

Perfect Records Will Be Scarce For Teams in Annual Bowl Games

California In; Others in Doubt

Seven Major Teams Remain Undeclared

NEW YORK, Nov. 12.—(AP)—Perfect records will be scarce as the bowl games and, as matters stand now, the post-season business will add little light to the scramble for national honors.

Of the seven major teams able to answer today to the roll call of unbeaten and untied, two—Army and Princeton—are allergic to bowls and a third—Oklahoma—appears to have had enough of them.

Oklahoma authorities, in announcing opposition to a post-season game this year, left the way open, however, for the players themselves to make the final choice.

Virtual clinch—California. Strong bets—Kentucky, Wisconsin, Texas.

Good bets—Illinois, Tennessee, Clemson, Miami (Fla.). Fair bets—Southern Methodist, Washington and Lee, Wyoming, Loyola, Nebraska.

California's Golden Bears, for all practical purposes, locked up their third straight Rose Bowl bid by overwhelming UCLA yesterday, 35-0.

California's foe probably will hinge on the outcome of the big Ohio State-Illinois battle Saturday at Champaign, Ill.

Kentucky took another stride toward the Southeastern Conference crown and Sugar Bowl by walloping Mississippi State. But after North Dakota this week the Wildcats get rugged Tennessee, and the Vols stand a good chance of wrecking the Kentucky play-house.

Texas could already be making plans to play in the Cotton Bowl at Dallas were it not for the Nov. 20 game with Texas A. and M. The Aggies smacked SMU, 25-20, to remain definitely in the Southwest race.

Pacific Next For Bearcats

An injury-plagued Willamette University football squad knuckled down to drills today in preparation for its final game of the season Saturday night against Pacific University at Forest Grove.

Eight regulars from the Bearcat eleven are doubtful starters for the Pacific encounter. Bill Ewaliko, Al Minn, Jim McHale and Paul Jewell joined the injury roster as the result of bruising action in Saturday's loss to Whitman college at Walla Walla. Sidelined previously were Charles Bowe, Charlie Nee, Bob Hall and Keith Sperry. Both Bowe and Sperry saw limited action in the Saturday game.

Pacific, with a 5-win, 3 loss season today, has defeated both Linfield and Whitman, victors over the Willamette squad. They lost to Lewis and Clark, Pacific Lutheran and College of Idaho. Other victories were over Western Washington, Chico State and OCE.

Despite the heavy loss to injuries suffered by Coach Chester Stackhouse's team, the two are expected to be about on par for Saturday night's encounter. Reserves showed into the breach in the Whitman game produced well and may carry much of the brunt of the final game of the season, Stackhouse indicated Sunday. Stackhouse singled out Little Ray Osuna and Bob Taylor for praise in the Walla Walla game.

Vikings May Have All-Vet Ace Highlights Quint in Starting Lineup

An all-veteran starting lineup is likely for the Salem Viking basketball team when the court season gets under way, Coach Harold Hauk indicated Sunday.

Six veterans of Salem's 1950 state championship club—Larry Baggett, Dave Chamberlain, Don McKenzie, Larry Paulus, Wayne Walling and Deb Davis—are back and five of them will furnish the playing nucleus for the 1950-51 squad. Chamberlain is the lone starter from last year's club.

Up from last season's junior varsity squad are Merle Baumgart, Don Blischke, Bob Hazel, Elmer Haugen, Gene Jones, Steve Merchant, Larry Scheelar, Burt Harp and Conder. Scheelar is expected to add needed height to the 6-foot plus average of the starters with his 6-3 frame.

The 1950 sophomore squad adds Jack Bishop and Don Heston, and Jack Bishop, Jack Cobb and Bob Miller are up from the junior high school ranks.

Hauk expects to trim this squad to 15 after Thanksgiving Day when Loren Mort will take over the Junior varsity and Ken Brophy the sophomores. He plans to chop it to 10 or 12 after the first of the year.

Working in the No. 2 team against Baggett, Chamberlain, McKenzie, Paulus and Walling have been Blischke, Hazel, Scheelar, Bradt and Cobb. Conder, Haugen, Davis and Jones are expected to join the drills this week with the close of football action. The Vikings get their first taste of real competition December 8 when they meet McMinnville in an encounter here.

Injury Checks Victory Run

AGUA CALIENTE, Mex., Nov. 12.—(AP)—An injury today interrupted Jockey Willie Shoemaker's record-breaking pace for America's 1950 jockey championship.

Shoemaker's foot was caught against the starting gate when Mosaic, his eighth mount of the day, reared completely over.

Shoemaker was taken to San Diego for x-ray examination, his plan to ride in 10 races given up. The 19-year-old El Paso, Texas, rider had increased his 1950 victories to 326 with two wins before the accident.

Tillamook Man Cited After Wreck

H. E. Yancey, Tillamook, was arrested by Salem police Sunday on a charge of following too close after his car was involved in a four-vehicle accident, in the 900 block on North Capitol street.

Yancey posted \$10 bail. Officers said damage was minor on all the autos.

Rollin' Along

(Cont. from preceding page) For the Bearcats, it can be said that they took a staggering blow within the first two minutes of the Walla Walla contest as they lost both Paul Jewell and Bill Ewaliko via injuries. Jewell and Ewaliko, along with Bob Hall, are rated as probably the strongest Willamette defensive corps—and Hall didn't play at all Saturday because of a previous injury. The loss of Jewell and Ewaliko shot the 'Cat aerial defense full of holes and made it possible for Cal Boyes to rifle those two last-quarter touchdown passes which sewed up the contest for Archie Kodros' boys.

