

Agreements Reached On 13-Point Strategy

(Story on page 1)

WASHINGTON, Dec. 8-(AP)—President Truman and Prime Minister Attlee today issued a joint British-American policy statement, saying their countries would act together to meet communist threats.

The formal announcement mentioned these points on which the president and Mr. Attlee agreed on behalf of their governments:

1. Economic and military aid to the non-communist nations in southeast Asia will go forward despite the communist onslaught against Korea.
2. The United States and Britain will act together with resolution and unity to meet the challenge to peace which recent weeks have made clear to all.
3. "We are in complete agreement that there can be no thought of appeasement or of rewarding aggression, whether in the far east or elsewhere. Lasting peace and the future of the United Nations x x x depend upon strong support for resistance against aggression."
4. Although both Nationalist China and the Chinese Communist regime are reluctant to let the United Nations consider Formosa's future, "consideration of this question by the United Nations will contribute" to peace and security.
5. The United States opposes and continues to oppose admission of Red China to the United Nations while Britain "considers its (the Red Chinese) representatives should occupy China's seat." But they are "determined" this split will not hurt their "unified effort."
6. "Every effort" must be made to end the Korean fighting by peaceful means but only "on the basis of a free and independent Korea. If the Chinese on their side display any evidence of a similar attitude, we are hopeful that the cause of peace can be upheld."
7. If the Chinese Communists reject peaceful negotiation, the United Nations must "decide" what to do, with British and American support.
8. The United States and Britain are in "complete agreement" on the need for immediate action by the 12 North Atlantic pact nations to intensify their defense preparations.
9. The two nations must expand arms production as quickly as possible and continue to work out arrangements for sharing the defense burden.
10. A supreme commander for the combined North Atlantic arm forces should be appointed soon. No mention was made of any selection but General Dwight D. Eisenhower's selection is considered a foregone conclusion.
11. Some kind of international

'Other Parties' Linked With Dewey Slaying

PORTLAND, Dec. 8-(AP)—A Portland newspaper said today that Sheriff Earl Anderson of Clark county, Wash., had left yesterday to get more information on the slaying of Jo Ann Dewey last March. His destination was not disclosed.

The Oregon Journal said Anderson left with a deputy, "possibly to question a man" in connection with the girl's death. The Journal added that Anderson said he is convinced Utah and Turman Wilson are guilty, but that he apparently believes other parties were involved.

The Wilson brothers, now in jail at Vancouver, Wash., were found guilty of killing the girl. Sentenced to die, they have appealed to the Washington supreme court.

Gas Utilities Show Decrease in Sales

Oregon gas utilities, for the 1948-49 fiscal year, sold gas amounting to \$10,123,231, a decrease of 3.6 per cent over the previous year, public utilities Commissioner George H. Flagg reported Friday.

Operating revenues of the Portland Gas and Coke company constitute approximately 86.02 of the total gas utility revenue within the state.

Mickey Rooney, Third Wife Go Separate Ways

HOLLYWOOD, Dec. 8-(AP)—Mickey Rooney and his third wife, the former Martha Vickers, have separated and the actor has gone to Houston, Tex., for an outing, Hollywood sources said tonight.

Rumors that the couple were about to separate were denied recently by both Mickey and his bride, whom he wed June 3, 1949. They have a son, Ted, born last April 13.

ALBINO KOALA—Extremely rare among koalas, this nine-month-old albino, fluffy and white as a snowball, clings to back of its mother in the Taronga Park Zoo, Sydney, Australia.

Army Cancels Yuletide Leave For Soldiers

WASHINGTON, Dec. 8-(AP)—Gen. J. Lawton Collins, army chief of staff, put out the heartening word today that American forces in Korea "will be able to take care of themselves without further serious losses."

He gave that confident forecast to reporters as he stepped from a plane bearing him back from a spot inspection of the battlefield and conferences with Gen. Douglas MacArthur and his field commanders.

Collins said he would report fully, immediately—and privately—on his conclusions to the joint chiefs of staff. His inspection trip was arranged hurriedly a week ago after hordes of Chinese communists had smashed into the United Nations lines and forced major withdrawals.

War Potential Goods Banned From Shipment

WASHINGTON, Dec. 8-(AP)—American ships and planes today were forbidden to carry war potential goods destined for Russia or her puppets.

The commerce department imposed the ban effective immediately. It applies to traffic between ports everywhere in the world.

It rounded out a series of steps barring shipments to red areas from America, via America, or on American carriers, of materials useful for the communist war machine.

Specifically named in the new directive are weapons, fissionable (atom bomb) materials or strategic industrial goods.

