

6 Important reasons why a SAFEWAY TURKEY is your BEST BUY!!

1 IT'S U. S. GRADE "A"

Safeway sells only U. S. Grade "A", Government inspected turkeys. These birds were developed especially for GOOD EATING!

2 IT'S EVICERATED

Safeway turkeys are completely dressed and drawn—THOROUGHLY cleaned—stripped of all waste parts. You pay only for the parts you eat.

3 IT'S VACUUM PACKED

Safeway turkeys are packaged in an air-tight, moisture-proof casing. There's no drying out or shrinking. THE SECOND SKIN SEALS THE FLAVOR IN!

4 IT'S READY TO COOK

These turkeys are REALLY clean. Hardly a pin-feather to pluck. No cleaning inside or out. Safeway turkeys are sold ready to stuff and roast.

5 SATISFACTION GUARANTEED

Cook a Safeway turkey by your favorite method. If it fails to please you we'll return every penny you paid for it. You must be pleased, or money back!
