WILSON'S GOOD USED CARS PREMIUM QUALITY

- 1949 BUICK SUPER SEDAN \$2195
 A few more miles than average but we know this car, how it was driven, how it was cared for. It is in excellent condition and offers you fine transportation at a reasonable cost. We classify it as PREMIUM quality, and it has several nice features to provide extra pleasure—delightful Dynaflow Drive, U. S. Royal Master white tires, radio speaker in rear seat compartment, Buick fresh air underseat heater and defroster.
- 1949 BUICK SUPER SEDANET 1995
 CHOICE seems to describe it best. This is a "slightly used" car. Only 19,000 miles, so clean it almost smells new. Radio, heater, directional signal, back-up lights, regular shift. With so little use and so much care you cannot find a better car at this price. We sold it new, serviced it, and took it in trade on another wonderful Buick.

- 1949 CHEVROLET CLUB COUPE 1595
 One of the most popular models on the market. It has radio, heater and defroster, windshield washer, oil filter, and extra bumper guards. Tires are good—two of them are new. The upholstery is very clean and in fine condition. You will find enjoyable driving and economical service.
- 1948 DODGE SEDAN 1395
 This car is the 1948 style produced and registered as a 1949 model. It is equipped with heater and defroster, directional signal lights, and white tires. It is clean and in good condition. We know it will provide excellent service and satisfaction.