Whits Just Exploded

But there is another interesting point to this Saturday game at Walla Walla. The last-half Whitman 30-point burst, was a prime example of how a ball club can explode, can catch fire. And such an explosion arises from a team's being extremely high psychologically speaking. The Whites have been no great outfit this season but the spark was certainly applied to 'em Saturday in this annual WU mix which is the one the Missionaries always want most to win.

Been an Odd Season

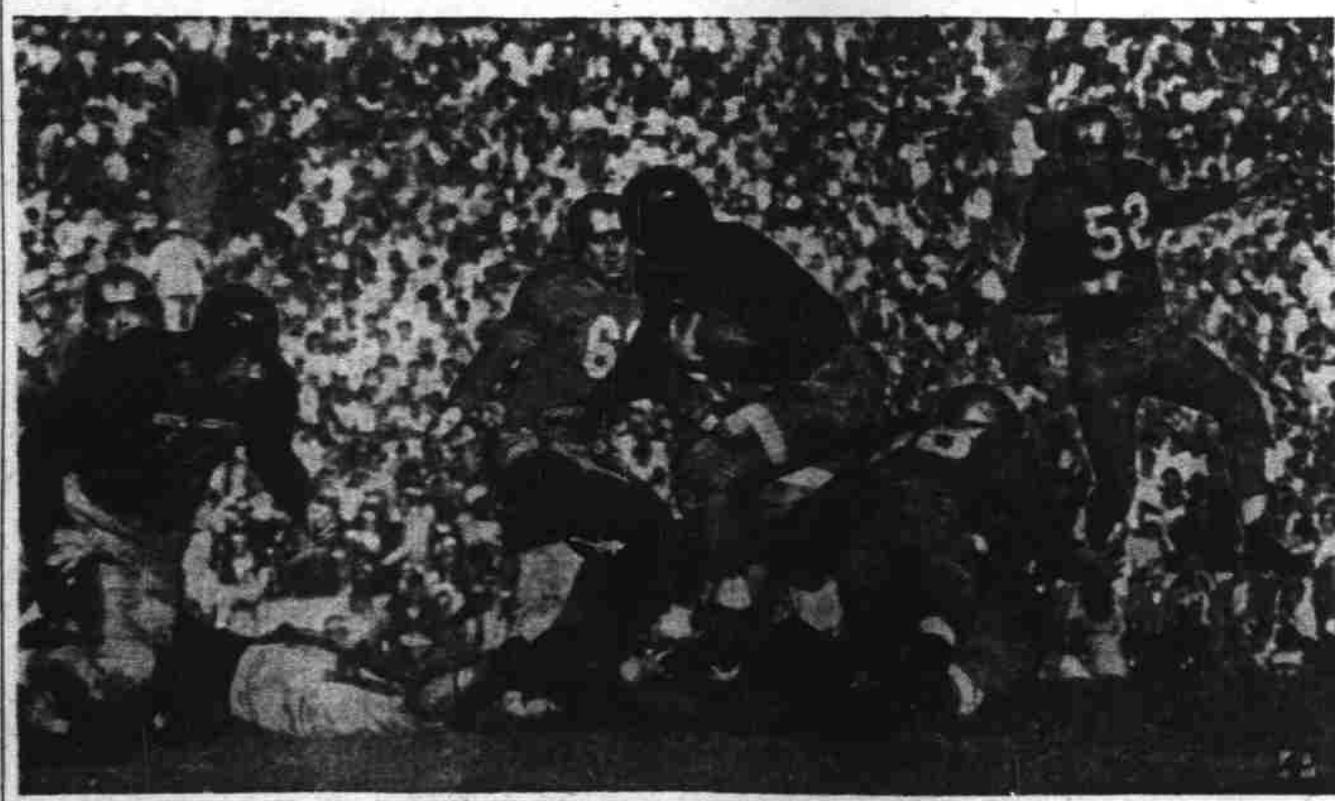

It has been a strange season for Coach Chester Stackhouse

and his Willamettes. Up through the middle of October the 'Cats had one of the top small-college records on the coast what with a string of four straight wins over Central Washington, College of Idaho, Whitworth and Chico State. Then came the 21-21 tie with Hawaii U which could have been termed a moral victory for Willamette since they outplayed a favored Rainbow club. Since then the Bearcats have been unable to regain the victory column, though they tied CPS 0-0. The losses have been to Lewis and Clark, Linfield and now Whitman. The WU's held the tremendously favored LC's surprisingly well, the Linfield tilt was so close it could have gone either way and the Whit result was just one of those things.

—And Injuries Hurt

Looking back, it seems perfectly in order to blame injuries for a large share of the 'Stackhouse's' late-season misfortunes. In the latter part of the campaign at least two key men have been missing from the lineup in each start. And then there is the guy from way out yonder who pipes up with: "Hey! Maybe it all can be blamed on those black cats!"

Good for 12 Yards

Pete Schabaram, University of California right halfback, is stopped in the third period after a 12-yard gain against UCLA in game played at Berkeley, Calif. No. 77 is Bob Bagley, Cal right guard. No. 52 is UCLA's Breck Stroschein, tackle. John Smith, UCLA fullback, made the stop. Bears beat UCLA Bruins 35 to 0. (AP Wirephoto to The Statesman).
