

Jamborees Dot Weekend Cage Play for Prep Teams

By Al Lightner
Statesman Sports Editor

The Willamette valley's numerous prep basketball teams will be back at it Friday and Saturday nights as they hasten to the climax of their pre-holiday schedules. And no less than 16 of the teams will be occupied in a pair of jamborees at Molalla and McMinnville. The annual Willamette Valley league "jam" rolls forth Friday night, 7:30 o'clock, at Molalla, and at eight o'clock at McMinnville the eight Yamawa league members will engage in

their first jam-session. Molalla, Mt. Angel, Sandy Canyon, Estacada, Woodburn, Silverton and Dallas will do the honors at Molalla in four brief games. Banks, Yamhill, Willamina, Sheridan, Sherwood, North Marion, Dayton and Amity are to play at McMinnville, also in four brief games.

The Big Six league has two counting dates for the weekend. Bend at Springfield and Eugene at Albany. Bend broke even in a pair with Eugene last week, the first two games of the league sche-

dule. The Lava Bears are scheduled at Springfield both Friday and Saturday nights, while the Axemen are slated for a solo appearance at Albany Friday night. Salem will be playing host to Roosevelt of Portland Friday and Corvallis will be at North Bend for Friday-Saturday games.

Marion County B league plays the third round, puts Sublimity at Chemawa, Oregon School for the Deaf at Gates, Detroit at Jefferson and Mill City at St. Paul, all on Friday night. Gervais high's Cougars are idle.

Marion-Polk leaguers, although not engaged in league games, will be in action as follows: Salem Academy plays at Bay City tonight, Toledo Friday night and Taft Saturday night; Cascade high plays host to Concordia Friday night and Sacred Heart's Cardinals will be at Central (Monmouth-Independence) the same night. Stayton's schedule calls for a rest.

Lebanon high travels to Tillamook Friday night and thence to Astoria Saturday night.

Teddies Play Viks Friday

Salem high's Vikings go for their third straight basketball victory Friday night in a Vik Villa clash with the Roosevelt Teddies of Portland. Game time will be at 8:15 o'clock, preceded by a Jayvee clash at 6:30.

Annually one of the top prep quints in Portland, the Roosevelts this season are coached by Mary Rasmussen, former U of Oregon player. The Vikings have thus far turned in victories over McMinnville and Jefferson of Portland.

Logue Leads Bearcat Scoring

Doug Logue, 6-6, forward, tops the scoring for Willamette's Bearcats through the initial five games of their hoop campaign, according to figures released Wednesday. Logue has 22 field goals and 12 charity tosses for 56 points — an average of just over 11 per game.

The scoring is close among the top six 'Cat cagemen. Logue's running mate, Ted Loder, stands next in the point column with 54 off 22 buckets and 10 gift shots. Larry Smith, the sharpshooting transfer from Clatsop Junior college, hit 20 tallies against Portland U Tuesday eve to push his total to 51 from 21 field baskets and nine bonus points. Next come veteran pivcter Chuck Robinson and Guard Lou Scrivens with 49 each and

Wolves Battle Lebanon Quint

then follows Back-courter Hugh Bellinger with an even 40.

Other Bearcat scorers: Ken Benschoff 7, Alva Brown 7, Claude Nordhill 4, Dan Montag 1, Bob Smith 1, Dick Brouwer 1.

Collectively, Coach Johnny Lewis' men have hit 121 field goals in 346 attempts for a smart 34.9 percentage. Less impressive is their free throw performance with 78 in 145 tries.

CAL CREW TRAVELS
BERKELEY, Calif., Dec. 13—(AP)—The University of California varsity crew—10 men—leaves with Coach Ky Bright Sunday for a series of January races in New Zealand. The Bears, winning crew in the 1948 Olympics, will participate in the centennial celebrations marking the 100th year of the New Zealand province of Canterbury.

Grid Season's Trends Noted

No Single Section Stood Out in 1950

(Cont. from Prec. Page)

The second "most significant" trend, according to the vote, was the general balance of football excellence around the country. No one section stood out, and the playing fields were left strewn with "great" teams which thought they had been invited to a work-out and learned too late they had run into an ambush.

Other trends noted by the press box fraternity included:

- The rarity of complaints against officials in 1950. "The boys must be getting better."
- The rise of "professionalism" among the big football schools.
- Decline of the use of the man-in-motion on offense.
- The big attendance despite the "turning of the stadiums into stages for television."
- Increased use of spread formations — "they'll soon be spread from sideline to sideline."
- The decline of Notre Dame.
- The number of small schools being forced to give up football.

They'll Do It Every Time

By Jimmy Hatlo

COP '5' Next For Bearcats

Willamette university's Bearcats take things easy until next Monday on their basketball schedule, when the strong College of the Pacific Tigers of Stockton, Calif., invade the Cat gym for an eight o'clock clash. The Tigers annually put out basketball teams just about as potent as their football teams are in that sport.

Although Coach John Lewis' outfit will be idle until Monday so far as the schedule is concerned, such isn't the case in the practice plans by the WU mentor. Not at all happy over the fact that his Cats have dropped four of their first five games, Lewis intends applying the heavy drill work in an effort to sharpen the club to the point at which it played most of the 1949-50 season.

Retiring Fesler Explains Woes

'Pressure' Groups Get Rap from Buck Mentor

NEW YORK, Dec. 13—(AP)—Wes Fesler, Ohio State's resigned football coach, says "as a father I want my kids to learn to lose but as a coach I've got to teach them to win at all costs—or I am out of a job."

