buyers took an interest in a small group of low-priced issues today and let the rest of the market settle gently lower.

Only two of the 10 most active shares sold above $20 a share — and those two closed with losses. One of the eight others was cut in price.

Losses outnumbered gains by a substantial margin at the final bell. Changes were limited to less than $1 a share for the most part although there were several major exceptions.

The volume of business dropped below the 2,000,000 share mark for the first time in four sessions. Sales of 1,840,000 shares compared with 2,250,000 Thursday.

Second Letter Enters New York Squabble

NEW YORK, Oct. 20 —(AP)— A two-year-old letter written by Sen. Herbert H. Lehman (D-NY) in defense of Alger Hiss injected a new twist into New York's explosive political campaign here.

It came out amid a furor over another letter, written by Lt. Gov. Joe R. Hanley, Lehman's republican opponent, which the democrats claimed showed Hanley was being "paid off" to run for the senate instead of the governorship.

Lehman's letter was published in the New York World-Telegram and Sun, and Lehman promptly issued a statement saying he had no apology for it.

He pointed out that it was dated August 6, 1948—more than a year before the conviction of Hiss on perjury charges.

Hiss, former state department official, was sentenced to five years in prison last January after he denied under oath that he slipped government secrets to a Russian spy ring. He has appealed.

Lehman's letter was written the day after Hiss appeared before the house un-American activities committee to deny any connection with the prewar spy apparatus. His accuser then, as in his trial, was Whittaker Chambers, admitted ex-courier for the espionage ring.

Lehman wrote at that time:

"Your statement yesterday before the committee was forthright and complete, and I hope that your denial will catch up with the unfair accusations that have been made. You have been very badly treated."

Wheat Leads Grains Higher

CHICAGO, Oct. 20—(AP)—Wheat forged a couple of cents higher on the board of trade today, leading all grains upward.

Sale of a small amount of wheat to Holland overnight, and the belief Mexico would take slightly in excess of 1,000,000 bushels late today, spurred buying in the bread grain.

Wheat finished 1⅝-2¼ higher, corn ½-¾ higher, oats ⅜-¾ higher, rye ⅝-⅞ higher, soybeans 2 to 3 cents higher and lard 28 to 40 cents a hundred pounds higher.