Shipments can't even be dropped off by American vessels at non-communist ports if the contraband is to go to the forbidden areas. British Hong Kong and Portuguese Macao, important ports at communist China's door, come within the ban to make sure the goods don't find their way to America's enemies.

A cooperative embargo action was taken at Hong Kong. The British colony added 110 items to the list of those which can not be exported to communist China without license. This will deprive the reds of airplane parts, machinery and other military useful goods. It does not cover rubber.

The move apparently resulted from this country's urging.

Congressmen, principally Senator O'Connor (D-Md.), have complained repeatedly that shipments of military usefulness to the red Chinese have moved from or by way of this country.

Atomic Power Seminar Set for Newspapermen

EUGENE, Dec. 8-(AP)—The University of Oregon school of journalism will sponsor a seminar on atomic power tomorrow and Sunday.

Twenty-four working Oregon newspapermen will meet in discussion sessions with university faculty members here to discuss various aspects of atomic power.

Judge Gives Prisoner Life Request

ALBANY, Dec. 8-(AP)—Circuit Judge Victor Olliver sentenced Robert Nealy, alias Arthur Raymond Maxfield, to life imprisonment yesterday.

Deputy Sheriff George Miller said Nealy admitted he had tried to shoot Russell Taylor, Junction City, at Halsey, Monday night. Nealy pleaded guilty to a charge of assault with intent to kill.

Miller gave this account of events leading up to the attempted shooting:

Nealy stole Taylor's car at Junction City. Taylor saw the car being driven away and gave chase in another automobile, driven by L. H. Woods. They caught up with Nealy at Halsey.

State Patrolman Harry Elmer, who arrested Nealy, said the safety jammed when Nealy tried to fire a pistol at Taylor.

In court Nealy asked for a life sentence, saying "I can't make it outside."

Judge Olliver complied.

South Salem Woman Tags Mrs. Santa

Mrs. Santa Claus slipped Mrs. Dale Wiscaron, 104 1/2 Electric ave., a \$100 bill here Friday night, and the young housewife flashed a \$100 smile right back as she accepted it.

Mrs. Wiscaron won by tagging Mrs. W. H. Baillie, deputy Marion county assessor, who portrayed Mrs. Santa Claus in the holiday shopping promotion.

"I'll use the money to have a marvelous Christmas," said Mrs. Wiscaron. She tapped the incognito Mrs. Santa after the latter had walked about two blocks through crowds that jammed Salem streets and stores last night.

One of last week's \$100 winners, Mrs. John Edwards of 3825 Garden rd., won two smaller prizes this time by tagging Santos from Penney's and Heider's. She won a wool blanket and a \$5 merchandise certificate.

Not all of the many winners of merchandise were reported, but the list included Barbara Dodson, 3640 Cherry ave., who won a rug from Elfstrom's; and Betty Sorenson, 1105 Leslie st., who won a year's supply of nylons from Miller's.

Christmas shopping appeared to be in full swing Friday night and many folks had an armload of bundles. One large store reported sales nearly identical to a corresponding Friday last year.

State Sheriff Group Elects Denver Young

PORTLAND, Dec. 8-(AP)—Sheriff Denver Young of Marion county today was elected president of the Oregon Sheriff's association at the group's annual meeting here.

Young has served as vice president during the past year. Other officers are Norman Field, Sherman county, vice president, and Rupert L. Gilmore, Hood River county, re-named secretary-treasurer.

Paul J. Squier, superintendent of the federal prison at McNeil island and main speaker, told the gathering, "There is no excuse for dirty jails." Elbow grease solves most jail problems, Squier said.

The sheriffs pledged support to the civil defense program now being organized.

Bottle Cheer Heads Pair Back to Jail

A little Christmas cheer and holiday spirits Friday landed two brothers back behind bars 24 hours after their release from the state penitentiary.

State police said Clifford Akerill, 37, and Norman Akerill, 25, brought two bottles of bourbon, wrapped in Christmas paper, to a buddy at the prison annex.

A guard soon found one of the inmates intoxicated. He learned the source of the liquor and notified state police who nabbed the Akerills at the Salem airport. By this time the Akerills, too, were intoxicated.

The brothers, who served two-year terms for larceny, began 60-day sentences Friday night in the Marion county jail. The charge, to which they pleaded guilty in district court, "Outraging public decency and public morals."

Soaring Egg Prices Climb Another Cent

PORTLAND, Dec. 8-(AP)—Wholesale egg prices here are 20 cents above prices a year ago. Grade AA large eggs went up 2 cents a dozen today, only 7 cents below the all-time city record.

Retail prices for AA large now range between 76 and 81 cents a dozen.

