No Order Yet Given On Bomb

WASHINGTON, Nov. 30-(AP) President Truman said today the United States will fight on in Korea with every means at its disposal — including the atom bomb if necessary—to keep Red aggression from spreading to American shores. U.S. Eighth Mans New Defense Line

With the exasperated air of a man near the limit of patience, Mr. Truman said this country has made every possible effort to head off a third world war.

He said these efforts will con-tinue and he hopes they will suc-

But he declared in a formal statement that "we are fighting in Korea for our own national security and survival," and he told a tense, crowded news con-ference we will use every weapon That includes the atom bomb,

the president said crisply in answer to a newsman's question. And thus he touched off a flurry of confusion that didn't end until the White House, three hours later, issued a statement saying the use of the bomb has not been authorized so far and that the president's comments "do not represent any change in this situa-

Mr. Truman said, and repeated, in answer to questions hurled by some of the 208 reporters present, that the use of the A-bomb in Korea always has been under active consideration.

In a voice charged with emotion, he said he doesn't want to see it used. It's a terrible weapon, he said-one that doesn't spare innocent men, women and chil-

Asked if the use of the bemb would depend on United Nations permission, the president said no, he didn't mean that at all. He said the military commander in the field-Gen. Douglas MacArthurwill have charge of using all weapons, as he always has.

This remark, which seemed at first to mean that MacArthur would have the say on whether to use the bomb, led British officials in London to express shock and astonishment. 'MacArthur's political judgment has been questioned in some British quarters in recent days.

The White House statement made it clear, however, that Maceighth army successfully eluded a Arthur has not been empowered to use the A-bomb.
"By law," the statement said in

U. S. 24th infantry division were part, "only the president can authorize the use of the atom bomb and no such authorization has been given. "If and when such authorization

should be given, the military commander in the field would have charge of the tactical delivery of Today the president said it's en-

tirely up to the United Nations whether the war in the Far East will be carried across the Korean border into Manchuria.

In his formal statement the president declares that in spite of current reverses "the forces of the United Nations have no intention of abandoning their mission in Ko-

Mr. Truman said it now is neeessary to build up our military strength faster than we planned to do before the Korean crisis.

Mr. Truman's temper flared when reporters asked about European criticisms of MacArthur's eneralship. There's been some of that in the

American press, too, he snapped. It's always that way he went on some people are with a man when he's winning but jump on him when he's not,

MacArthur has done a good job and is continuing to do a good job,

As for reports that MacArthus went beyond his U.N. instructions

in starting the ill-starred end-thewar offensive: He did nothing of the kind, the president said tartly. He said every

move MacArthur made was theroughly discussed with authorities in this country every day. His voice crackling with anger, Mr. Truman said there's entirely

too much unfounded criticism of public figures in this country and not enough confidence in gov-

On-ce the defense is cracked the at-ton Churchill and Foreign Secre-fighting forces to halt aggression, State tackers can pour through the gaps tary Ernest Bevin. The president's but it remained to be seen whether the assembly would go that far. May Limit to Appeal

The 60-nation body might limit its first action to an appeal to the Chinese reds to withdraw from Korea or face world-wide condemnation as aggressors.

Malik cast the veto in the security council after the Chinese communist representative Wu Hsiu-chaun bluntly told U.S. Delegate Warren R. Austin:

"I must tell you, your threats do not frighten anyone.' Wu referred to Austin's warning yesterday that the Chinese

risk a third world war in their big Korean offensive. The stony - faced communist delegate also rejected a last-minute appeal by Britain's Sir Glad-

wyn Jebb.
"Before the Peiping government makes any irrevocable decision. I would ask them to think many times," Jebb said quietly. "Passion is a bad counsellor; advice from interested sources may be a Dies in Oregon worse counsellor still."

Yugoslavia's Ales Bebler spoke in support of the six-power demand, but he also suggested that The nation's third oldest Union additional victims. the Chinese reds and the western powers might work out a compromise solution on Korea if they got together to talk over the question of Formosa.

A-Bomb Suggested By Korean President

SLOUL, Korea, Friday, Dec. 1-(AP)-Syngman Rhee, president of the Republic of Korea, suggested today that "old style" atom bombs might be used in North Korea af-ter warning the Chinese communists to withdraw.

Rhee said in an interview that he had been considering appealing to President Truman for use of the atom bomb. "Old style atomic bombs could be dropped in North Korea after warning the people to evacuate south," he said.

Air Force Mum On Atomic Bomb **Delivery Query**

WASHINGTON, Nov. 30 -(AP)-The air force declined today to say how quickly it could deliver an atomic bomb if called upon to How quickly such a bomb could

be dropped on a target in North Korea or Manchuria depends largely whether or not the U.S. keeps any A-bombs in the far east. This is a secret, which responsible officials will not discuss State Sen. Rex Ellis, Umatilla publicly.

maintained in a state of instant readiness. One of its huge B-36 bombers could fly directly from the United States to Korea in about 24 hours.

some provision would have to be 10 Christmas made by the legislature for covering the cost of these laws and a sales tax appeared the most feasible at this time. The Umatilla sen-**Shoppers Die** ator said he had discussed his proposed amendments with several legislators in different parts of the In Store Fire

HALIFAX, N. S., Nov. - (AP) -Firemen dug the bodies of 10 Christmas shoppers and clerks tonight from the smoldering ruins of a department store gutted by a \$500,000 fire. Firemen still were searching the

debris of the four-story building on downtown Barrington street for The fire, said to be the city's vorst since 1929, was reported to

have started when a window dresser was setting up an electrical pany C, 57th Indiana infantry and yuletide greeting. Moments later sheet of flame enveloped the Thralls, Born Jan. 16, 1844, was front of the 57-year-old building. Soon after an explosion from within the building shattered glass over the street.

A spokesman for the fire marshal's office said the building had no rear door and no sprinkler system.

The fire burned for six hours before it was quelled.

Authorities believe about 30 persons were in the store (Kays, Ltd.) when a display window burst into flames. The fire spread quickly and cut off the main entrance.

Ronald Mulholland, 16, led five persons to safety by leading them to a roof over an adjoining build-

Bridge Rites Dates Set for December 16

The new Willamette river bridge at Independence will be ready for traffic, and virtually complete, in time for dedication rites tentatively set for December 16 or 17.

The dates were the subject of a meeting of representatives from Salem, Independence and other affected communities. The actual Air force officials said that the date is to be fixed by Clay Cochstrategic air command, which is based in the United States and merce manager, and Mike Walker als has bombers in England, is of Independence, dependent upon when Gov. Douglas McKay and members of the state highway

commission can attend. Details of the program have not been worked out.

Queried as to possible improvement of the Salem-Independence highway leading to the new span, Marion County Judge Murphy reiterated that the project was next on the county's program for any state or federal aid. He said it could not be done without such

U.S. Casualty Total in Korea Up to 31,028

WASHINGTON, Nov. 30 -(AP)-Total announced American casualties in the Korea war mounted to 31,028 today. A single week's combat added 1,032 to the list.

The defense department's summary of U. S. losses included all casualties where the next of kin had been notified through Nov. 24. In some cases there is a lag of several weeks before the death, wounding or capture of a serviceman can be verified and relatives notified.

The list showed 5,307 deaths, 21,114 wounded and an overall total of 4.611 missing. In the latter category, founr have been definitely ascertained to be dead, but are listed under both dead and
