Accessories From Autos On Theft List

Radios, batteries, tools and other accessories disappeared from Salem autos at a fast clip late Wednesday and early Thursday,

judging by police reports. Theft of three radios and two batteries was reported to officers. The radios, according to police reports were taken from cars operated by William LaRoche, 600 N. Cottage st.; John Cowan, 2075 N.

Frank Lukinbeal, 1140 S. Liberty st., and Earl W. Parker, 853 S. Commercial st., each reported a battery missing, and Lukinbeal also said a set of tools, valued at \$30, was stolen from a rear trunk.

Other thefts reported Thursday: Mrs. George Sanders, 2041 S. Church st., a tire, spare wheel and flashlight: Frank Reynolds, 2734 Hulsey ave, four hubcaps; Harvey McLaughlin, Salem route 1, a

Several of the autos were park-* ed in the 800 block of South Commercial st. when items apparently were stolen, police reports indi-

Compromise Highway Plan To Get Study

The city-state agreement now southbound arterial. Substitution of Winter street has been proposleaders. The city zoners earlier promise using Summer street 1935. south to D street and then going over to Winter street via reverse

Still another compromise plan was being prepared Thursday by City Manager J. L. Franzen, following a conference of zoners with State Highway Engineer R. H.

Baldock told the zoning commission delegation that Summer street continues to be his recommendation and alternate planning would have to be authorized by the highway commission.

The city zoners will take up the matter again at 7:30 tonight in city