Clackamas Growers Top Corn Showing

SILVERTON, Dec. 8—All three sweepstakes trophies in the 10-year exhibit go to Clackamas county exhibitors in the annual Oregon state corn show which opened here today. The show will continue from 9 a. m. until 6 p. m. Saturday.

Open class sweepstakes winner was Roy Heinz, Canby. Ronald Meyer, Canby, took the 4-H trophy, and Ray Diver, Aurora, the Future Farmers of America award.

District winners were:
District one, north-west Oregon: Open class—1—Roy Heinz; 2—Eugene Willbord, Woodburn; 3—John Heinz, Canby; 4—H—1—Ronald Meyer; 2—Gordon Wenne; 3—Michael Harms (all of Canby); FFA—1—Ray Bever; 2—Dick Johnson; 3—Jack Rider (all of Canby).

District 2, central Willamette valley: Open class—1—Raymond Werner, Silvertown; 2—Claude Steuloff, Salem; 4—H—1—Marvin Cagle, Salem; 2—James German, Lebanon; 3—Robert Burge, Albany; FFA—1—Howard Hoven, Salem; 2—Wayne Johnston, Jefferson; 3—William Kergil, Salem.

District 3, southern Oregon: Open—1—Richard Stritzke; 2—Elmer Stritzke; 3—Ed Stritzke (all of Winchester); 4—H—1—George Williams, Talent; 2—Arthur McGehee, Roseburg; FFA—1—Elmer Stritzke; 2—Ed Stritzke; 3—James Fisher, Roseburg.

District 4, eastern Oregon: Open 1—Clifford Harris; 2—George Moeller; 3—Wilbur Stewart (all of Ontario); FFA—Melvin Parcker, Ontario.

Trophies will be awarded Saturday afternoon by Claude Sorenson who also will speak on corn raising. W. R. Tomison will present a special musical number on his bagpipes.

Brownsville Man Victim of Suicide

BROWNSVILLE, Dec. 8-(AP)—Hanley Ross Baker, Brownsville, died here Friday of a rifle wound that Linn County Coroner Glenn Huston said was self-inflicted.

State police said Baker left a note signed "Ross" which said that the rifle was borrowed. Officers said Baker was shot in the head.

Aurora Site Inspected by Top Airmen

CANBY, Ore., Dec. 8-(AP)—A four-man air force selection board, headed by Gen. Carl A. Spaatz, left Aurora air strip for San Francisco today after inspecting the Oregon site being considered for an air force academy.

The 12,000-acre location covers an area about 12 miles long and five miles wide south of here and west of the Oregon City-Silvertown highway.

Spaatz said weather conditions, which are sometimes poor in the state, would be one of the factors to be considered.

The board will narrow the field to six possible locations from a total of 29 throughout the country.

The proposed academy would accommodate some 2,500 cadets, board members said. Ten sites remain to be inspected.

Board members said they had seen nothing to excel the site so far, pointing out that the rolling terrain and the possibility for creation of artificial lakes were especially impressive.

Weather will not be a controlling factor, Spaatz said, since the school will not be a flight school. "It will be an academic institution like West Point or Annapolis, turning out air force officers as second lieutenants with college degrees, but without a flight rating. We will want a 10,000 foot airstrip to permit use of any type of plane for demonstrations. Plans also contemplate enough flying to orient these officers. But they will be sent elsewhere for flight training after graduation," Lt. Col. Arthur E. Boudreau, secretary of the board, said.

As planned now, the academy will have a staff of 8000 to 10,000 persons and 2500 cadets. Board members asked about the facilities for outdoor recreation—skiing, swimming, hiking, hunting and fishing. They also remarked on the metropolitan facilities available in nearby Portland.

State Sheriff Group Elects Denver Young

PORTLAND, Dec. 8-(AP)—Sheriff Denver Young of Marion county today was elected president of the Oregon Sheriff's association at the group's annual meeting here.

Young has served as vice president during the past year. Other officers are Norman Field, Sherman county, vice president, and Rupert L. Gilmore, Hood River county, re-named secretary-treasurer.

Linn Families Ask Adoption Into Marion

A group of 30 families living in Linn county across the North Santiam river from Idanha wants Marion county to change its boundary to include them.

Two Idanha business men, Charles Hayesman and Gates Cochran, told Marion county court Friday that the families consider themselves part of Idanha. The community is connected to Idanha by a forest road and a bridge across the river. The Marion-Linn boundary follows the river.

County Judge Grant Murphy said the matter will be taken under advisement and investigated. He said he thought such a boundary change would require an act of the state legislature. "Marion county probably would be in favor of the move," he said, "if Linn county is."