Fesler and his ace back, Vic Janowicz, were in town for Tuesday night's Heisman trophy award dinner. The trophy was won by Janowicz, a junior at Ohio State, in a nationwide poll of sports writers and broadcasters.

"A business man who is correct, or wins, in 50 per cent of his deals is average," said Fesler before the presentation. "If the business man is correct in 70 per cent of his deals he is a big success and if he should be right in 80 per cent he is regarded as a wizard. But if a football coach wins only seven out of 10 games, he is likely to be fired."

The 42-year-old mentor, who joins the John Galbreath real estate firm on Jan. 1, said the win pressure on coaches comes from outside the universities, much of it "from business men who can't win 50 per cent of their own business deals."

"Don't get me wrong, Columbus, where Ohio State is located, is no worse than any other city. A football coach who has his telephone listed in the directory is plumb nuts."

"College football is a game young men should play for fun," Janowicz, a halfback on the Associated Press' 1950 All-American team, is the sixteenth player to be honored by the Downtown Athletic Club. Leon Hart, Notre Dame end, won last year. Leslie Horvath of Ohio State, was the 1944 winner.

Janowicz says next season will be his last in football. He is a catcher and hopes to enter professional baseball as soon as he gets his diploma.

W-Valley Sets 'Jam' Friday

'Pressure' Groups Get Rap from Buck Mentor

MOLALLA, Dec. 13—(Special)—The annual, and colorful Willamette Valley league basketball jamboree will be played here for the first time Friday night, starting at 7:30 o'clock. The big "jam" has been held in the Mt. Angel college gym in past years, but has been moved to the new and larger Molalla pavilion. The new gym will hold approximately 1800 fans.

The eight teams to play in the four short games are Molalla, Mt. Angel, Woodburn, Dallas, Silverton, Estacada, Sandy and Canby. Opponents in the four games will be determined via a drawing just before the starting time.

To the team scoring the most points in the jamboree will go the perpetual "Totem Pole" trophy now held by the Woodburn school. The trophy was designed and made by "Lefty" Wilder, Indian naturalist who was attached to the Chemawa Indian school when it was a member of the WVL a few years ago.

Plans Set for Yawama 'Jam'

McMINNVILLE, Dec. 13—(Special)—The first annual Yawama league basketball jamboree will get started in the McMinnville armory Friday night at eight o'clock, according to official plans submitted by league bosses. Eight teams will be divided into two squads to play on a "North" and "South" basis, with aggregate scoring to determine the winner at the end.

On the "North" team will be Banks, North Marion, Sherwood and Yamhill. Making up the "South" squad will be the Amity, Dayton, Willamina and Sheridan quints. Just who will play against who in the individual games will be determined by drawing.

The games will be of two, six-minute quarters in length.

CLARK COACH INJURED
VANCOUVER, Wash., Dec. 13—(AP)—Believed injured in a fall over a cliff while fishing, Marshall Shields, Clark junior college football coach, is under treatment in a hospital here. Although not in a serious condition, he has a concussion, a compound fracture of the right elbow and other injuries.

POPULAR COURSES
WINNIPEG—(AP)—Winnipeggers prefer to study salesmanship, interior decoration and how to improve their English, rather than learn what makes the atom bomb tick. Enrollment figures for the University of Manitoba's institute showed preference for such courses while few displayed interest in a physics course on atomic energy.

might be brushing up on his foreign languages during the off-season also. Due to be sent to the Cleveland-San Diego parents next season are Guzman Blas Amador, Manuel Echeverria and Ernest Guido Salapino, among others, "young ballgamers being moved up from Class C and D Hot Tamale leagues...

Rousing Richard Should Be Happy Now

We rather imagine Dick Greco is considerably happy over his drafting by the Birmingham club if for nothing other than that he now gets away from Brillheart. For some unaccountable reason Brillheart and the WIL's "Rousing Richard" didn't hit it off at all last season, and the Tacoma mgr. slapped the big slugger with one fine after another. True enough, Dick liked his "off bounds" frivolities now and then, which could have ruffled what's left of the Brillheart mane. But then when a guy can whale a baseball as often and as hard as Greco has done in this league, perhaps Mr. Jim would have been better off had he joined the sneering slugger rather than jump him... The Senators of 1946 had a player of Greco's hue, the rolly-polly Bucky Harris. He liked his off-hour gaily also, but never was nicked a dime in the way of a fine. So long as he kept on rearing out his base bingles, which he did, Skipper Bunny Griffiths never said boo to him...

Bradley Handed Gill a New Record

Not from OSC's Irwin Harris reveals that when Bradley got 77 points against Oregon State at Peoria last week they amounted to the most ever tallied against a Slats Gill coached Be ver team. Mr. H. also tallies that the Bevos had 142 fouls called on them in the five games while on tdur, an average of 28.4 per outing. (Wonder what Lair Gregory will have to say about that)...

Big rumor around San Francisco says Lefty O'Doul and Joe DiMaggio will team up to buy the Seals baseball club. Lefty helped start Joe on his career and the two recently completed an exhibition jaunt to Japan and Korea... Ford Mullen, one-time U of O eager, Eugene high coach, WIL, Coast and major league infielder is now spending the off-season coaching basketball at his hometown Olympia, Wash. high school. Mullen managed the Boise Pilots of the Pioneer loop last summer...
