**JERGENS
Colognes**

Three deliberately flirtatious
colognes to set the mood
for romance . . . subtle scents
that linger . . . reminding
him delightfully of you. If you
would be lighthearted,
wear gay, fresh Morning Glory.
Vivacious . . . then spicy
crisp Pink Frosting is your
fragrance. Zis, a bit daring, is
bewitching and sensu-
ous. Choose your fragrance
to keep him remembering.
